P. Open Forum:
1. Currently the Tech Review and DCC meetings are hybrid and faculty as well as staff that attend the Tech Review and DCC meetings via ZOOM has expressed that they find it very difficult to hear those speaking in the meeting room. Either the microphone needs to be enhanced or another solution provided so all attendees can fully participate.
2. Update on the ETS and teaching. Anything cross-listed with ETS needs the appropriate FSA to teach in both disciplines.

Q. Adjourned: 3:12 pm

Next Meeting: February 22, 2022 * Zoom Online

Statement of Purpose

The curriculum committee, a sub-committee of the academic senate, has two primary purposes: to review and approve new curriculum including new courses, course modifications, new programs and program modifications, and to review and approve thecurriculum approval process. The college curriculum committee is the sole approving body for Norco College only curriculum. For district shared curriculum it has one vote in the district curriculum committee. The curriculum committee is also responsible for keeping abreast with state mandated curriculum changes and reporting those changes to faculty. Committee members report on curriculum at their department meetings and solicit suggestions and recommendations when needed.
