Institutional Strategic Planning Council

ISPC is the main coordinating body for all strategic planning at Norco College. The ISPC's purpose is to ensure that all phases of planning and resource allocation at the college emanate from program review, have improvement of student learning as the highest priority, and are driven by the college mission and the educational master plan.

Business & Facilities Planning Council

The Business & Facilities Planning Council (BFPC) is a standing committee comprised of faculty, staff, students, and administrators. As part of the college strategic planning process, the BFPC prioritizes requests for budget allocations and augmentations, staffing, equipment, and facilities for instructional and administrative needs as requested through the program review process. The BFPC recommendations go to the Institutional Strategic Planning Council (ISPC) for approval before being forwarded to the President of the college.

Student Services Planning Council

The Student Services Planning Council (SSPC) is a representative group of administrators, faculty, staff and students, guided by the college mission and strategic plan. SSPC provides recommendations to the Institutional Strategic Planning Council (ISPC) regarding staffing, resource allocation, program development, and student engagement and success.
