Sen.09.08.01 ASNC Training Session

**Motion Author: Edwin Romero
(Discussion Item/ Action Item)**

ASNC will participate in a training session led by Advisor, Dr. Edwin Romero. Items of discussion will include participation in shared governance, representing and advocating for students, Robert's Rules of Order, and team building.

Edwin emphasized the importance of students' ability to participate in meetings. We went into Break up rooms and conversed about Robert's Rules of Order and how we can supplement them into our meetings and overall life in general. It is important to voice your opinions. Some meetings are more formal than others, depends on who is running the meeting. Edwin went over the importance of having your video on to show that you are paying attention and showing good posture. Paying attention during committee meetings is important. Take notes and report back to our senate meetings because "it looks bad" if you are not paying attention and reporting.

Sen.09.08.02 Constitution Day

**Motion Author: Anisha Salhotra
(Discussion Item)**

ASNC will participate on a discussion led by Anisha Salhotra speaking on campus event, Constitution Day, September 17th is Constitution Day. Constitution Day trivia will be taking place in multiple choice form and winners will receive a prize. Student accounts will go by student's name along with their student number. First place winner will get a \$25 gift card to Target, second and third place will receive \$15 gift card to Target. Constitution Day promotions will take place on Instagram, Norco College website bulletin, and Umoja. We will imbed a link to the Constitution on our posts.

Concern brought up by Angelica Calderon: 5 seconds is going to be too short to answer questions, we don't want them to Google the questions but still have enough time to think and answer. Concern: Anisha Salhotra: There are multiple people who got the same score and the same time. Idea: Ryan Snyder: We should give an overall time for the quiz rather than give each question a certain time. Solution: Anisha Salhotra, she will go over the quiz and have people do test runs to see what is most effective. Questions will be randomly generated.

Flyers will be put out soon and promotion will start once a flyer is picked.
