[Login to CurricUNET](#)

- Click on the "Approvals" section at the top of the page.
- All approvals requiring your action will be displayed. Click on the title of the proposal you wish to take action on.
- To review the proposal, click "View Proposal" in the upper left section of the page.
- From the "Approvals" page, select your action from the dropdown menu.
- Enter any applicable notes in the "Comments" section. Keep in mind that your comments will be visible to other system users.
- Select "Commit" to save your comments in the system. The proposal will be moved to the next appropriate level and your actions will be recorded in the history section at the bottom of the page.
