Mover: District Academic Standards Committee/Woods 1st Reading: 5/21/97

Passed/Failed:

Whereas, the RCCD catalogue states that students are eligible for the Dean's List, if, "each semester, those students...have demonstrated outstanding scholastic achievement by completing at least 12 units of credit-graded work with a grade point average of 3.0 or better;" and

Whereas, this requirement then restricts eligibility to be on the Dean's List to full time students only; and

Whereas, 75% of students at RCCD are part-time students, enrolled in less than 12 units per semester and, therefore, according to current policy, are not able to meet the eligibility of completing at least 12 units of credit-graded work in a semester; be it, therefore,

Resolved that the criterion for the Dean's List be changed from "twelve units of credit-graded work in one semester", to "twelve units of credit-graded work in one semester or twelve units of credit-graded work earned in no more than one academic year (Fall, Winter and Spring, with Summer being excluded) with a grade point average of 3.0 or better (completed units will be considered only once for a particular Dean's List)."
