Subject: FW: Disabled student services campus walk before the Fall semester

Good morning Tenisha,
Last August myself and Javier worked with the DRC to address a few path of travel issues that arose for a disabled student.
After that meeting, there was a conversation with a suggestion that we set up a walk of the campus before the fall semester to foresee and hopefully mitigate potential issues for students needs before they become a pressing issue. With that in mind, I would like to schedule a date and time with anyone individuals you wish me to work with.

Thank you for your time, I look forward to working with you and your staff.
Justin
