### Mission Statement

As the heart of the academic experience at Norco College, the Wilfred J. Airey Library provides informational leadership, instruction, access to technology, and learning resources supporting the mission of the college; the development of lifelong information competency skills; and the overall success of the learning community.

### Dean of Technology and Learning Resources

"Remember, the firemen are rarely necessary. The public itself stopped reading of its own accord."

**Damon Nance** is responsible for the quality, integrity, and successful administration of all aspects of the library's programs and services. He provides leadership, vision and direction for information and learning resources services and programs in support of the mission of Norco College.
