

# STEP 1: Apply for Admission

## Apply Online

Go to any of our college websites to apply online. Computers and staff are available during our regular business hours. The 19SUM/FAL admission application period closes after June 17, 2019 for the Summer term and August 30, 2019 for the Spring term at Norco College. Applications submitted after the 19WIN/SPR admission application period close date will no longer be accepted for this term.

Applications are processed within 48 hours (weekends and holidays excluded). Print the confirmation page and keep it for your records. Do not mail to RCCD.

The first step in the online admission application asks you to select a College and an Academic

Program of Study (Major). By selecting a NORCO COLLEGE, you are choosing your HOME COLLEGE. Please read the following carefully before selecting your home college.

## You May Apply for Admission to RCCD if You:

Have graduated from high school or, have passed the CA High School Proficiency Exam or have passed the GED examination; did not graduate from high school but are 18 years of age or older; are an eligible high school student who has been admitted to the District's Early College or Middle College High School Dual Enrollment Program, or Concurrent Enrollment High School Programs or; are an international student who has satisfied specific international student admissions requirements.

## Who Must Submit an Application?

New and returning students who have missed a fall or spring term must submit an application by the deadline. Continuing students do not need to reapply.

## When are Admission Applications Accepted?

The application period closes on the first day of the Summer term, and on the first Friday of the Fall term. For example, the deadline to submit an application:

**Summer 2019 - June 17, 2019 @ 11:59 PM**

**Fall 2019 - August 30 @ 11:59 PM**

## High School/Concurrent Enrollment

Effective fall 2014, minor students may be eligible for admission as a special student pursuant to Sections 48800, 48800.5, 48802, 76001, and 76002 of the California Education Code.

- Students falling under these criteria must be approved by their high school principal or designee for "advanced scholastic or vocational work," and must be identified as a special part-time/full-time student.
- Students may be admitted from K-10 if identified as "highly gifted."
- Students may be admitted as a special part-time/fulltime student if: The class is open to the general public, and the student is currently enrolled in grades 11-12. Exceptions may be made for some special programs and course work.

All approved special part-time/full-time students will have enrollment access on the first day of each term in order to ensure that they do not displace regularly admitted students. Approved high school students may take up to 8 units for fall/spring terms and 5 units for summer terms. Concurrent enrollment is not offered in the winter. High school students are not permitted to take physical education classes.

# Apply for Admission

## Home College

Your home college location is where you will receive most services including Assessment, Counseling, Student Financial Services, CalWORKS, EOPS/CARE, Veterans Resource Center, and Student Support Services.

Example: If the home college location that is listed on your application is Norco College, you may be directed to Norco College to obtain services regardless of your home address.

Your home college location is tied to the admission application. You may only submit one application for any college in the district, per term, by the application deadline. You are required to select an academic program of study specific to your home college. As of December 2012, "Undecided" is no longer an option.
