

NAVSEA (NSWC-CORONA) Summer 2021 Internship

The Engineering Pathways Program has partnered with NAVSEA at the Naval Surface Warfare Center, Corona Division and is offering a Summer 2021 Internship opportunity at the NSWC-Corona Division. Selected students will be involved in projects and mentored by a NAVSEA engineer.

The internship period is from June 14, 2021 to August 6, 2021. This is an eight week virtual internship based on a 40 hour work week. Selected students will receive a \$4,000 stipend at the end of the internship period.

To qualify you must:

- *Be a participant in the Engineering Pathways Program at Norco College*
- *Be a U.S. Citizen or Permanent Resident*
- *Have a 3.0 GPA*
- *Complete 15+ units by the end of the Spring 2021 semester*
- *Complete Math 1A and a Science Course before the end of the Spring 2021 semester*

All applicants must send their (1) current resume, (2) Unofficial Transcript - as of Fall 2020 with current GPA to Patricia Gill via email. All documents must be in a pdf format.

DEADLINE TO APPLY IS: JANUARY 27, 2020 AT 5:00 PM (PACIFIC TIME)
