Statement of Purpose

The curriculum committee, a sub-committee of the academic senate, has two primary purposes: to review and approve new curriculum including new courses, course modifications, new programs and program modifications, and to review and approve the curriculum approval process. The college curriculum committee is the sole approving body for Norco College only curriculum. For district shared curriculum it has one vote in the district curriculum committee. The curriculum committee is also responsible for keeping abreast with state mandated curriculum changes and reporting those changes to faculty. Committee members report on curriculum at their department meetings and solicit suggestions and recommendations when needed.

TO: ICAS

FROM: Robert Horwitz
Chair of Special Committee on AB 928

SUBJECT: Recommendation on a singular GE transfer pathway

The Special Committee on AB 928 met three times to discuss the singular general education (GE) transfer pathway. After considering several options and patterns, the group came to consensus on a pattern that it believes satisfies the legislation's requirements for both a clear and transparent singular pathway, and maintaining at 34 the total units required to complete the Intersegmental General Education Transfer Curriculum (IGETC). The recommendation is best understood by the attached chart.

For purposes of quick summary, the new pathway pattern recommended to ICAS requires the following:

- UC will accept Oral Communication as a new (third) course in Area 1 – English Communication.
- The CCC will revise and strengthen courses fulfilling the Oral Communication subject requirement to meet new core competencies.
- The number of courses required in Area 3 – Arts and Humanities will decrease from three to two (one in Arts, one in Humanities).
- UC will remove its Language Other than English proficiency requirement from IGETC and treat it as a graduation requirement.
- CSU will remove its Lifelong Learning and Self-Development course from IGETC and treat it as an upper-division requirement.

Note that the pattern includes a forthcoming new Area 7 – Ethnic Studies requirement. The UC Academic Senate recently approved this requirement, proposing to accommodate it within IGETC by reducing from three to two courses required in Area 4 – Social and Behavioral Sciences. It is anticipated that a final vote to approve Area 7 – Ethnic Studies for the CSU will occur at the March 2022 CSU Board of Trustees meeting.

These recommendations come with full support of the Special Committee members, following careful deliberation as well as a commitment to strong GE preparation for successful CCC student transfer to UC and CSU.

- On April 25, 2022, the Intersegmental Committee of Academic Senates (ICAS) received and voted to approve a recommendation from the ICAS Special Committee on AB 928 (Berman, 2021) that revises the current Intersegmental General Education Transfer Curriculum (IGETC) framework. It will provide a singular transfer pathway that holds the total number of course units to 34 as required by the law while maintaining many key curricular elements important to faculty and moreover beneficial to students of all three systems.
- The ASCCC put together a survey to collect responses to the proposed pathway; the link to the survey can be accessed here: https://www.surveymonkey.com/r/AB928_GE_Survey.
