High School Concurrent Enrollment

Concurrent Application Periods

Submit the application confirmation page, official high school transcripts, and completed School/Parent Approval Form to Admission & Records by these dates for each term you wish to attend:

- Summer 2019: March 1st – June 10th
- Fall 2019: April 1st – August 10th
- Winter 2020: October 1st - December 13th
- Spring 2020: December 1st – February 3rd

About the Program

Minor high school students who are capable of benefiting from advanced scholastic or vocational work, are classified as highly gifted and/or talented, or are seeking educational opportunities not otherwise available to them, may be eligible for admission to Norco College as a special student, pursuant to Sections 48800, 48800.5, 48802, 76001, and 76002 of the California Education Code.

All high school students wishing to attend Norco College are required to submit the following documents by the published deadline:

1. Norco College Online Application Confirmation Page
2. Completed High School Concurrent Enrollment (HSCE) School/Parent Approval Form
3. Official High School Transcripts
4. Exception Request Form for students under 16 or are in the 9th or 10th grade

All approved high school concurrent enrollment students will have enrollment access on the first day of each term in order to ensure that they do not displace regularly admitted students.

Students enrolled in a Home Study Program must provide proof that the Home Study Program is registered with the State Of California.
