

Frequently Asked Questions

Credit for Advanced Placement Scores

How do I receive credit for AP (Advanced Placement) test scores?

- Mail or bring an official copy of your scores from The College Board to the counseling office.

CSU/IGETC Certification

How do I request CSU/IGETC Certification?

- Complete the transcript request form on WebAdvisor or at Admissions and Records and be sure to select IGETC or CSU certification.

Transcripts

Do I need to send Norco College my other college transcripts?

- Students planning to graduate from Norco College, or needing to use courses from another college/university as a prerequisite, must submit all official transcripts. Transcripts must be official, sealed, and no more than 90 days old.

Do I need to send Norco College my high school transcripts?

- High school transcripts are needed for various occupational programs and may be needed for prerequisite validations for certain classes, and verification of language requirement for UC.

How do I receive credit for coursework taken in another country?

- Your international college transcript must be evaluated by an approved private organization. The evaluation is then reviewed by academic evaluators.

How do I request an evaluation of coursework from another institution?

- Send an official transcript to the Admissions office. After you have enrolled in coursework at Norco College, you may meet with a counselor who will request a transcript evaluation if necessary.
