## Learning Resource Center

Welcome to the Learning Resource Center (LRC) website. We invite you to take a look at the following list and links to see what our Norco College LRC has to offer.

The LRC is home to the [Tutorial Services](#) and [Supplemental Instruction](#) programs, [Math and Science Success Center](#), [Writing Support Center](#), [Assessment Center](#), [open use study tables and computers](#).

The LRC is available to all Norco College students. The Math Success Center and Writing Support Center are walk-in resources for students to visit at their convenience. No appointment is necessary. An appointment is necessary for a one hour tutorial session to get the most help from a tutor. Most tutorial sessions are one-on-one. Occasionally, you may have to share an appointment with another student.

To make an appointment with a tutor, click [HERE](#).
