

JANUARY 2012

In 2016 Norco College will celebrate its 25th anniversary. In preparation for that celebration, the Norco IMC staff is putting together a monthly historical perspective about the college and will be bringing you a regular visit to the past as they chronicle Norco's history through photographs, newspaper articles and special event memorabilia. A great deal of material has been located and will be archived electronically so our very important past will not be lost.

We hope you enjoy these glimpses into the past as Norco College - The First 25 Years comes into your email box each month.

A special thank you goes out to the staff of the IMC, Wilfred J. Airey Library, and Linda Reifschneider for their support of the project.

Dr. Debbie DiThomas
Interim President
NORCO COLLEGE
