Textbooks on Reserve in the Library

Find out what class materials are available in our library by looking at our catalog!

Go to our [Library Catalog](#) and select the Course Material Tab.

Enter your three letter course name and number (like MAT 1 or HIS 10) and click 'submit'.

We'll list the textbooks we have available at the Circulation(Front) desk. These books are available for a two hour period, and must stay within the library.

Pro Tip: It helps to know the course name and number, so that our student workers can find the book you want.
