2018-19 (Spring 2019)
Yes
06/17/2019
75% of students scored a 1 on this assessment. This assessment indicated that students are exceeding the benchmark for this SLO but not as well as was hoped. It is known that often times students may struggle with test questions in multiple choice or true/false format. In the future it may be helpful to consider other ways of assessing this SLO to encourage student growth. [more]
