

December 3, 2018

Dear Colleagues,

The District, in collaboration with the Faculty Association, has agreed to match the State Chancellor's Office allocation of 8 new full-time faculty hires with an additional 8, for a total of 16 full-time faculty hires for the 2019-2020 academic year. The distribution is 4 for Moreno Valley College, 4 for Norco College, and 8 for Riverside City College.

Please move ahead within your strategic planning structures to identify the disciplines in which the hires will be made and implement the hiring process so that we may have as many hires as possible in place for fall 2019.

If you have any questions, please contact our offices.

Sincerely,

Wolde-Ab Isaac, Ph.D.  
Chancellor

Susan Mills, Ph.D.
