

STEM ENGINEERING PATHWAYS PROGRAM APPLICATION

PROGRAM OUTLINE

Dear Applicant,

STEM Engineering Pathways prepares students pursuing majors and careers in Engineering. Students accepted into the STEM Engineering Pathways program will meet with the STEM Engineering Pathways Counselor twice a year. The STEM Counselor will provide academic, career and transfer guidance and develop an educational plan that encourages completion of an associates of science degree and transfer to a 4-year university in any field of engineering. Assistance with the transfer application process and transition from Norco College to the 4-year University will also be provided by the STEM Counselor.

In addition to the STEM Counselor, students in the STEM Engineering Pathways program will also receive support from the STEM Engineering Pathways Student Success Coach who will monitor student's academic progress and develop an Action Plan to help student's overcome any obstacles affecting their academic progress.

STEM Engineering Pathways participants are committed to their academic success and value the importance of education. Thank you for your interest and we look forward to helping you achieve your academic and career goals.

ELIGIBILITY & ACADEMIC EXPECTATIONS

All students who are interested in STEM Engineering Pathways must fulfill the following eligibility criteria:

1. Student has indicated Norco College as his/her home campus.
2. Minimum 2.50 GPA (high school or college).
3. Commit to complete Calculus (MAT 1A, 1B, 1C) and Physics (4A and 4B **or** 4C) sequences **prior** to transfer.
4. Commit to maintain full-time enrollment (12 units) for Fall/Spring terms (ask STEM Counselor about possible exceptions).
5. Commit to transfer to a four-year university in any Engineering major.
