# Norco College - The First 25 Years

## *"The First Convocation"*

Norco IMC invites you to take a look back to September 18, 1991 when Norco College hosted its first Convocation.

It began with the President's March Processional. The participants were dressed in full academic regalia.

Dr. Marie Pepicello, Norco College's Provost, served as Master of Ceremonies. She wore a bronze medallion over her robe to signify her office as Provost. The audience was welcomed by Linda Howard, Student Provost at Norco College, who then led the flag salute.

Attendees were treated to a musical performance by the RCC Chamber Singers.

Dr. Charles Kane, Superintendent/President of RCCD, then introduced the Keynote Speaker William Niese, Senior Vice President of Law & Human Resources at the Los Angeles Times.

Another milestone in Norco College's history.
