The website header features the Norco College logo on the left and a navigation menu on the right with links: PROGRAMS, COST & ADMISSIONS, ABOUT, EMAIL, WEBADVISOR, APPLY, MORE, and a button 'HOW CAN WE HELP YOU?'. Below the header is a banner image of yellow flowers. The main content area is divided into two columns. The left column, titled 'About Us', contains a list of links: About Us, Academic Affairs, Branding Identity, Business Services, College Police, History, Office of the President, Our Mission, Quick Facts, Standards of Student Conduct, Strategic Development, and Student Services. The right column, titled 'Mission & Core Commitments', contains three sections: 'Mission Statement' (Norco College serves our students, our community, and its workforce by providing educational opportunities, celebrating diversity, and promoting collaboration. We encourage an inclusive, innovative approach to learning and the creative application of emerging technologies. We provide foundational skills and pathways to transfer, career and technical education, certificates and degrees.), 'Vision Statement' (Norco - creating opportunities to transform our students and community for the dynamic challenges of tomorrow.), and 'Core Commitments' (Norco College is dedicated to following a set of enduring Core Commitments that guide it through changing times and give rise to our Vision, Mission, and Strategic Goals.). The 'Core Commitments' section lists five items: Mutual Respect (Belief in the personal dignity and full potential of every individual and in fostering positive human values in the classroom and in all interactions), Collegiality (Being a supportive community that is distinctive in its civility, where the views of each individual are respected, humor and enjoyment of work are encouraged, and success is celebrated), Inclusiveness (Embracing diversity in all its forms — global as well as local — and creating a supportive climate that encourages a variety of perspectives and opinions), Integrity (Maintaining an open, honest, and ethical environment), and Innovation (Valuing creative solutions and continuing to seek inventive ways to improve instruction and service to students and to the community). A fifth item, Quality (Achieving excellence in the broad range of academic programs and services provided to), is partially visible. At the bottom right, there is a 'Leave a message' button with a speech bubble icon.
