- Minutes are approved unanimously without any changes

1:10pm 3. Agenda Items

- **3.1 Discussion Item: Senate Resolution**
 - Cameron provides some context for the Senate Resolution: He drew inspiration from Norco College's core commitments, the State Chancellor's Office and the Human Rights Campaign 2018 LGBTQ+ Youth Report.
 - Requests assistance with wording on the Senate Resolution
 - Peggy and Cameron began working on this at the end of Spring 2020.

- Should we spend more time on this or send it to the Academic Senate in November?
- Feedback on Senate Resolution:
 - We discussed adjusting the language and correcting typos.
 - We've been talking about the Senate Resolution for a while. What would be the advantage of putting this off until Spring?
 - Funding Question: The Chancellor has set aside 10 million dollars. This funding seems to be different from the funds that Norco College already has. The Governor's State Budget is allocating \$10m one time funds specifically to LGBTQ+ Student Support Centers in this year's budget.
 - One of our EMP goals is to close the equity gap amongst LGBTQ(IA)+ students. Goal 3, Objective 3.4
 - Cameron will correct the resolution and send the updated version via email.
- Marie moves that we bring this Senate Resolution to Senate this Monday, November 15th.
- Jake seconds.
- Motion passes unanimously, no abstentions.
- **3.2** Discussion Item: Senate Charter (due March 2022)
 - Senate is asking LGBTQ+ Advocates create a charter for our committee to align with the EMP
 - Subcommittee goals will be added to our charter.
 - We can determine our own expectations of our roles on the committee.
 - Due in mid-March 2022
 - Cameron will send out an email soliciting contributions to this Senate Charter.
- **3.3** Information Item: Unity Zone volunteers
 - Unity Zone Meeting Hours: Chris will have 20 hours a week (his position goes to the board this week). We also have a student employee, Alice, who will have additional hours.
 - Student workers need to have supervision during usual business hours.
 - Faculty can volunteer to access the Unity Zone to open the space.
 - Daniela will assess the availability of the center given Chris' updated hours and Alice's hours. Once this is done, she'll send this to Cameron.

- Faculty are welcome to contact Daniela to receive key card access to the Unity Zone. If faculty would like to volunteer time to work in the space, look out for this upcoming email.
- **3.4 Information Item: Data collection meeting recap**
 - We met again with Greg and Caitlyn. They met with their region 9 advisory group, and there isn't much that's being done.
 - We've discussed what we can do internally with surveys and information booths to survey students in person.
 - Please complete the Hotep Survey!
- **3.5 Discussion Item: Subcommittee breakout session**
 - Range and scope
 - Goals
 - Expected deliverables

4. Open Hearing/Good of the Order

- Can we change the meeting time for Spring to 12:50-1:50pm?
