Intersegmental General Education Transfer Curriculum (IGETC) 2013-2014

The courses listed below are those that Norco College is offering during the **SPRING 2014** term that can fulfill lower division transfer requirements following the IGETC pattern.

There are other courses that can fulfill these requirements; for a complete list of options, please see the Norco College Catalog.

Once completed, the Intersegmental General Education Transfer Curriculum (IGETC) will permit a student to transfer from a community college to a campus in either the California State University (CSU) or University of California (UC) system generally without the need, after transfer, to take additional lower-division general education courses. Some of the UC campuses do not accept or recommend IGETC for certain majors (i.e. Engineering, Sciences).

It is recommended that all students with the goal of transfer to a 4-year university develop a Student Educational Plan (SEP). A Norco College counselor can assist you in developing a SEP for your specific goals.

Transfer Students will receive IGETC certification after completing all of the subject areas below with a minimum "C" grade or better.

[The complete IGETC pattern can be found in the Norco College Catalog.](#)

Excluding GEG & GEG lab and PHY-10/PHY-11; for science courses offered in Area B-1 and B-2, students will be enrolled in the lecture and lab section with the same section number

Courses cannot be double-counted to satisfy more than one area

"Golden 4" Courses in Areas A-1, A-2, A-3, and B-4 must be completed with a grade of "C" or better

Although not part of the GE requirement for transfer, 6 semester units of US History, Constitution and Government is a CSU graduation requirement that students may complete at Norco College prior to transfer. HIS-6 or 6H or 7 or 7H and POL-1 or 1H satisfy this requirement.

Courses that may be applied to one of two different areas are listed only in one area, with the second option listed in *parenthesis*.

Course offered in special cohorts are not listed here. Please consult the Schedule of Classes for courses offered in CAP, Honors, Puente, STEM Scholars, or T3P

Courses subject to cancellation

California State University General Education Requirements 2013-2014

The courses listed below are those that Norco College is offering during the **SPRING 2014** term that can fulfill lower division general education requirements for all CSU campuses.
 There are other courses that can fulfill these requirements; for a complete list of options, please see the Norco College Catalog.
 It is recommended that all students with a goal of transfer to a 4-year university develop a Student Educational Plan (SEP). A Norco College academic counselor can assist you in developing an SEP for your specific academic goals.

Final Examination Schedule

- Failure to report for scheduled final examinations may result in a failing grade for the course. In case of illness or other emergency, the student must report to the instructor's office or department prior to the beginning of the examination.
- Final examinations for evening (4:30PM and later) and Saturday and Sunday classes will be held at the time and place of the regular class meeting on the following dates:

Thursday, June 5†
Friday, June 6
Saturday, June 7
Monday, June 9
Tuesday, June 10
Wednesday, June 11
Thursday, June 12

Classes meeting two nights per week will not meet the first meeting and shall use the second meeting for the final exam.

- Final Examination Schedules are specific to each college, and are to be used to determine the final examination dates for classes that are held only at that college.
- Final examination for classes shorter than a full semester will be held on the last class meeting date.
- The chart below details the final examination schedule for full-semester weekday classes. Choose the block that most closely matches the time and day the class meets, and that does not result in a conflict with other classes that are also scheduled within that same block. The date of the final examination will occasionally be scheduled on a day that the class does not normally meet. Note the start time and arrive promptly.

For classes not on the grid or conflicts that cannot be resolved, instructors will consult the department chair and the Norco College Dean of Instruction for resolutions.

Open  Campus

Did you know?

There is a "sample" class loaded with tutorials and useful information.
The sample class is based upon classes taught using the Blackboard 9.1 environment. Video tutorials, helpful links and other resources are available for viewing and reference.

To access, follow these easy steps:
Step 1: Visit www.opencampus.com.
Step 2: Under "Open Campus Links," click "Visit the Sample Class."

If you are taking classes using Blackboard 9.1, help is available 24/7.
The Blackboard Student Support Service line is available to provide assistance 24 hours a day, 7 days a week for issues directly related to classes taught using Blackboard 9.1.

*If you have reviewed the tutorials and information provided in the sample class, or have reviewed the information provided on the **Open Campus Help Page** and are still experiencing difficulties, call toll free at 1-866-259-7271.*

You can also get online support via e-mail and chat through the **Online Learning Support Center** link, located on the main Blackboard 9.1 login screen and on the **Open Campus Help Page**.

Courses delivered wherever YOU are.
