

Architectural Graphics

9 unit certificate

The Architectural Graphics certificate prepares students with technical communication skills, and the knowledge and craft of two dimensional drafting solutions for architecturally related industry applications.

Required Courses

ENE-21 Drafting (3 units)*

Fundamentals of mechanical drawing including lettering, instruments and their uses, geometric construction, types of projection, freehand drawing, sectioning, dimensioning, auxiliary views, and pictorial drawing. Recommended for beginners and students with up to one year of drafting in high school.

ENE-30 Computer-Aided Drafting (3 units)*

Advisory: CIS-1A

A two-dimensional Computer-Aided Drafting class for drafters. Students will use a CAD computer drafting system to develop computer drawn drawings which are typical to the various fields of drafting.

ARE-24 Architectural Drafting (3 units)*

Prerequisite: ENE 21 & 30

Introduction to methods and techniques used in the development of architectural construction documents for light frame structures (Type V construction) including construction theory, notation, materials symbols, drawing format and general practice. Using Computer-Aided Drafting (CAD), this course will focus on the drawing of a set of plans to include a plot plan, foundation plan, floor plan(s), sections, exterior and interior elevations, electrical plan and structural details. Sketching techniques will also be covered.

**this class transfers toward one or more CSUSB or CalPoly majors.*

Visit www.assist.org or the Counseling office for details.

Architectural Graphics

Tuition \$414 • Duration of Study: 8 months

A Certificate in Architectural Graphics will be awarded upon completion of the required courses (9 units). Please refer to the Norco College Catalog or visit the Counseling Center.
