Dear Mustangs,

We are excited to announce that the Racial Justice Taskforce (RJTF) at Norco College is launching a series of community events that will highlight our mosaic of students. We want to get to know who our students are beyond the traditionally shared raw data, and invite them to tell us who they are in their own voices. We believe that this is both a respectful and celebrative approach so that we can better support our students' wellbeing and success.

The first event in the series, scheduled for **Wednesday, December 1<sup>st</sup> (1-2:30 pm)** will highlight our Black/African American students to whom our RJTF is committed. We invite all faculty, classified professionals and managers to hear from our students and engage in a meaningful conversation.

The RJTF Mosaic Community Series will replace the meetings originally scheduled the first Fridays of November and December.

We hope that you join us virtually on Wednesday, December 1 at 1:00 pm (<https://cccconfer.zoom.us/j/94488326097>).

Best,
