General Observations and Notes	Planned Actions
<p><b>Reporting Year:</b> 2014 - 2017</p> <p><b>Are all your courses up-to-date?:</b> Yes</p> <p><b>General Observations and Notes:</b> All of our courses except two are up to date. We are making modifications to SLOs and adding objectives.</p> <p><b>Entered By:</b> Melissa Bader</p> <p><b>Date of Observations &amp; Analysis:</b> 04/13/2018</p> <p><b>If all your courses are not up-to-date, where are they in the process?:</b> ENG 11 and ENG 16 are in process.</p> <p><b>Is your discipline equally participating in curriculum development across the district?:</b> Yes</p> <p><b>If no, please explain.:</b> However, to be honest, Riverside has always taken the burden of curriculum modifications as originators. We do participate and collaborate.</p> <p><b>Related Documents:</b></p> <p><a href="#">CURR.pdf</a></p>	<p><b>Planned Actions:</b> Some of the basic skills courses will need to be eliminated or modified. AB 705 and compliance with the new regulations, will create a leaner catalog. With pathways in mind, we need to make sure we are offering courses that are clearly articulated with CSU and UC campuses in the area. If the course is not articulated, we should consider removal.
