

Entrepreneurship: Getting Started

10 unit certificate

This certificate is intended to help students who are interested in pursuing entrepreneurship to develop new ideas and recognize and take advantage of opportunities as a foundation for creating a new business.

Required Courses

BUS-12 Opportunity Analysis for Entrepreneurs (2 units)*

This course examines the entrepreneur's role in the global economy as an exploiter of opportunities. Topics include the creative search for ideas, the innovation process, and the opportunity analysis to screen for the best ideas.

BUS-13 Developing a Successful Business Plan/Models (2 units)*

This course provides a systematic process for developing a business plan or model. It establishes a clear road map for clarifying a vision for a business and the strategic, tactical, and operational plans and/or model to move ideas into action. Students further along in the planning and research process will work through the major components of writing a business plan and/or model and emerge with a completed draft of a business plan/model.

BUS-14 Social Media and Electronic Marketing for Entrepreneurs (3 units)*

This course introduces social media and online marketing tools for small businesses. Topics include social networking, online marketing channels, and creating an online presence for small businesses.

BUS-30 Entrepreneurship and Small Business Management (3 units)*

Identify and evaluate opportunities for start-up and existing small businesses. Investigate concepts, tools and practices associated with identifying or creating new venture opportunities. Explore ways to shape and evaluate the viability of these opportunities by understanding key industry factors, market and competitive factors, and customer needs.
