Student Financial Services Mission Statement

The Student Financial Services department at Norco College is committed to providing financial assistance to all students to help them in attaining their educational and professional goals. Our student-centered employees will provide professional knowledge and personalized service to assist students in obtaining the best use of all financial resources available for a successful future. We’ll make college accessible, you make it count!
What You Should Know About Applying for Financial Assistance

Completing a Free Application for Federal Student Aid (FAFSA) and an admissions application to Norco College is the way to start your educational journey! By completing the FAFSA application, current and prospective students can be considered for several state and federal financial assistance opportunities. Student Financial Services (SFS) provides assistance to students by helping to relieve the financial burden of paying for college expenses. Financial assistance through these programs is considered supplemental to family resources, student earnings, and assistance from other sources. Remember that financial assistance is not the way to meet all your basic living expenses and needs.

Complete the applications

1. Complete an admissions application online at www.norcocollege.edu. If you do not have computer access at home you can come to the college and apply online at the admissions and records office.

2. After you have completed your admissions application you will need to activate your RCCD student E-mail account. Your RCCD student E-mail account is how SFS will contact you concerning your financial assistance.

3. Complete the FAFSA application. You can complete the FAFSA free online at www.fafsa.gov or on the phone by calling 1-800-433-3243. If you would like assistance, we offer FAFSA workshops year round. Our workshop locations and times can be found on our website at: www.norcocollege.edu or in our office. When you are completing your FAFSA application you will need to list the Norco College Title IV school code #041761 so that we may receive your information.

4. Once you complete your FAFSA you will receive a Student Aid Report (SAR) from the Department of Education Central Processing Center either by e-mail or mail. The SAR is your initial response to your FAFSA application.

An accurate SAR requires no corrections. Be sure to read the “Comments” section of your SAR to determine if corrections are required. If corrections are necessary, you may consult with a Student Financial Services staff member for assistance prior to submitting corrections to the Central Processing Center. Use your Personal Identification Number (PIN) to make corrections to your SAR at the FAFSA website at www.fafsa.gov.

Students should submit corrections if:

• Norco College is not listed under the school section of your Student Aid Report (SAR).
• There is no Expected Family Contribution (EFC) number due to incomplete or conflicting information.

• The drug related question was left blank.

• Income information is incorrect and your SAR was not selected for “Verification” by the Central Processing Center.

• Other conflicting or incorrect information is listed.

If you are not sure if any corrections are needed, please contact Student Financial Services at (951) 372-7009 by email at studentfinancialservices@norcocollege.edu.

Corrections can be made online at www.fafsa.gov or by correcting and mailing Part II of your Student Aid Report if you received one by mail. You may also attend one of our FAFSA on the Web workshops and we will assist you in making your corrections.

Completing your file

Submitting your FAFSA application is the gateway to funding your educational future.

• The FAFSA determines your eligibility for various federal and state grants as well as student work-study and student loans. Your eligibility is based on financial need, number of units you are actively enrolled in, and student budget. Remember, the application process is free! There may be additional applications and/or requirements for each of the programs listed in this guide.

• Once you have completed your FAFSA and the Student Financial Services (SFS) office has received your information from the Department of Education Central Processing Center, our office will send an e-mail to your RCCD student E-mail account. This email will notify you if any additional paperwork is needed to complete your financial assistance file.

• Required Student Financial Services forms will be listed on Web Advisor at www.norcocollege.edu, under “required documents by year”. Certain documentation will be requested from you, such as a Verification Worksheet, copies of your signed 2010 Tax Returns, 2010 W-2’s or other documents needed to complete your file. Necessary SFS forms are available for download on our website at www.norcocollege.edu

Turn in all required documents as soon as possible to your home college Student Financial Services office. A list of deadline dates can be located on our disbursement schedule in this consumer guide or on our website.

Notification

After completion of your financial assistance file, your information will be reviewed and your revised eligibility response will be e-mailed to your RCCD student E-mail address. Your award letter will be posted on Web Advisor at www.norcocollege.edu.
Always maintain an accurate mailing address and a correct phone number with Admissions & Records to avoid delays in communication. Make updates if necessary through your Web Advisor.

- Please be aware that the financial assistance process takes time. To ensure that the process goes smoothly it is important to complete your application early and accurately, keep copies of your application and other important documents such as tax forms, and carefully read and respond to all communication received regarding your financial assistance application.

You must activate your RCCD student E-mail account in order to receive our communications. Please review the section in this guide for more information on your RCCD Student E-mail account. If you have trouble with your e-mail or need assistance please contact studenttechhelp@rcc.edu.

- Keep in mind that financial assistance funds are generally not available at the beginning of each semester. Disbursements usually begin approximately 1 week after classes begin. Please be aware that not all students receive funds on every disbursement date. This is due to processing timelines, when a student completes his/her file, a student's enrollment status and eligibility status. Therefore students are encouraged to be prepared to pay for books and supplies out of their own resources. Financial assistance is intended to supplement, not replace, resources needed to meet the cost of education.

Complete your FAFSA application each year between January 1st and March 2nd for priority processing for the following Fall semester.

Why should I complete the FAFSA online?

- It is the easiest way for the fastest result!
- Paper applications are only available by download at www.fafsa.gov or by phone at 1-800-4FED-AID. Paper applications must be mailed to the Department of Education and that takes longer than submitting the FAFSA online.
- It’s easier than ever! Online instructions are available to help answer every question and the FAFSA online lets you skip questions that do not apply to you.
Tips for completing the FAFSA online:

- Apply for a Personal Identification Number (PIN) at www.pin.gov so you can electronically sign the online FAFSA. If you are a dependent student, have a parent apply for their own PIN. Parents will need to sign the FAFSA until you are 24 years of age or no longer considered a dependent student.

- Students requesting a duplicate PIN will receive it at once using the “Display now” option.

- Collect all 2010 income information, such as signed federal income tax returns (if one was filed) or W-2 forms. Also, asset information such as savings, investments, and business values, bank statements, records of untaxed income such as Child Support, Worker’s Compensation, Disability or Pensions need to be available when completing the FAFSA.

- You will need your driver’s license number (if you have one), your social security number and your alien registration number if you are not a citizen. If you are a dependent student, you will need your parent’s social security number. If they do not have a social security number, use 000-00-0000.

- Read all instructions, work through each step carefully and save the FAFSA application often by using the “save” button. If you lose your internet connection or if you need to exit and return later, saving your application will allow you to continue to work or make corrections before submitting your FAFSA.

- There is help available on the website as you enter the information. The “Hint” box on the right side of the application explains why the information is needed and gives hints as to how to answer the question. As you enter and move to the next page, the “Hint” box stops you if the information is incomplete and prompts you on the questions that are incorrect or overlooked.

- Help is also available in the Student Financial Services office on the 1st floor of the Student Services Building.

Accountability

Updating and maintaining accurate student information is a shared responsibility between Norco College and its students. If at any time, an error or conflicting information on the FAFSA is determined, it is the responsibility of both Norco College and the student to correct/resolve the issue. Once a correction/update is made to the FAFSA, please be advised that it may result in an adjustment in financial assistance programs and/or award amounts. In some cases the student and/or Norco College will be responsible for the immediate repayment of funds already disbursed.

Please be advised that if you have submitted documentation that contains errors to the Student Financial Services office in support of your financial assistance file, it is imperative that you notify our office immediately. Failure to notify our office of any changes, such as FASFA corrections or a
change in student information, will result in a delay in determining your eligibility for assistance as well as a delay in the disbursement of funds. It is our primary goal to assist Norco College students in receiving their financial aid in an accurate and timely manner.

E-mail accounts

Riverside Community College District (RCCD) provides all students free student email accounts. The Student Financial Services Department will use the RCCD Student email to communicate to students regarding their financial assistance file. All students must activate their email accounts in order to receive any correspondence regarding financial assistance, registration appointments, faculty emails and more. To learn more on how to activate your RCCD student email visit the RCCD website and click on the college you will be attending; then click on Admission and Records. A tutorial is available that will explain the activation process.

Important Notice regarding approved courses

Not all courses at Norco College have been approved by the Department of Education for Federal and/or State financial assistance funding. Please visit the Student Financial Services office for a list of courses that are not approved for financial assistance payments. If you enroll in any of the courses on this list, you will not receive payment of any Federal and/or State financial assistance.

Consortium Agreement

Moreno Valley/ Norco College / Riverside City College
Blanket Consortium Agreement
(As allowed in the Code of Federal Regulations, 34CFR 668.5)

This blanket consortium agreement is for the purpose of providing federal financial assistance to Riverside Community College District students enrolled at Moreno Valley, Norco College and/or Riverside City College. It covers enrollment for on campus classes, online classes and study abroad courses.

This consortium agreement is effective beginning the Fall 2011 Semester.
The home school will be the college where the student submits their admission’s application and where the student is seeking a degree. The home school will be responsible for:
1. Determining eligibility;
2. Disbursing aid;
3. Monitoring enrollment;
4. Monitoring and resolving over awards;
5. Administering the Return of Title IV regulations;
6. Administering Satisfactory Academic Progress;

8. Enrollment information (class name, unit value, registration status, cancellation and withdrawal dates, etc.) for the classes in which the students enroll at all colleges; and
9. Enrollment periods for all classes

The other college(s) where students are enrolled is considered to be the host school. The host school(s) agrees to not disburse financial aid to students who have chosen another college as their home school.

**Types of Financial Assistance**

**Federal Pell Grant**

Pell Grants are the foundation of federal financial assistance and are available for students with high financial need. Unlike most federal assistance, these grants do not need to be paid back as long as you do not withdraw from classes and you successfully complete your classes.

To apply for a Pell grant, submit the Free Application for Federal Student Aid (FAFSA) online at [www.fafsa.gov](http://www.fafsa.gov). Eligibility for the Pell grant is determined by a standard formula using information you provide on your FAFSA, your enrollment status and your academic history. Upon completion of the FAFSA you will receive an Expected Family Contribution (EFC) number which is your eligibility number. Your EFC is located on your Student Aid Report (SAR), which you can view at [www.fafsa.gov](http://www.fafsa.gov) using your Federal Personal Identification Number (PIN). The EFC number will determine your eligibility for the Pell grant.

The maximum Pell Grant award for the 2011-2012 academic year is $5,550. (this dollar amount is subject to change pending Federal regulations and availability of funds). Please note that the amount of grants is prorated based on the amount of units you are taking in each semester and that students enrolled in less than 6 units who are eligible for a Pell grant may receive their disbursement near the end of the semester, if eligible. Students who have received their Bachelors degree or higher are not eligible to receive the Pell grant.
Board of Governor's Enrollment Fee Waiver (BOGW)

The Board of Governors Fee Waiver is a state program which waives enrollment fees for qualifying students at California Community Colleges. The BOGW will also reduce parking fees for fall and spring semesters. However, the BOGW does not pay for books or other educational supplies, the student services and health fees, or additional class fees (Such as art, CPR fees or other required fees as listed in the schedule of classes).

To apply for the BOGW, complete the FAFSA at www.fafsa.gov and list Norco College using our title IV code # 041761. Eligibility for the BOGW is determined automatically when the Student Financial Services office receives information from the Department of Education after the FAFSA is completed. An email will be sent to your RCCD student E-mail account with your award information once the FAFSA has been received, if you are eligible. The BOGW is valid for the academic year beginning with summer and ending with the spring semester.

You may be eligible for a BOGW if you are a California resident and meet one of the following criteria:

1. You are eligible for any type of need-based financial assistance as determined by the FAFSA (no other application is necessary).

If you have special circumstances and are not able to complete the FAFSA, you may fill out a separate BOGW application and take it to the Student Financial Services (SFS) office along with the required supporting documentation of Income, Benefits or Special Classifications.

BOGW Applications that are mailed to the Student Financial Services Office without supporting documentation of Income, benefits or Special Classifications, will not be processed.

2. Guidelines to qualify based on income:

Your total income for 2010 or your parents’ total income for 2010 (if you’re a dependent student) was within the following income standards (documentation is required):

<table>
<thead>
<tr>
<th>Number in Household Total</th>
<th>2010 family income (Including student adjusted gross income and/or untaxed income)</th>
</tr>
</thead>
<tbody>
<tr>
<td>1</td>
<td>$16,245 or less</td>
</tr>
<tr>
<td>2</td>
<td>$21,855 or less</td>
</tr>
<tr>
<td>3</td>
<td>$27,465 or less</td>
</tr>
<tr>
<td>4</td>
<td>$33,075 or less</td>
</tr>
<tr>
<td></td>
<td>*Add $5,610 for each additional dependent</td>
</tr>
</tbody>
</table>

*Add $5,610 for each additional dependent
3. Guidelines to qualify based on Benefits:

If you or your family currently receive TANF/Cal Works, SSI or General Assistance payments (documentation is required along with a BOGW application)
The application is available for download on our website at www.norcocollege.edu.

4. Guidelines to qualify based on Special Classifications:

- If you are a dependent of a deceased or disabled veteran and have been determined eligible for the fee waiver by the California Department of Veterans Affairs or National Guard Adjutant General.
- If you are a Congressional Medal of Honor recipient or child of a recipient.
- If you are a dependent of a victim of the 9/11 terrorist attack.
- If you are a dependent of a deceased law enforcement personnel killed in the line of duty.

For any of these Special Classifications, a letter or Certificate of Eligibility is required along with a completed BOGW application.

Veterans can contact the Riverside County Veterans office at 951-955-6050 for information on obtaining the Certificate of Eligibility.

You must re-apply for the BOGW using the FAFSA before each summer semester, preferably in January or February.

If you have been determined to be BOGW eligible after you have paid your fees during the current semester, you may be entitled to a refund. However, if you drop your classes after the refund deadline established by Admissions & Records, you will not be eligible for a BOGW refund for the dropped classes.

If you have paid for classes and then are determined eligible for a BOGW, your account will be updated for the current semester and you will automatically be sent a refund.

A refund will not be automatically generated for prior semesters, only for current semesters. You must request the account billing be updated in the Admission and Records Cashier office for any prior semester if determined BOGW eligible after the semester has ended.

If you are already registered for classes in the current semester, but have not yet paid your fees, please inform the Admissions and Records Cashier office that you are now a BOGW student and need your account updated for the current semester.

Federal Work Study (FWS)

The Federal Work Study Program offers you the opportunity to gain work experience and earn additional funding through part-time employment (up to 20 hours per week) to assist in paying for your educational expenses. The program also benefits the community by offering services at no cost to non-profit organizations and government institutions.

FWS is one of several federal grants offered through the FAFSA application. The FWS award specifies the amount you are eligible to earn in an academic year which runs from July 1st through June 30th. You are pre-screened for eligibility before being referred for interviews. Awards are granted once employment has been secured.

You will receive your FWS award as earnings from your job by means of submitting a timesheet which is paid monthly. Direct deposit is available. In order to be considered for FWS, you must apply for and be eligible to receive federal financial assistance through the FAFSA. The FWS positions are available on and off-campus. Due to limited funding, awarding is on a first come first served basis. The Student Employment Department also offers District (non work study) positions for those that do not qualify for financial assistance, exhaust their FWS award, or when funding is not available.
FWS Eligibility Requirements:

All students seeking Federal Work Study positions must meet the following criteria:

- Must apply for the FAFSA at www.fafsa.gov and demonstrate financial need which is determined by the Norco College Student Financial Services office.
- Must maintain a cumulative grade point average of 2.0 or better.
- Must be enrolled in half time units or more at Norco College (6.0 units is considered half time in Fall/Spring semesters).
- Must have a valid, non-laminated and signed social security card.
- TB test, fingerprinting, and food handler’s card may be required for certain positions upon hire as a condition for employment.
- Must be meeting the SFS Satisfactory Academic Progress (SAP) standard. If a student fails to meet SAP standards, the student may be placed on warning and ultimately become ineligible for financial assistance which will result in the loss of their financial assistance and immediate suspension of their FWS position. The student will not be allowed to return to work unless an appeal has been filed and approved through the Student Financial Services office and a written notification to return to work has been issued by the Student Employment Office.

What are the benefits of the FWS Program?

- Flexible hours that work around your school schedule.
- Gain valuable work skills and experience.
- Develop interpersonal skills and learn organizational procedures.
- Acquire expertise in areas related to your academic/career interests.
- Earn extra income.
- Network with the Norco College community.

**Federal Direct Loan Program**  
** (DL Stafford Subsidized Loans or DL Stafford Unsubsidized Loans)**

Unlike grants or work-study, Direct Loans (DL) are borrowed funds that **must** be repaid with interest. They are a very serious obligation, so think about the amount you will have to repay over the years before you apply for a loan. When applying for a loan, it is important to understand how much your monthly payments will be once your repayment period begins. To estimate your monthly loan repayment amount and for additional information on student loans, please visit [www.studentloans.gov](http://www.studentloans.gov).

Norco College offers both Subsidized and Unsubsidized Federal Direct Stafford loans for the fall and spring semesters. These loans are designed to help you achieve your educational goals. Funds will come from the Department of Education DL program. You will repay these loans to the Department of Education DL program or its servicing agent. Please make sure that you stay in constant contact with Direct Loans in order to avoid delays in student loan payment and to ensure successful repayment.

At Norco College, it is our plan to help students reach their educational goal with the least amount of student loan debt as possible. Norco College does not recommend borrowing more than $10,000 at the community college level (**this includes loans from any other institution that you attended**). Students who already owe $10,000 or more will be required to meet with a financial assistance representative prior to a loan being approved. If you have loans from other schools and are unsure of how much you have borrowed, you can view your complete loan history at [www.nslds.ed.gov](http://www.nslds.ed.gov) (National Student Loan Data System) – your FAFSA PIN is required to access this website (**this is the same PIN number that you would use to fill out your FAFSA online and sign you Master Promissory Note (MPN). To obtain a PIN, go to [www.pin.gov](http://www.pin.gov).**)

**Subsidized loans** are for students who have demonstrated **financial need**. You may borrow up to $3500 as a first-year student (completed less than 30 units at Norco College) and $4500 as a second-year student (completed 30 or more units at Norco College) per academic year. The federal government pays the interest during deferment periods, while students are in college at least half-time and during the six month grace period after they graduate, leave school or enroll less than half-time (less than 6 units). To qualify, students must meet all of the requirements for federal student
financial assistance and have their eligibility for all other grants determined first. Federal student loans should be a student’s last resource.

**Unsubsidized loans** are not based on financial need. Students are responsible for paying the interest on these loans. Interest starts accruing as soon as the loan is disbursed and ends when the loan is paid in full. Students may choose to defer the interest payments while they are enrolled in college at least half-time. Norco College recommends that students make interest payments while they are in college.

**How to apply for a Student Loan at Norco College:**

1. You must fill out the Free Application for Federal Student Aid online at www.fafsa.gov and list Norco College title IV code #041761.
2. You must complete your Norco College financial assistance file by turning in all required documents listed on Web Advisor at www.norcocollege.edu under “required documents by year”.
3. You must have received your final revised award notice for any grants, Federal Work Study (FWS) or scholarships before applying for a loan.
4. You must be meeting the Norco College Student Financial Services Satisfactory Academic Progress (SAP) standard. Please refer to the table of contents to review the Student Financial Services SAP standard.
5. You must have a current full program Student Educational Plan (SEP), dated within one year of your loan request.
6. You must be enrolled in at least 6 units on the SEP that are applicable and required towards your degree.
7. You must have a declared academic program (major) on file with Admissions and Records which matches your SEP.
8. You must successfully complete with a score of 100%, the Direct Loan entrance interview at www.studentloans.gov.
9. You must successfully complete your electronic Master Promissory Note (eMPN) online at www.studentloans.gov prior to applying for a student loan at Norco College.
10. If you meet the above requirements, you may request a loan packet from the Student Financial Services office throughout the fall and spring semesters.
11. Submit the Federal Stafford Loan Request Form along with any other required forms. ***Computers are available for your use to complete the entrance interview at the Student Financial Services Lobby in the Student Services Building, 1st floor.

**After you have turned in your loan request and required documents:**

- You will receive notification within two weeks from the deadline date you submitted the “Loan Request Form” regarding the status of your loan. Please refer to the loan request receipt for deadline and notification dates.
- You will need to complete a loan appeal request form at the time of application, if you fall into any of the following categories. Loan appeal forms are located in the SFS office and must be turned in with the loan request form for timely processing. Failure to turn in a loan appeal form for the below circumstances will delay your loan request processing and disbursement.
You are applying to exceed the Norco College recommended total borrowing limit of $10,000. (This loan limit includes loans from other schools) and you are not in a high cost academic program (Dental Hygiene, Physician Assistant, Basic Peace Officer Academy). You will be required to meet with a SFS representative to turn in this appeal request.

- You are applying for an additional unsubsidized loan and are not in any of the above high cost academic programs.
- You are on SAP warning or probation/appeal (see the Student Financial Services SAP policy for additional information).
- You have previous adverse loan history.

- All loan disbursements are loaded onto the Sallie Mae Debit Card. If you have not already signed up to receive your Sallie Mae Debit card, you must do so by choosing the link on our website at www.norcocolege.edu. Failure to sign up for the Sallie Mae debit card will cause a delay in your loan disbursement. See the Sallie Mae section of this guide for additional information.

- **ALL loan students are required to complete a Direct Loan EXIT interview online at www.nslds.ed.gov prior to receiving your final disbursement. Failure to complete the exit interview will result in your loan disbursement being delayed and a hold being placed on your Norco College records, which will block your registration, your ability to view your grades or request official transcripts.**

- If your loan is denied, you will be notified within two weeks from the deadline date you submitted the “Loan Request Form”.

- You may appeal a loan denial with a “Loan Appeal Request Form”. The Loan Appeal Request form must be submitted the Student Financial Services Office. All loan appeals are reviewed on a case-by-case basis and you will be notified by mail regarding the decision of your Loan Appeal within two weeks of the submission date. All decisions are final.

**Student Loan Alternatives**

Before you decide to apply for a loan to fund your education, it’s smart to explore other options that don’t require repayment! Student Employment is an option for students to work part-time on campus and off campus to assist with the cost of educational expenses. Wages are paid directly to you and help pay for college expenses. The best part is you never have to pay this money back! Please review our section on Federal Work Study before deciding to borrow a student loan or visit the Norco College Student Employment office located in the Center for Student Success on the 1st floor.

Scholarships are another Student Loan alternative; you can find and apply for many different types of scholarships on the internet. Some websites to visit are [www.fastweb.com](http://www.fastweb.com), [www.scholarships.com](http://www.scholarships.com), [www.scholarshiphunter.com](http://www.scholarshiphunter.com) and [www.scholarshipexpert.com](http://www.scholarshipexpert.com). Personal savings /gifts can also be used to fund your education. These funds can be used to pay for books, student fees and supplies.
Federal Student Loan Default Management Plan

The Norco College Federal Student Loan Default Management Plan requires all students who receive a loan at Norco College to complete a Loan Entrance and Exit Interview each academic year. Students may complete the loan entrance interview online at www.studentloans.gov and the loan exit interview online at www.nslds.ed.gov. Complete the Entrance Interview when applying for a loan and complete the Exit Interview prior to your final loan disbursement. If this requirement is not met your loan funds will be delayed and a hold will be placed on your academic file at Norco College. Computers are available for use to complete the Direct Loan Entrance and Exit Interview in the Student Services Lobby.

Facts you need to know when completing the FAFSA

Dependent or Independent

When completing the Free Application for Federal Student Aid (FAFSA), you’ll need to know whose information to report: Your information is required (and, if married, your spouse's) if you're an independent student; or your information and your parents' if you're a dependent student. Federal student aid programs are based on the concept that a dependent student’s parents have the primary responsibility for paying for their child’s education.

You will be asked certain questions on the FAFSA to determine your dependency status according to the U.S. Department of Education. Your answers to these questions will let you know if you are considered a “dependent student” or an “independent student” for financial aid purposes and whether or not you will need to include your parents’ information.

For the 2011-2012 academic year, you will be asked the following questions to find out if you need to provide parent information:

- Were you born before January 1, 1988?
- As of today, are you married?
- At the beginning of the 2011-2012 school year, will you be working on a master's or doctorate program (such as MA, MBA, MD, JD, PhD, EdD, Graduate Certificate, etc.)?
- Are you currently serving on active duty in the U.S. Armed Forces for purposes other than training?
• Are you a veteran of the U.S. Armed Forces?
• Do you have children who will receive more than half of their support from you between July 1, 2011 and June 30, 2012?
• Do you have dependents (other than your children or spouse) who live with you and who receive more than half of their support from you, now and through June 30, 2012?
• At any time since you turned age 13, were both your parents deceased, were you in foster care or were you a dependent or ward of the court?
• As determined by a court in your state of legal residence, are you or were you an emancipated minor or in legal guardianship?
• At any time on or after July 1, 2010, were you determined by your school district homeless liaison or the director of an emergency shelter/transitional housing program to be an unaccompanied youth who was homeless?
• At any time on or after July 1, 2010, did the director of a runaway or homeless youth basic center or transitional living program determine that you were an unaccompanied youth who was homeless or were self-supporting and at risk of being homeless?

If you answer “No” to all of the questions listed above, you are considered a dependent student and must include parental information and their signature on the FAFSA. Your parents’ ability to contribute to your college expenses will be taken into account when determining your eligibility for financial assistance. Be sure to use your birth or adoptive parent’s information. Do not use information from grandparents, legal guardians or foster parents. If your parents are divorced or separated, read the FAFSA instructions for guidance on which parent’s information to include. Not living with parents or not being claimed by them on tax forms does not determine dependency status for federal student aid.

If you answer “Yes” to at least one of the questions listed above, you are considered an independent student and will be evaluated for financial assistance based on your own circumstances. Your parental information and signature will not be necessary.

Petition for Independent Status (Dependency Override)

Most students entering a postsecondary school straight from high school are considered financially dependent on their parents. This means their parent(s) (biological or adoptive) must provide information on the FAFSA. A student cannot be determined to be independent just because:

• Your parents don’t want to provide information on the FAFSA due to privacy concerns.
• Your parents don’t feel it’s their responsibility to provide financial assistance for college.
• Your parents no longer claim you as a dependent on their taxes
• You are self-supporting and/or no longer live with your parents

In extreme cases, the Student Financial Services office may be able to use professional judgment to override your dependency status if you can prove that extenuating circumstances exist in the family such as:

• You have no contact with your parents and do not know where they are
• You have left home due to an abusive situation and your physical and/or emotional welfare are jeopardized by having contact with your parents.

If you have extenuating circumstances and are unable to complete the parent(s) section on the FAFSA application, it is recommended that you complete the 2011-2012 FAFSA with your information, omit the parent’s information and apply for a Petition for Independent Status at the Student Financial Services office. The petition forms are available in the Student Financial Services Office. The petition must be submitted with official supporting documentation. If the Student Financial Services Office approves your Petition for Independent Status, a dependency override will be granted. The decision is based on the professional judgment of the SFS office and is final and cannot be appealed to the Department of Education.

You must Petition for Independent Status each academic year that you apply for financial assistance or you are required to provide parent(s) information on your FAFSA application. Dependency Overrides approved by other Institutions are not accepted at Norco College.

**California High School Exit Exam (CAHSEE)**

**What is the CAHSEE?**
In 1999, California State Law passed the development of the California High School Exit Examination (CAHSEE). Students in all California Public High Schools must pass the exam to earn a High School diploma. The purpose of the CAHSEE exam is to improve student achievement in high school and to help ensure that students who graduate from high school are able to demonstrate grade-level competency in English-Language Arts and Mathematics. Within these subjects, students are tested on reading, writing and mathematics (www.cde.ca.gov).

**When do High School students take the CAHSEE?**
All high school students must take the CAHSEE beginning in the tenth grade.

**How many times does a student have to pass the CAHSEE?**
Students who do not pass one or both parts of the CAHSEE in the tenth grade will have two opportunities to pass the exam in the eleventh grade. In the twelfth grade, students will have up to three times to retake the portion of the exam not yet passed.

**What happens for students who do not pass the CAHSEE?**
School districts are required to provide additional assistance and instruction to assist students who do not pass the CAHSEE. Please see your local school district’s website or go to www.cde.ca.gov for more information on how to receive assistance on passing the CAHSEE.

**Are there any exemptions or waivers of the CAHSEE?**
Yes, there are specific exemptions or waivers of the CAHSEE. Education Code 60852.4 allows an exemption or waiver of the requirement to pass the CAHSEE exam under specific requirements. Exemption information for the CAHSEE exam can be found at www.cde.ca.gov website under the CAHSEE frequently asked questions section.
Ability to Benefit (ATB)

To receive financial assistance, a student must be qualified to study at the postsecondary level. A student qualifies if he or she has:

- A high school diploma
- A recognized equivalent of a high school diploma, typically a General Education Development (GED) certificate
- Completed home schooling

The exception to this rule is when a student meets one of the following Ability To Benefit (ATB) requirements:

- Pass a federally approved ATB test. At Norco College this test is administered by the Assessment Center. You can contact the assessment center for testing times by calling 951-372-7156 or check the assessment center website at www.norcocollege.edu
- OR
- Satisfactorily complete six units that are applicable toward a degree or certificate offered at Norco College. You must meet with an academic counselor to determine if you meet this requirement. Appointments can be scheduled by calling 951-372-7101 or by visiting the Student Financial Services Office. Although you cannot receive financial grant or loan assistance while you are earning these units, you may still be eligible for the Board of Governor's Fee Waiver (BOGW). Please refer to the BOGW section of this consumer guide for additional information.

The ATB test is administered by staff in the Assessment Center. The test consists of reading comprehension, sentence skills, and arithmetic. There is no time limit to complete the test, however it must be completed in one sitting and a valid/not valid result is provided at the end of the test.

A result of “valid” indicates that you have met the “Ability to Benefit” requirement. SFS will be notified of your results or you may bring your results by our office. A result of “not valid” indicates that you have not met the ATB requirement and must retake the test or meet the 6 unit requirement as defined above.

- If you fail one part of the ATB test, you will need to repeat the entire exam.
- If you do not pass the test the first time, Assessment staff will provide you with information on re-taking the test.
- If you do not pass the test the second time, you must speak with an SFS Academic Counselor to discuss further options.

The assessment test is required for all new students. It can also be used to assess your eligibility for the ATB requirement. To schedule an appointment for further information, you may stop by or call the assessment center at 951-372-7176 or visit their website listed above.

Testing students with disabilities: The requirements include giving the test in a manner that is accessible to disabled students and offering alternative forms of the exam in large print, Braille, and audio cassette formats. The student must provide documentation of the disability to Disabled Student Programs and Services to determine eligibility for the accommodation.

Combined English Language Skills Assessment (CELSA) Test

Is there a test for students who did not receive a High School Diploma/GED whose native language is not English and who are not fluent in English?

Yes, there is a test for students whose native language is not English and who do not speak fluent English. The test is called the Combined English Language Skills Assessment (CELSA) Test.

If eligible for financial assistance, students who pass the CELSA test will only be eligible to receive financial assistance for ESL classes. The rules and regulations listed for the ATB test apply to the CELSA test as well. Please see the section for additional information.

Information for Non-Resident Students

A student’s residency is determined by the Norco College Admissions and Records office. Students are considered Non-Residents if they have relocated to California from another state within the past 1 year and 1 day. You can find more detailed information and may also obtain information in regards to the non-resident tuition fees by going to at www.norcocolege.edu.

The Student Financial Services (SFS) office does offer a Non-Resident Tuition Deferment to assist students in securing enrollment while waiting for student grants and/or student loans to credit their Admissions and Records account balance. Non-Resident Tuition Deferment Forms must be submitted each semester and/or 30 days within disbursement of a Direct Loan.

To request this deferment, please stop by Student Financial Services office. After your request is received, SFS will update your student record and a financial hold will be placed on your account until your Admissions & Records balance has been paid in full.

All federal financial assistance received will be applied to non-resident fees. If applicable, the Federal Stafford Direct Loan will be applied if grant awards are not enough to cover the entire balance. If there is a remaining balance owed after the disbursement is posted to your account, you are responsible for paying off the balance before the end of semester.
Failure to repay fees owed may lead to a hold being placed on all of your records at Norco College and you will be unable to register for future classes or request official transcripts.

It is important to keep your address and contact phone number up to date with the Admissions and Records office at all times.

Please note: You may be responsible to repay any federal assistance disbursement if you withdraw from your classes or do not complete your course(s) successfully.

**Satisfactory Academic Progress Standard (SAP)**

Riverside Community College District  
Norco College/Moreno Valley College/ Riverside City College  
Satisfactory Academic Progress Standard (SAP)  
2011-12

The United States Department of Education requires that students applying for financial assistance must be enrolled in a program for the purpose of completing an AA/AS Degree, transfer requirements, or certificate program. All students must have their academic progress reviewed to determine if Satisfactory Academic Progress (SAP) has been achieved. The government requires that students who apply for financial assistance meet two standards:

**Qualitative Standard**
All students at Riverside Community College District (RCCD) must have a Cumulative Grade Point Average (GPA) of 2.0.

**Quantitative Standard**
All students must complete a minimum percentage of units attempted in order to make progress toward their goal. There are two parts to this standard:

1) **Pace of progression:** Students must complete at least 67% of the cumulative units attempted. If you are unable finish your program within the maximum time frame, as explained below, you may lose eligibility for Title IV aid.

2) **Maximum Time Frame:** Students must also complete their educational objective (graduation, transfer or certificate) by the time they have attempted 90 units. This includes ALL units attempted at RCCD. A student can only receive financial assistance for a maximum of 150% of the published length of the program. 60 units is the standard for completion of many of the programs at RCCD.
Thus, 90 units is the maximum for which a student can receive financial assistance (60 units x 150% = 90 units). The 90 unit maximum includes one change of academic program.

**Evaluation**

All students will be evaluated at the end of each semester to determine if they are meeting the standards listed above, beginning with the Fall 2011 semester.

*If you have attempted less than 12 units at RCCD, then you will be required to maintain a 1.5 Cumulative GPA and must complete 50% of the courses you attempt to maintain SAP. Once you have attempted 12 or more units, you will be held to the standard as explained above.

**Grade Standards**

All semester units at RCCD include:

- Attempted units include: A, B, C, D, F, CR, P, NC, NP, FW, W, I, IB, IC, ID, IF
- Completed units are units with a grade of: A, B, C, D, CR, P
- Transfer credits from other institutions will be included as attempted and completed units in the SAP calculation.

Courses in which a student receives a grade of F, NC, NP, FW, W, I, IB, IC, ID and/or IF will not be counted as completed units for satisfactory academic progress purposes, but will be counted as attempted units.

Only practicum/labs that are required, recommended or academically beneficial should be taken at the same time as the corresponding course.

Adding and/or dropping units after the first grant disbursement will require a review and possible adjustment of any future disbursements. Student Financial Services follows all Title V regulations in relation to financial assistance regulations for repeated courses and IP grades.

**SAP Warning:** Students failing to meet SAP will be placed on a 1 semester “warning” which will allow a student to receive financial assistance even though they are not meeting the SAP standard. This “warning” is only for students who have not previously received a warning/probationary period at RCCD. If after the “warning” semester, the student is still not meeting the SAP standard, they will become ineligible.

**SAP Ineligible:** A student can become ineligible for 2 reasons:

1) Student failed to meet SAP standards after their “warning” semester and/or
2) Student exceeds the 150% maximum time frame (90 units) under the quantitative standard
SAP APPEAL
Students on an SAP Ineligible status can appeal this status once during their lifetime at RCCD. In order to appeal, the student must have extenuating circumstances that occurred during the period that the student did not meet SAP. To appeal, the student must document the circumstance for not meeting SAP and must provide official documentation. Examples of extenuating circumstances may include:

- Death of an immediate family member
- Documented illness
- Major accident or injury of yourself or an immediate family member
- Change in major (1 time only)
- Completed Remedial (ESL or Basic Skills) courses which affected the maximum time frame requirement

Students must turn in their extenuating circumstances appeal to their home college only. Each student who is approved for a “probation” period must have an academic plan developed which will outline the courses the student may receive financial assistance for.

Students must turn in their extenuating circumstances appeal to their home college only. Each student who is approved for a “probation” period must have an academic plan developed which will outline the courses the student may receive financial assistance for. Please be aware that if you are appealing your ineligible status in November or December for fall 2011 or in May or June for spring 2012, there will be limited time to finish the process which must be completed by the end of the semester. To avoid delays or missing deadlines, please complete your FAFSA, financial aid paperwork, and the appeal process as early as possible.

SAP Probation: Students will be placed on “probation” only if your appeal of your ineligible status was approved. Students on “probation” must meet the SAP standard each semester in order to maintain their status.

If you fail to meet SAP while in a “probation” status, you will become ineligible to receive financial assistance until you bring your SAP up to the minimum cumulative standards.

Please meet with your Student Financial Services Counselor at your home college. You may utilize tutorial services and time management in order to maintain your financial assistance eligibility. Please see our consumer guide for additional information regarding Satisfactory Academic Progress at www.norcocollege.edu.
What Happens if I Drop Some or All of My Classes After Receiving My Financial Assistance?

You totally withdrew from all of your classes or received a 0.0 GPA for the semester

Any student who withdraws from all of their classes, are dropped by all of their instructors, or receives a 0.00 GPA for the semester may be subject to repayment of federal financial assistance funds including the Federal Pell Grant, FSEOG grant, and Direct Loans.

If you received Federal grant and/or loan funds and withdrew from school before completing 60% of the semester successfully, the amount of grant or loan funds you earned must be determined.

- If the amount of funds disbursed to you is greater than the amount of funds you actually earned, those unearned funds must be returned.
- If the amount of funds disbursed to you is less than the amount of funds you actually earned, you may be eligible to receive a post-withdrawal disbursement of those earned funds not yet received.

The Student Financial Services (SFS) office is required to calculate how much aid you earned during the semester, based on the final date you withdrew and will notify you of any repayment due to the school or any post withdrawal disbursement due to you. Please note that if you totally withdraw after 60% of the semester has passed, you will not owe any repayment of federal funds.

Your withdrawal date is determined in one of the following ways:

- The date you dropped your last class in the Admissions and Records office or on Web Advisor
- The midpoint of the semester if you did not officially withdraw and received a 0.00 GPA (combination of all FW, W, and/or NP grades)
- The date posted by the instructor indicating your last date of attendance in class

Example of withdrawal calculation

If you received $1179 Pell grant and could have received an additional $1178 more if you had finished the semester, equaling a total award of $2357 for the semester. There are 117 days in the semester and you withdrew on the 17th day. You earned 14.5% of your grant (17 ÷ 117 = 14.5%).
The Student Financial Services office will calculate what you earned and did not earn:

$1179 grant money received + $1178 you could have received = $2357 X 14.5% = $341.77 earned.
$1179 grant money received - $347.77 earned aid = $837.23 unearned aid.

- School Portion of the calculation
  An additional portion of the grant must be repaid by the college based on your total institutional charges at the time you withdrew

  For Example, you took 12 units for the semester at $20 per unit. Your total institutional charges=$240
  $240 X 85.5% (unearned) = $205.20 the college has to pay back to the federal program and you will have to repay to the college

- Student Portion of the calculation
  You will have to pay back the unearned amount minus 50% of the total aid that was disbursed and aid that could have been disbursed

  $837.23 unearned aid - $205.20 that the college returns = $632.03 which is the initial amount of unearned aid due from you.
  $2357 total aid disbursed/could have been disbursed X 50% = $1178.50.
  $632.03 - $1178.50 = $0 you have to pay back to the federal grant program.

  - Total amount the student has to repay = $205.20 to Norco College for the college portion that had to be returned

If you are required to repay funds back to the school, you will have 30-45 days from the date you are notified to repay the amount owed in full. On the day after the deadline, if the amount due has not been paid in full, you will be reported in an overpayment status to the Department of Education and you will not be able to receive financial assistance at any school until the overpayment has been resolved.

If Norco College is required to return funds based on your Return to Title IV calculation, you will be billed the college’s portion to be paid directly to Norco College. Should you fail to repay these funds by the required deadlines, there will be a hold placed on your Norco College records, you will not be able to enroll in future classes and you will not be able to receive official transcripts from Norco College.

**Note that Federal Work Student earnings (FWS) are excluded from the calculation. Direct Loan recipients must contact the Direct Loan program for additional repayment arrangements.
**Overawards and Overpayments**

An overaward/overpayment can occur when a student’s disbursement amount needs to be adjusted due to a change in the student’s eligibility. This can be caused by a change in enrollment status (dropping classes), a change in your award package or a change on your FAFSA application. This may result in adjustments to a student’s financial assistance award causing their financial assistance package to exceed their financial need. The financial need is determined by the student’s Free Application for Federal Student Aid (FAFSA).

An overaward can also occur for the following reasons:

- A change in the student’s financial assistance package due to an extension to work-study employment
- A change in the student’s financial assistance package due to the awarding of a scholarship(s) or grant(s) from an outside organization
- Withdrawal from too many classes after receiving a disbursement
- Failing to attend classes for at least one day

The student’s financial assistance award cannot exceed their financial need or the school may take steps to resolve the overaward such as make adjustments to your financial assistance award package and future disbursements or request repayment of disbursed awards.

Failure to repay the overaward/overpayment may lead to a hold on all of the student’s records at Norco College and the student will be unable to register for future classes, request official transcripts, and their eligibility for future financial assistance from any educational institution will be affected until they resolve this matter.

**Income Re-Evaluations**

When you completed your FAFSA application for the 2011-2012 academic year, you were required to report 2010 income information. Special circumstances may include:

- Unemployment or change in employment
- Death of student’s spouse or parent
- High cost medical bills not covered by insurance
- One time lump sum payment in 2010
To apply for a 2011-2012 Income Re-Evaluation at Norco College you must:

- Submit your 2011-2012 FAFSA Application
- Complete your 2011-2012 Norco College financial assistance file and have received a final revised award notification

- Be meeting the Norco College Satisfactory Academic Progress (SAP) Standard (see the SAP section of this guide for additional information)

You may request and submit the Income Re-Evaluation form the Student Financial Services (SFS) office along with required documentation.

The Student Financial Services office will review your request and the decision will be sent to you in two to three weeks. If additional information is needed, your application will be placed in a pending status and a pending notice will be sent to you.

If your Income Re-Evaluation is approved and you are determined eligible for grant assistance, your disbursement will be scheduled based on the file completion deadline you met when you turned in your completed Income Re-Evaluation request. Please view our disbursement schedule in this guide for a list of file completion deadlines and disbursement dates.

Other qualifications for scholarships vary, such as your selected major or academic program, career goal, club or volunteer and community involvement, etc. To receive a scholarship, you must complete the scholarship application and go through the eligibility and selection process. Scholarships are usually awarded to the student(s) who best fit the criteria as established by the donor or organization providing the scholarship funds. The scholarship programs available at Norco College are as follows:

**RCCD Foundation Scholarships:**

request recommendations and other tips for applying. Scholarship recipients are chosen by the Norco College Scholarship Committee and/or scholarship Donors.

Scholarships are generally disbursed half in the fall semester and half in the spring semester. Recipients must adhere to the requirements of the scholarship criteria (such as GPA and unit completion) to maintain scholarship eligibility. If you do not meet the scholarship GPA and unit requirements in the fall semester you may not be eligible to receive the fall and/or spring semester disbursement of your scholarship. If this is the case, you will be contacted by mail and may have the chance to appeal the decision. If, for any reason, the awarded recipient does not meet the requirements or the appeal is denied, an alternate recipient will be chosen. All scholarship awards are contingent upon available funding.

- Must have at least a cumulative GPA of 3.0.

Outside Scholarships:

There are many other opportunities for students to find scholarships outside of Norco College. However, searching for scholarships requires time and effort on the part of the student, but is well worth the effort. The Norco College Student Financial Services office receives scholarship notices periodically from outside, off-campus sources such as civic organizations, clubs, associations, business, etc. Scholarship notices are posted in the Student Financial Services office and at www.norcocollege.edu. It is up to you, the student, to follow the directions for application and follow-up for these scholarships.

Scholarships are also available from other sources such as your college or local library, your employer or your parent’s or employers, community organizations, etc. You may also search for scholarships on the internet; however, beware of sites requesting fees for their services. The following is a list of free websites you can use in your search for scholarships:
Search engines such as Google are the best tools available to you for finding scholarships. However, there are a lot of secrets in terms of getting the best results out of the search engines.

For example, if you just searched for “scholarships” on Google, you’ll get about 31,700,000 results! Thirty-one million Web pages would obviously take too long to read and sort through, so you’ll need to develop a strategy for being more specific about the scholarships you’re looking for.

Refining your searches in Google can be done in a few steps. Pick a characteristic about yourself that you’d want to find a scholarship about. What do you want to study? What are your passions? What are your hobbies? By narrowing down what you are searching for, you’ll find pages of scholarships that you can apply for.

There are good words, bad words, and then there are magic words. What are magic words? Magic words are words you use in your Web searches that are used less conversationally, and so when you search for scholarships with those terms, you’ll probably get better results.

For example, one of the most powerful words in scholarship search is the word “foundation”. Scholarships are most often administered by foundations, but rarely do people ever bring up the sponsoring foundation conversationally in a Web page, so when you search for scholarships with the word “foundation” in your search, you’ll be more likely to find the awarding foundation.

Magic words become very important when you have relatively broad topics you’re searching for. What are some of the most magic words you can use in your scholarship search?

- Scholarship/scholarships – yes, they are different, singular and plural – you should assume from here on that any term which appears in singular should also be tried plural, and vice versa.
- Grant
- Financial aid
- Endowment
- Foundation
- Fellowship
- Honorarium
- Trust
- Application
- Deadline
- Pdf
If you are awarded a scholarship from a source outside of Norco College, the procedures to use your scholarship at Norco College are as follows:

1. The organization or donor providing the scholarship will contact you if they have chosen you as the recipient of their scholarship.
2. Follow the donor’s directions for the procedure to have your scholarship funds sent to Norco College. If proof of enrollment is required, you may submit your class schedule printed from Web Advisor, or, if they are requesting “official” proof of enrollment, contact the Norco College Admissions and Records office at (951) 372-7002.
3. For students who receive the Governor’s Scholarship Program: you may access your scholarship funds by completing the Qualified Withdrawal Form and submitting it to the Governor’s Scholarship Program. The Qualified Withdrawal Form is available at [www.cagovernorsscholars.org](http://www.cagovernorsscholars.org). For help in filling out the form, call 1-866-477-9665.
4. Once Norco College receives your scholarship funds, you will be sent an email from the Norco College Student Financial Services offices acknowledging receipt of the funds along with a Scholarship Action Form.
5. Fill out the Scholarship Action Form and return it to the Student Financial Services office.
6. The Scholarship Action Form will let us know how you will use your scholarship at Norco College. For example: pay for tuition and fees; set up a bookstore account at the college bookstore; reimburse for tuition and fees already paid for; or reimburse for books already purchased (with receipt). Some scholarships may also allow reimbursement for room and board expenses.

At the end of the academic year, you will be sent a letter regarding any remaining balance of scholarship funds. It is your responsibility to use your scholarship at Norco College. All unused scholarship funds will be returned to the donor.

**Scholarship Scams**

There is no shortage of con artists and scams when it comes to paying for college and spotting them can save you money and heartbreak.

Any scholarship, grant, foundation, or organization that’s legitimate won’t ask for a penny out of your pocket.

Any one of these signs should be a red flag that you may be dealing with a scholarship scam:

- Asking for money. Reputable scholarships are free to apply for and free to receive. Scams typically charge for the application, or use deceptive language such as “reserve your scholarship with your credit card number”. Reputable scholarships never need to charge money

- Asking for lots of non-relevant personal information. Scams using identity theft ask lots of personal information typically not relevant to a scholarship application such as bank account numbers, Social Security numbers, and other financially-related information.
• Claims of exclusivity. A fair number of scams make the claim that their information cannot be found anywhere else, and therefore you should pay for their services. In the age of Google, information exclusivity is a thing of the past. Do not pay.

• Claims of guarantees. The truth of scholarship hunting is that there are no guarantees. No one can guarantee that you will be awarded a scholarship and any company advertising a paid service making such a claim is likely a scam.

• Receiving letters of potential awards you never applied for. Scholarships are in such demand that no awarding agency needs to make unsolicited awards to recipients. This includes email notifications of any kind about scholarships that you never applied for.

• “Free” seminars with an up sell. The latest trick that some companies and individuals are using is the free financial aid seminar offer. These seminars typically promise great financial aid information, but end with a hard sales pitch to attend a future paid seminar, buy books, DVDs, or other materials (usually at high prices). There are plenty of free financial aid seminars offered by high schools and colleges that are worth attending instead. Check with your guidance office or financial aid office for details on those seminars.

If something feels, sounds, or seems “fishy”, it probably is. The most important thing you can do when it comes to scholarship scams is to trust your instincts. With the Internet and other freely available resources, there is no shortage of legitimate scholarships to apply for.

Remember the golden rule of scholarships: Money flows to the student, never the other way around, beware of any scholarship claim to the contrary.

**Transfer Tips**

Financial assistance does not automatically transfer from one institution to another. You must re-apply each year to continue receiving federal and state financial assistance. You may receive financial assistance funds from only one institution per semester.
You may, however, receive the BOGW from more than one community college at a time.

**If you are transferring to Norco College**, you must add **Norco College** to your SAR by one of three methods:

1. Using your Department of Education PIN, go to www.fafsa.gov. Under “Start Here”, enter in your information and choose “Add or Delete a School” and follow the directions to add **Norco College** using our **Title IV School code 041761**. Or,
2. Add Norco College to page 8 of your SAR, sign it and mail pages 5-8 to the address listed at the bottom of page 8 under “If you made changes. Or,”
3. Call the Federal Student Aid Information Center at 1-800-433-3243 and request to have Norco College added to your SAR. Have the following information ready:
   - Name and Date of Birth
   - DRN Number (Located on page 1 of SAR)
   - Social Security Number
   - Norco College’s Title IV School Code: 041761

Within a few weeks you will receive a new SAR from the Federal Student Aid Information Center by mail or e-mail and Norco College will receive your information electronically. You will then receive a communication via e-mail from Norco College (to your Norco College student email address) letting you know what will be needed to complete your file with Norco College.

**If you have not set up your Norco College email account, you will want to do so at www.norcocollege.edu** click on the link entitled: “What’s my Norco College email address” to insure you receive all communication regarding your financial assistance file.

**If you are transferring from Norco College**, add the school to which you are transferring, using the directions above and the new school’s Title IV school code. You can search for school codes at the www.fafsa.gov. Click on “Searching for School Codes”.

**To transfer your Cal Grant Award**, you must process a change of schools request. You can request this by going online to www.webgrants4students.org and following the links to process the request. You can also request a change of information form at any Student Financial Services counter. This process needs to be completed to either transfer your current Cal Grant award from Norco College to your transferring school or vice versa.

**Drug Convictions**

Students convicted of a federal or state offense of selling or possessing illegal drugs that occurred while they were receiving federal student assistance should still complete and submit the FAFSA because they may be eligible for federal and/or state financial assistance. Federal aid eligibility for students convicted of breaking a federal or state law regarding possession or sale of drugs (excluding alcohol or tobacco) may be suspended during a period of enrollment for which the student was receiving Federal Student Aid such as grants, loans and/or work study. Students who complete their FAFSA and answer “Yes” to
question 23 will immediately receive a series of questions to determine their eligibility. If you have been convicted in the past, this does not automatically mean that you may be ineligible for federal student assistance. You should still complete and submit your FAFSA, answer the drug question and complete the drug conviction worksheet. Eligibility will be determined at the time of application. If you are convicted of possession or distribution of drugs after you submit your FAFSA you must notify our office immediately. An affected student can regain eligibility early by successfully completing an approved drug rehabilitation program.

If you have questions about the law or about your eligibility for federal student assistance, call the Federal Student Aid Information Center at 1-800-4-FED-AID (1-800-433-3243). Your information is confidential and you will remain anonymous. More information is also available at www.fafsa.gov.

**Release of Financial Assistance Information (FERPA)**

The Family Educational Rights and Privacy Act (FERPA) (20 U.S.C. § 1232g; 34 CFR Part 99) is a Federal law that protects the privacy of student education records. FERPA requires that information, written or verbal, regarding student education and financial assistance records cannot be released to any person or agency, other than the student, without prior written consent.

To release information to anyone other than the student, i.e. parent, grandparent or friend, the Norco College Student Financial Services Consent to Release Information form (CRI) must be completed by the student each academic year. The CRI form is available on our website at www.norcocollege.edu and is to be filled out at the student’s home college. The CRI form may be cancelled in person at the Student Financial Services office.

For student confidentiality, a picture I.D will be required when a student is requesting information from his/her financial assistance file. All documents contained in the student’s file are the property of the Norco College Student Financial Services office and will not be returned. Please request and retain copies of all your paperwork before submitting it to our office. To protect students’ privacy, no detailed student information will be given out over the phone or via the internet.

For more detailed information regarding FERPA, please review the Norco College Schedule of Classes, the Norco College Student Handbook, or www.ed.gov/policy/gen/guid/fpco/ferpa/index.html.
California Domestic Partner Rights Act

What is the California Domestic Partners Rights and Responsibilities Act?

The California Domestic Partner Rights and Responsibilities Act (AB 205), which went into effect in January 2005, extends the same rights, protections, responsibilities, obligations and benefits to registered domestic partners as those extended to married couples. If you inform the college Student Financial Services (SFS) office that you are in a registered domestic partnership or that your parents are in a Registered Domestic Partnership, the SFS office should re-evaluate the student’s BOG Fee Waiver eligibility. Eligibility for aid may increase or decrease. For the purposes of federal student financial aid programs, California’s recognition of registered domestic partnerships does not apply.

If you are in a Registered Domestic Partnership (RDP), you will be treated as an Independent married student to determine eligibility for state funded student financial assistance (BOGW and Cal Grant) and will need to provide income and household information for your domestic partner.

If you are a dependent student and your parent is in a Registered Domestic Partnership, you will be treated the same as a student with married parents and income and household information will be required for the parent’s domestic partner.

These provisions apply to state funded student financial aid ONLY, and not to federal student financial assistance.

AB 540

Students who are exempt from paying nonresident tuition under Education Code Section 68130.5 (AB 540) are not considered California residents. If you are not a California resident, you are not eligible to have your fees waived using the BOGW. However, you may be exempt from paying the out of state tuition fee under the AB 540 State law. Since January 1, 2002, California’s AB 540 allows undocumented immigrant students in pursuit of a higher education who meet specific requirements to be exempt from paying out-of-state tuition fees.

Any student, who meets all of the following requirements, shall be exempt from paying nonresident tuition at Norco College:

1. High school attendance in California for three or more full academic years (between 9 thought 12, inclusive and do not need to be consecutive years);

2. Must have or will graduate from a California High School or have attained a G.E.D.; or received a passing mark on the California High School Proficiency Exam (CHSPE).
3) Must register or is currently enrolled at an accredited institution of public higher education in California.

4) In the case of a person without lawful immigration status, the student must file or will file an affidavit as required by the college (available in the Admissions office) stating that the student has filed an application to legalize his or her immigration status, or will file an application as soon as he or she is eligible to do so (student information obtained in the implementation of this section is confidential).

5) Must not hold a valid non-immigrant visa (F, J, H,L,A,E etc.)

Students eligible for the AB 540 program must fill out the California Nonresident Tuition Exemption Form, this application is available in the Admissions and Records office.

Frequently Asked Questions

1. I am an undocumented/documented student who attended high school in Oregon (or a state other than California) for two years and completed my junior and senior years of high school in California. Do I qualify to pay in-state tuition under this law?

NO. In order to be exempt from paying out-of-state tuition, undocumented/documented students must meet ALL of the following requirements to qualify for a waiver under AB 540:

• Attend high school in California for 3 or more years; AND

• Graduate from a California high school with a diploma, or obtain the equivalent thereof (such as a GED or the California High School Proficiency Exam); AND

• File an affidavit with Norco College stating

  1) The student meets all of the above requirements; and

  2) If the students are undocumented, they are in the process of adjusting their Immigration status or will adjust their immigration status as soon as they are eligible to do so.

2. I am an AB 540 student, how do I fill out my college admissions application?

We recommend eligible AB 540 students consult with an admissions officer regarding their application inquiries. If student is undocumented, generally there are TWO sections of your application that should be left BLANK:

  1) Social Security Number box should be left BLANK (unless the applicant has a valid social security number issued by the Social Security administration that may be used for purposes other than work); and

  2) Immigration Status box should be left BLANK.
All information contained in the application should be truthful, particularly with regard to immigration status and social security information, because providing false information could potentially jeopardize an individual’s future efforts to adjust his or her immigration status. In general, the application requires social security number and immigration status information in order for the school to determine whether the student will be classified as a California resident or not.

3. AB 540 requires that I submit an affidavit to the Admissions and Records office, what type of information do I have to include in the affidavit?

All students seeking an exemption from non-resident tuition fees must file an affidavit with the student’s college stating that the student meets the law’s requirements and, if the student is not a U.S. Citizen or legal permanent resident, that the student is either in the process of adjusting his or her immigration status or will do so as soon as he or she is eligible to do so. These affidavits often ask the student to provide information such as the name of the California high school the student attended, the dates of attendance, and the student’s name, address, student ID number and signature.

Will the college share the information I provide in the affidavit with U.S. Citizenship and Immigration Services (USCIS) or Immigration and Customs Enforcement (ICE)?

No. Under California law, the information you provide in the affidavit must remain confidential.

4. If I am eligible for the AB 540 tuition exemption, will I be considered a California resident?

NO. A student who qualifies for AB 540 is classified as a “nonresident student with AB 540 exemption”

5. Does it matter how long ago a student graduated from a California high school to be eligible for the AB 540 tuition exemption?

NO. The date of high school graduation does not affect a student’s eligibility for the AB 540 tuition exemption. So long as the student attended a California high school for at least 3 years prior to graduation, the student will be eligible to apply for the AB 540 exemption.

6. Do I qualify under AB 540 if I attended an adult school in California for three years and have a GED?

Attending an adult school is not equivalent to attending a high school and does not generally satisfy the requirement under AB 540 that a student attend a California high school for 3 or more years. However, if the adult school was an “evening high school,” there are some higher education institutions that may accept adult school as the equivalent of attending a high school. If you attended an adult school and would like to know about your AB 540 eligibility, please consult with the AB 540 specialist at the Admissions and Records office.
7. Can a Certificate of Completion meet the high school diploma equivalent for AB 540?

A Certificate of Completion is generally NOT the equivalent of graduating from high school. Because a Certificate of Completion is given to students who completed the entire required high school curriculum, but did not pass all of their high school exit exams, it is not the equivalent of a high school diploma. A Certificate of Completion is insufficient to gain admission without also obtaining a GED. However, once a student receives his or her GED, the student may be eligible to attend the institution and to apply for the AB 540 exemption. However, some Certificates of Completion are accepted in lieu of a high school diploma to meet the AB 540 requirement. Please consult with the AB 540 Specialist at the Admissions and Records Office.

8. If I am undocumented, do I qualify for any type of state or federal financial aid?

NO. Undocumented AB 540 students do not qualify for any type of state (e.g. BOG Fee Waiver, EOPS and Cal Grant) or federal (e.g. FAFSA, Pell, and SEOG) financial aid. Students may meet the financial requirements to receive these awards, but state and federal prohibit undocumented immigrant students from receiving any type of government-subsidized educational benefits. However, undocumented immigrant students may qualify for PRIVATE scholarships that do not require verification of legal immigration status. Students should visit www.norcocollege.edu to find these types of awards.

9. I am a student with a valid student visa. Am I eligible for the AB 540 tuition exemption?

NO. AB 540 is only available to United States citizens, legal permanent residents, and undocumented immigrant students who meet the eligibility requirements outlined under AB 540. AB 540 does not permit individuals with any type of nonimmigrant visas (which include student visas) to receive the AB 540 nonresident tuition exemption. Because individuals with student visas are classified as “nonimmigrant aliens” under United States immigration law, they cannot receive the AB 540 exemption. However, non-immigrants whose visas have expired – including those with expired student visas – are no longer classified as non-immigrants under United States immigration law since their immigration status expired. If your nonimmigrant visa has expired and you are currently undocumented, you are eligible to apply for the AB 540 tuition exemption.

Even though students with nonimmigrant visas cannot qualify for the AB 540 exemption, some non-immigrants (not including those with student visas) may be able to establish California residency for tuition purposes.

Students with valid nonimmigrant visas should consult with Admissions and Records to find out if they meet the California resident criteria.

10. Does AB 540 change my immigration status?

NO. AB 540 only determines what tuition rate a student pays. It DOES NOT change your immigration status, and it DOES NOT create a path to legalize your immigration status.

11. Do I need to be in the legalization process to qualify for AB 540?
NO. Both students that are already in the process of adjusting their status and those that are not yet in the process of adjusting their status qualify to apply for the tuition exemption under AB 540. The affidavit that students must sign in order to receive the AB 540 exemption contains a provision requiring the student to swear or affirm that they will start the process to adjust their status as soon as they are eligible to do so.

**Cost of Attendance**

The cost of attendance (or budget) is the estimated total amount it may cost to attend college. It will vary depending on your living situation (whether you live with your parents or off campus) and residency status (California resident or non-resident). Residency status is determined by Admissions and Records. Student Financial Services is designed to assist qualified students in obtaining grants, scholarships, and federal work-study funds for educational expenses. Be prepared by applying for financial assistance early, submitting all required documentation, staying enrolled in classes and meeting our Satisfactory Academic Progress Standard.

**Frequently Asked Questions**

**Q. Where can I get help completing my FAFSA?**

A. Help and access to computers is available in the Student Financial Services Lobby.

The Student Financial Services office also schedules FAFSA on the Web (FOTW) workshops each semester to assist you in filling out your FAFSA online. Look for announcement flyers or visit our website at www.norcocollege.edu for future workshops and dates.

There is help available on the FAFSA website as you enter the information. The “Hint” box on the right side of the application explains why the information is needed and gives hints as to how to answer the question. As you enter and move to the next page, the “Hint” box stops you if the information is incomplete and prompts you on the questions that are incorrect or overlooked.

FAFSA on the Phone is a non-Web, paperless alternative to completing the FAFSA. With the assistance of customer services representatives, students are given the flexibility to complete the FAFSA by relaying their information over the phone at 1-800-433-3243.

**Q. Do I need to apply for financial assistance each semester and when do I re-apply for the Board of Governor's Fee Waiver (BOGW) and Cal Grant?**

A. No, not every semester. The FAFSA must be filled out for each academic year and the award will be for fall, spring and summer semesters. Applications are available at www.fafsa.gov on January 1st for the following academic year.

By filling out the FAFSA, you will automatically be considered for the BOGW for the academic year beginning with summer and ending with spring (summer, fall, winter, spring).
To qualify for the Cal Grant, you must complete and submit the FAFSA by March 2nd of each year. Once you have been awarded the Cal Grant, you must reapply each year by submitting the FAFSA by March 2nd to maintain your eligibility status.

Completing the FAFSA early each year assists in determining eligibility for all types of financial assistance (PELL, FSEOG, BOGW, Cal Grant, etc).

Q. I submitted my FAFSA and received my SAR (Student Aid Report). Do I need to do anything else?

A. Yes! Completing the FAFSA is only the first step in applying for financial assistance. The next step is to complete your financial assistance file by turning in the required documents to the Norco College Student Financial Services office. A current admissions application for Norco College is also required.

If you listed Norco College as one of your schools, the SFS office will automatically receive your FAFSA information from the Department of Education. Certain forms or documents must be submitted to the SFS offices to complete your file and to assist in determining eligibility.

You will be notified through your Norco College student e-mail as to what forms or documents are required to complete the financial assistance process. To access your email address, please go to www.norcocollge.edu. Required forms/documents will also be posted on Web Advisor.

Q. Why do I have to use my parent’s information on the FAFSA if I don’t live with them and they don’t give me any money for school?

A. For financial assistance purposes, the U.S. Department of Education classifies all applicants into two categories: Dependent and Independent students. Dependency status is determined by the questions in Step Three of the FAFSA. Dependent students must include their parent’s income information on the FAFSA.

If you answer “NO” to every question in Step Three of the FAFSA, you are a DEPENDENT STUDENT.

If you answer “YES” to any one of the questions in Step Three of the FAFSA, you are an INDEPENDENT STUDENT.

Whether or not you live with your parents, they claim you on their tax return or they give you money are NOT factors in determining dependency status. Please refer to the Dependent/Independent information in this guide for additional information. Please see our section on “Dependent or Independent” in this guide for additional information.

Q. My parents make a lot of money. Is it a waste of time to apply for financial assistance?

A. No, it is not a waste of time! The only way to find out if you are eligible for financial assistance is to submit the FAFSA application. If you do not qualify for the Federal Pell Grant, you may still be eligible for other types of aid, such as the Board of Governor’s Fee Waiver (BOGW) or the Cal Grant. If you do not fill out the FAFSA application, you will be disqualifying yourself from getting financial assistance. Remember, FAFSA is the Free Application for Federal Student Aid. There is no fee charged to apply for financial assistance.

Q. Why does it sometimes take so long to process a financial assistance application and what can I do to avoid delays in the processing of my financial assistance application?

A. To avoid any delays in the processing of the financial assistance application, FAFSA, be sure to accurately enter the information and review and recheck the application before submitting. Applications with conflicting or inaccurate information may require a correction, which may mean a delay in the overall process.
Remember, completing the FAFSA is just the first step in the application process. You must turn in the required forms and/or documents to complete your financial assistance file so that the awarding process may continue. The SFS office will not be able to process an application with missing documents or conflicting information.

The later you apply, the later your application will be processed, so avoid delays and apply early. Be sure to keep all documents you used when completing the FAFSA, such as tax returns and W-2s. Copies of these documents may be required to complete your financial assistance file with our office. The SFS office at Norco College is committed to processing applications and files as quickly and accurately as possible.

Q. Why is the grant money I received less than the amount listed on my award letter?

A. The amounts listed on your award letter are the awards for a full-time student (12 units). Your actual disbursements may be less depending on the number of units you are actually enrolled in at the time of disbursement. Keep in mind that grants are disbursed in payments throughout the semester. Therefore, the amount you receive may not reflect the entire semester award. Also, late starting classes have a different disbursement schedule. Finally, if you have an approved financial assistance appeal, you will only be paid for classes on your approved class list.

Q. Do I have to be enrolled full-time to receive financial assistance?

A. No, but there are certain unit requirements for different awards. You may be enrolled in any number of units to receive the BOGW. Students eligible for Cal Grant must be enrolled in at least 6 units to receive disbursement. With the Pell Grant, the amount of money disbursed depends on the number of units a student is enrolled in each semester. In some cases, a student may have to be enrolled at least half time (6 units) to receive the Pell Grant. That is determined by the information submitted on the FAFSA and the calculation of the EFC (Expected Family Contribution) by the Department of Education.

Q. What happens to my financial assistance if I drop classes? Do I have to pay back the money?

A. That depends on when you drop the classes. If you drop classes after the disbursement of aid, your future payments will be adjusted to reflect your new enrollment status (number of units). Once this is updated, you will be notified if you must pay back any overpayment of financial assistance.

If you withdraw from all of your classes, you will be notified if you must repay any overpayment of financial aid. Try to avoid a complete withdrawal by seeking advice from our financial assistance academic counselors and/or your instructors before withdrawing.

In addition to possible repayment, you may face Satisfactory Academic Progress (SAP) problems because dropping classes will affect your G.P.A, class completion ratio and future disbursements.

Q. Why does the Student Financial Services office limit the kind of information it gives over the phone?
A. Student Financial Services does not release certain information over the phone in order to protect the student’s right to privacy as stated in the Family Educational Rights and Privacy Act (FERPA). If you need specific information about your financial assistance file and/or disbursement, please come into the Student Financial Services office with a picture ID and our trained staff can answer your questions.

Commonly Used Financial Aid Terms

Ability-to-Benefit One of the criteria used to establish student eligibility in order for students to receive Title IV program assistance is that a student must have earned 1) a high school diploma or, 2) its equivalent. Students who are not high school graduates (or who have not earned a General Education Development (GED) Certificate) can demonstrate that they have the "ability to benefit" from the education or training being offered by passing an approved ability-to-benefit (ATB) test or complete six semester approved units.

Academic Year A period of time that schools use to measure a quantity of study. For example, a school’s academic year may consist of a fall and spring semester during which a full-time undergraduate student must complete 24 semester hours. Academic years vary from school to school and even between educational programs at the same school.

Accreditation The school must meet minimum academic standards, as defined by an accrediting body recognized by the U.S. Department of Education to be eligible to participate in the administration of federal student aid programs.

Accrue The process where interest accumulates on a student loan.

Award Letter The award letter can be found on Web Advisor under the financial assistance section. The award letter explains the type(s) and amount(s) of financial assistance that the student may be eligible for based on the various determining
factors.

**Borrower**
Individual who signed and agreed to the terms in the loan promissory note and is responsible for repaying a loan.

**Capitalized**
With certain loans, such as the subsidized loans, the U.S. Department of Education pays the interest that accrues on a loan while the student is enrolled at least half-time and during periods of deferment. However, with subsidized loans in forbearance and unsubsidized loans, the students are responsible for paying interest as it accrues on these loans. When the interest is not paid, it is capitalized or added to the principal balance, which increases the outstanding principal amount due on this loan. Interest that is capitalized and, therefore, added to the original amount of the loan subsequently accrues interest, adding an additional expense to the loan.

**Consolidation**
The process of combining one or more loans into a single new loan.

**Cost of Attendance (COA)**
The total annual cost of attending college for any given academic year. The COA includes tuition and fees; room and board; allowances for books, supplies, transportation, loan fees, and, if applicable, dependent care. It also includes miscellaneous and personal expenses.

**Default**
If a student does not repay their loan according to the terms and agreements of the signed promissory note, they may enter into a default status. A student’s credit status, future financial assistance, purchasing cars, a house, and IRS refund may be affected if a loan is in a default status.

**Dependent student**
A student who does not meet one of the criteria for an independent student. Be at least 24 years old, married, a graduate or professional student, a veteran, a member of the armed forces, an orphan, a ward of the court, or someone with legal dependents other than a spouse.

**Disbursement**
Scheduled dates in which students will be disbursed their financial aid (may include Pell Grant, SEOG, Cal Grant, Loans).

*For a list of the 2011-2012 disbursement scheduled dates, please see the disbursement schedule section of this consumer guide.*

**Direct Loans**
William D. Ford Federal Direct Loan (Direct Loan) Program. Eligible students borrow directly from the U.S. Department of Education at participating schools. Direct Loans include subsidized and unsubsidized Direct Stafford Loans (also known as Direct Subsidized Loans and Direct Unsubsidized Loans). You repay these loans directly to the U.S. Department of Education.

**Educational Goal**
A program of organized instruction or study that leads to an academic, professional, vocational degree or certificate and other recognized educational credential. To receive financial assistance, you must be enrolled in an eligible program. For questions, please see the SFS office for more information.
Your Expected Family Contribution (EFC) is the number that is used to determine your possible eligibility for financial assistance. This number results from the financial information you provided on your FAFSA application. Your EFC number is located on your Student Aid Report (SAR).

After borrowers graduate, leave school, or drop below half-time enrollment, loans that were borrowed have 6 months before payments are due. This period is called the "grace period." During the grace period, no interest accrues on subsidized loans. Interest accrues on unsubsidized loans during grace periods, and this interest is capitalized when borrowers' loans enter repayment.

At least six semester hours/units of active enrollment per semester at Norco College.

A loan expense charged by the lender and paid by the borrower for the use of borrowed money.

NSLDS receives data from schools, guaranty agencies and U.S. Department of Education programs. By using your FAFSA PIN, you can obtain information about your federal loan and Pell Grant amounts, outstanding balances, the status of your loans and disbursements made. You can access NSLDS at www.nslds.ed.gov.

The amount of money borrowed by the student. Interest is charged on this amount.

A promissory note is a binding legal document you sign when you get a student loan. It lists the conditions under which you are borrowing and the terms under which you agree to pay back the loan. It will include information on how interest is calculated and what deferment and cancellation provisions are available to the borrower. It’s very important to read and save this document because you’ll need to refer to it later when you begin repaying your loan or at other times when you need information about provisions of the loan, such as deferments or forbearances.

To be eligible to receive federal student financial assistance, you must meet and maintain your school’s standards of satisfactory academic progress (SAP) toward a degree or certificate offered by that institution. Please refer to our SAP section on this guide for additional information.

In order to be eligible for federal student aid you must register with the Selective Service if:
Registration

- You are a male born on or after Jan. 1, 1960, and
- You are at least 18 years old, and
- You are not currently on active duty in the U.S. Armed Forces.

Student Aid Report

Your Student Aid Report (SAR) summarizes the information you submit on your Free Application for Federal Student Aid (FAFSA) and provides you with your Expected Family Contribution (EFC).

Subsidized

A loan for which a student borrower is not responsible for the interest until they have stopped attending school and have completed their grace period.

Unsubsidized

A loan for which the student borrower is fully responsible for paying the interest while they are in school, regardless of the loan status. Interest on unsubsidized loans accrues from the date of disbursement and continues throughout the life of the loan.

**Grant Disbursement Information**

If you drop a class after receiving your first grant disbursement for the semester, your second payment will be less!

If a student starts the semester with 12 units, is paid full-time on the first disbursement and then drop to 6 units, he or she would not receive ANY second payment, since he or she would have already been paid the equivalent of half-time for the entire semester.

*If you have to drop a class after receiving grant funds to attend that class, be sure to contact the Financial Aid Office to see how that reduction in units will affect your next payment. In order to reduce the chance of incurring a grant overpayment, you must officially drop all classes you are not actively participating in.*
GRANT OVER AWARDS

There are occasions when students receive money based upon misreported information on their FAFSA (for example: income, prior loan defaults or grant overpayment, BA Degree received or high school graduate/GED status) to name a few. Per Federal regulations, the Financial Aid Office is REQUIRED to establish a repayment policy and maintain due diligence in collecting overpayments of grants.

**GRANT OVER AWARDS:** Students, who receive grant funds due to misinformation as noted above, are required to repay THE ENTIRE SUM RECEIVED unless the situation causing the overpayment can be remedied to the satisfaction of the Financial Aid Office. If you don’t repay or take action to remedy the situation, the information will be reported to the Department of Education which could affect your eligibility for future grants at any institution.

**“NO SHOW” classes:** If you receive a grant disbursement and never attend a class or classes, you will owe back a portion of the financial aid you received. Once the Financial Aid Office becomes aware that you did not attend the class or classes (usually at the end of the semester), you will be notified how much of the grant you must repay.

**Winter Pell Grants**

Pell Grants are available for students who are enrolled in the winter session. Norco College adds successfully completed winter units (grades of A, B, C, D or P) to your Spring units for Pell payment purposes. Students will receive payment for completed winter courses with the 2nd grant disbursement of the spring semester. **NOTE:** If you are enrolled full time during the spring semester adding winter units will NOT increase your Pell grant payment.

**Sallie Mae Debit Card**

Effective Summer 2011 all Financial Aid disbursements will be deposited onto a debit card. The debit card is referred to the “Sallie Mae Debit Card” and all your disbursements for Financial Aid will be disbursed electronically onto the Sallie Mae Debit Card.

Remaining in all of your classes is critical to avoid Return of Title IV repayment. If you are receiving financial assistance at another institution or you have dropped all of your classes, you MUST return the funds to the College. If you receive a 0.00 GPA for a semester which your received Title IV funds, you may be required to repay a portion of those funds. Your award is contingent upon the availability of
funds from the appropriate agencies and the laws and regulations which govern these programs, and is thus subject to change.

You will only be paid for classes you are actively attending. The Board of Governors Fee Waiver (BOGW) and EOPS Book assistance are financial resources available to help you meet your educational expenses and may appear on your award letter.
