Ciao Walker, Aloha Gates!

RCCDPD says Goodbye to Interim Chief Walker (pictured left), who came back to serve our department a second time. We appreciate all her achievements and are thankful for her scouting efforts to fill our Chief position twice. She is going back to her retirement where much of her time will be occupied by her grandchildren. With her departure we welcome Chief Gates to the department.

Gates comes to us well rounded and with over 25 years of experience, during which she worked for Pomona and San Bernardino PD. She has held various assignments such as patrol, helicopter flight officer, and narcotics. In her career, she worked her way up the ranks, from Detective to Sergeant to Lieutenant. We are pleased to have her on our team and look forward to her leadership.

Welcome Day

On August 24, 2019, RCCDPD participated in Welcome day. We like to get involved in this event annually so we can help welcome new students to the campus. Our booth includes information on the police, parking services, and Rave Guardian.

Departmental Support

On September 17, 2019, members of RCCDPD attended the Board of Trustees meeting to show support during the new chief's swear in. The ceremony was conducted by Chancellor Issac, in front of the Trustee dais located at the District Office. In addition to RCCDPD members, Chief Gates was also supported by her husband, parents, and friends.

Rave Guardian is the best way to improve your personal safety by allowing those you trust to be your own private safety network. Rave Guardian provides rapid and proactive communication with your group of "guardians." Guardian is completely configured by the group of guardians you are associated with and makes connecting with them in times of crisis simple and easy.

- Share location information with safety officials during an emergency call
- Quick access to safety or important phone numbers
- Important resources selected by your organization
- If you allow RAVEGuardian, you can receive important notifications based on your location

Cop Corner

On July 31, 2019 a club car was stolen from Moreno Valley College, with no witnesses or evidence left behind. A couple weeks after the incident, Officer DeAnda received information that the cart was listed for sale on OfferUp.

Officer DeAnda obtained a search warrant for access to account information from the website. From this search warrant a username and address were secured. A second warrant was obtained to retrieve the stolen property from a residence in Perris, on August 21. Thanks to Officer DeAnda, a thief is being held accountable and our club car is still in use!

Department Bar-B-Que

On August 14, 2019, RCCDPD had a departmental end of summer session BBQ. We had food, music, and games. We made many great memories together.
