Social & Behavioral Sciences	Anthropology	2014-2017 Program Review	Staffing	IDS	We have 3 ID's doing the work of 6 people. We need an additional IDS tpsupport the new reorganization	$ 102,258.00	Alexis.Gray@norcocollege.edu		Requested	Item	sites/IPA/Instruction/Lists/Instruction Resource Requests
Social & Behavioral Sciences	Anthropology	2014-2017 Program Review	Equipment	HP Z 3-D Camera	We will be bringing in artifacts that need cataloging as well as we need the ability to get limited models into the hands of all students in an Anthropology Lab. If we can capture the models as 3-D images, the students can work with their own copies on their devices. In addition, a 3-D model photograph can be converted to allow for 3-D printing of the model.	$ 700.00	Alexis.Gray@norcocollege.edu	["Goal 1: Increase Student Achievement and Success - Objective 1: Improve transfer preparedness (completes 60 transferable units with a 2.0 GPA or higher).","Goal 1: Increase Student Achievement and Success - Objective 5: Increase completion rate of degrees and certificates over 6 years."]["Does not primarily support the Objectives of Goal 2"]["Does not primarily support the Objectives of Goal 3"]["Does not primarily support the Objectives of Goal 4"]["Does not primarily support the Objectives of Goal 5"]["Does not primarily support the Objectives of Goal 6"]["Goal 7: Strengthen Our Commitment To Our Employees - Objective 1: Provide professional development activities for all employees."]	Requested	Item	sites/IPA/Instruction/Lists/Instruction Resource Requests
Social & Behavioral Sciences	Anthropology	2014-2017 Program Review	Equipment	Artifact Teaching Collections	Anthropology (especially the subfields of archaeology and physical anthropology) is a very hands-on discipline, and as many students have never encountered the objects that we discuss daily, it is crucial for them to be able to see examples of stone and bone tools, pottery sherds, metal artifacts, ecofacts, and other materials. This collection can be utilized by all faculty teaching ANT 1, ANT 3, ANT 4, ANT 5, ANT 6, ANT 10, and ANT 16. It will especially enhance the learning experience for those kinetic/tactile learners whose needs, at present, are not capable of being met. Specifically, these teaching collections will address EMP Goals 1.6 (Increase success and retention rates), 2.1 (Increase student engagement), and 5 (Strengthen Student Learning).	$ 2,200.00	courtney.buchanan@norcocollege.edu	["Goal 1: Increase Student Achievement and Success - Objective 6: Increase success and retention rates.","Goal 1: Increase Student Achievement and Success - Objective 10: Increase course completion, certificate and degree completion, and transfer rates of underrepresented students."]["Goal 2: Improve the Quality of Student Life - Objective 1: Increase student engagement (faculty and student interaction, active learning, student effort, support for learners)."]["Goal 3: Increase Student Access - Objective 1: Increase percentage of students who declare an educational goal."]["Does not primarily support the Objectives of Goal 4"]["Goal 5: Strengthen Student Learning - Objective 2: Increase the percentage of student learning and service area outcomes assessments that utilize authentic methods."]["Does not primarily support the Objectives of Goal 6"]["Does not primarily support the Objectives of Goal 7"]	Requested	Item	sites/IPA/Instruction/Lists/Instruction Resource Requests
Social & Behavioral Sciences	Anthropology	2014-2017 Program Review	Equipment	Auger kit	This resource was requested with the other field supplies from 2017 Program Review, but could not be funded through the lottery funds as it was over $200 and considered "equipment" (rather than "supplies"). Augers are essential for pre-excavation soil testing and evaluation. Augering is an expected skill of any archaeologist, and a field course dedicated to teaching job preparedness must include a section on augering.	$ 1,400.00	courtney.buchanan@norcocollege.edu	["Goal 1: Increase Student Achievement and Success - Objective 1: Improve transfer preparedness (completes 60 transferable units with a 2.0 GPA or higher).","Goal 1: Increase Student Achievement and Success - Objective 6: Increase success and retention rates."]["Goal 2: Improve the Quality of Student Life - Objective 1: Increase student engagement (faculty and student interaction, active learning, student effort, support for learners).","Goal 2: Improve the Quality of Student Life - Objective 2: Increase frequency of student participation in co-curricular activities."]["Does not primarily support the Objectives of Goal 3"]["Goal 4: Create Effective Community Partnerships - Objective 6: Increase community partnerships."]["Goal 5: Strengthen Student Learning - Objective 2: Increase the percentage of student learning and service area outcomes assessments that utilize authentic methods."]["Does not primarily support the Objectives of Goal 6"]["Does not primarily support the Objectives of Goal 7"]	Requested	Item	sites/IPA/Instruction/Lists/Instruction Resource Requests
Social & Behavioral Sciences	Anthropology	2014-2017 Program Review	Equipment - Technology	Field Camera	A field camera is necessary for documenting all parts of an archaeological survey or excavation. Site photography is a basic skill that all archaeological students are instructed in during their field course, and are expected to have mastered prior to transferring to a 4-year degree program.	$ 1,500.00	courtney.buchanan@norcocollege.edu	["Goal 1: Increase Student Achievement and Success - Objective 1: Improve transfer preparedness (completes 60 transferable units with a 2.0 GPA or higher).","Goal 1: Increase Student Achievement and Success - Objective 6: Increase success and retention rates."]["Goal 2: Improve the Quality of Student Life - Objective 1: Increase student engagement (faculty and student interaction, active learning, student effort, support for learners).","Goal 2: Improve the Quality of Student Life - Objective 2: Increase frequency of student participation in co-curricular activities."]["Does not primarily support the Objectives of Goal 3"]["Goal 4: Create Effective Community Partnerships - Objective 6: Increase community partnerships."]["Goal 5: Strengthen Student Learning - Objective 2: Increase the percentage of student learning and service area outcomes assessments that utilize authentic methods."]["Does not primarily support the Objectives of Goal 6"]["Does not primarily support the Objectives of Goal 7"]	Requested	Item	sites/IPA/Instruction/Lists/Instruction Resource Requests
Social & Behavioral Sciences	Anthropology	2014-2017 Program Review	Equipment - Technology	Garmin GPS	Field work requires the recording of accurate location data. Archaeology students will be taught to calculate UTM coordinates from both a GPS device and a topographic USGS map. In order to teach them how to calculate from a GPS device, we need a GPS device.	$ 600.00	courtney.buchanan@norcocollege.edu	["Goal 1: Increase Student Achievement and Success - Objective 1: Improve transfer preparedness (completes 60 transferable units with a 2.0 GPA or higher).","Goal 1: Increase Student Achievement and Success - Objective 6: Increase success and retention rates."]["Goal 2: Improve the Quality of Student Life - Objective 1: Increase student engagement (faculty and student interaction, active learning, student effort, support for learners).","Goal 2: Improve the Quality of Student Life - Objective 2: Increase frequency of student participation in co-curricular activities."]["Does not primarily support the Objectives of Goal 3"]["Goal 4: Create Effective Community Partnerships - Objective 6: Increase community partnerships."]["Goal 5: Strengthen Student Learning - Objective 2: Increase the percentage of student learning and service area outcomes assessments that utilize authentic methods."]["Does not primarily support the Objectives of Goal 6"]["Does not primarily support the Objectives of Goal 7"]	Requested	Item	sites/IPA/Instruction/Lists/Instruction Resource Requests
Social & Behavioral Sciences	Anthropology	2014-2017 Program Review	Equipment	Primate Skull Casts	Almost half of ANT 1 is dedicated to studying primates, including primate anatomy and origins. Right now, we are having to teach about the variety of ancestral and derived characteristics we see in primate skulls through only one example, a gorilla skull. The students struggle with understanding the subtle differences between species when we have to rely on oral description and pictures on the screen alone. Especially for those kinetic and tactile learners, having a range of primate skulls to compare and measure themselves should greatly enhance their mastery and retention of these skills.	$ 2,000.00	courtney.buchanan@norcocollege.edu	["Goal 1: Increase Student Achievement and Success - Objective 1: Improve transfer preparedness (completes 60 transferable units with a 2.0 GPA or higher).","Goal 1: Increase Student Achievement and Success - Objective 2: Improve transfer rate by 10% over 5 years.","Goal 1: Increase Student Achievement and Success - Objective 5: Increase completion rate of degrees and certificates over 6 years."]["Goal 2: Improve the Quality of Student Life - Objective 1: Increase student engagement (faculty and student interaction, active learning, student effort, support for learners)."]["Does not primarily support the Objectives of Goal 3"]["Does not primarily support the Objectives of Goal 4"]["Goal 5: Strengthen Student Learning - Objective 2: Increase the percentage of student learning and service area outcomes assessments that utilize authentic methods.","Goal 5: Strengthen Student Learning - Objective 3: Increase the percentage of programs that conduct program level outcomes assessment that closes the loop."]["Does not primarily support the Objectives of Goal 6"]["Does not primarily support the Objectives of Goal 7"]	Requested	Item	sites/IPA/Instruction/Lists/Instruction Resource Requests
