 - i. Riverside City COM 19 Reader's Theater There is not enough demand for this course in this area at this time. Several attempts to offer this course in the last few years have been unsuccessful.  - iii. Riverside City SPA 1A Spanish 1A Spanish 1A and 1B have not been offered for a decade. 1A filled well, but 1B filled with 2 - 5 students, which means it was consistently cancelled. It made it difficult for these students to complete the 1A/1B transfer sequence.

 - v. Riverside City SPA 52 Introductory Listening Comprehension II. We propose it for deletion because it has not been offered for decades and is historically low-enrolled.

Statement of Purpose

The curriculum committee, a sub-committee of the academic senate, has two primary purposes: to review and approve new curriculum including new courses, course modifications, new programs and program modifications, and to review and approve the curriculum approval process. The college curriculum committee is the sole approving body for Norco College only curriculum. For district shared curriculum it has one vote in the district curriculum committee. The curriculum committee is also responsible for keeping abreast with state mandated curriculum changes and reporting those changes to faculty. Committee members report on curriculum at their department meetings and solicit suggestions and recommendations when needed.
