Sen.10.07.01 Approval of \$2,245 from ASNC contingency line item 5219 for the cost to take two students to the 2019 student veterans of American Conference.

Motion Author: Jose Castaneda

(Action Item)

The Associated students of Norco College will discuss approval of \$2,245 dollars for two students. Money will cover conference ticket, meals at conference, hotel room and plan ticket.

Motioned by Aimee, Seconded by MK

Jose: Student Veterans of America is the organization who came up with the GI bill. They also were responsible for fighting for the STEM program. The conference is a chance for veterans to meet other veterans as well as other organizations. The cost covers the plane ticket as well as the hotel. The trip will be a school trip. Conference is from January 3-5.

Raiann: Why not use the \$10,000 you have left?

Jose: We aren't allowed to, since it is used for school events.

Raiann: You are saying you will use the full \$10,000?

Jose: Yes, all the events are for the public and the students.

Raiann: Amend the line, Item change to 92119.

Shawn seconded this.

Raiann: How much do you have in your trust account?

Jose: Yes, we have about \$2,000.

Edwin: Contingency account is basically the expenses that we did not forecast. We have about \$15,000 in contingencies.

Raiann: We currently have about \$12,000. We should be getting about \$1,500 back from choir since they did not use it all.

Edwin: Their trip was cancelled for the choir club so we would need to vote for it back.

...

President: Amending it to Sen. 10.07.01 Approval of \$2,245 from ASNC contingency line item 92210 for the cost to take two students to the 2019 Student Veterans of American Conference.

Motion Author: Jose Castaneda

The new line item.

Edwin: Who is going on this trip? How are you picking it out?

Jose: Based off the participation in this club, mostly President, Vice President, Natalie Martinez, Head Veteran, etc.

The Chair reserves the right to modify the order of business as it deems appropriate.

Edwin: The trip is open to everyone, not like CCCSAA where people are chosen. So you will be taking two more students with the four already mentioned?

Approved: Unanimously

Sen.10.07.02 Draft Mission Statements

Motion Author: Autumn Parra

(Discussion Item)

The Associated students of Norco College will discuss the sample draft mission statements will be presented for review and consideration.

Motioned by Aimee, Seconded by Raiann

Professor Bader: ACCJC tells us whether we are a college or not. The college mission is incredibly important to us. Take a look below and read. How can we capture? Bring in feedback into ISPC.

**read mission statement and discuss*

Professor Bader: Has the institution helped you change in any way?

Nate: Yes, I want to better myself every day by the people I meet here.

Sen.10.07.03 Up to \$1,600 from campus events to fund fireworks for the RCC Homecoming game

Motion Author: Edwin Romero

(Discussion Item)

The Associated students of Norco College will discuss contributing to RCC Homecoming fireworks show and halftime events on November 10, 2018.

The event is on November 10th and we would need to reach out to RCC to see how we would get involved.

President: I don't really think it is worth paying so much money for about 5 minutes of a show.

Raiann: I feel like we shouldn't do this because the money is for the students so we should invest in something that involves the students.

Rudy: It would be a good idea not to waste our money, but in some points we need to help out our brothers and sisters.

Shawn: Would this be at Norco?

President: No, it would be at RCC.

Aimee: If you guys want fireworks, we do have Winter Ball coming up so we can use fireworks in there.

Shawn: I don't think the fireworks would be neighbor-friendly.

Abraham: We can maybe contribute by doing volunteer work instead of giving money since I think that will go a longer way.

Edwin: Would you be willing to contribute and attendance is mandatory.

President: I asked Taylor who is president at RCC and it is President Sanchez. The President sent the Homecoming King and Queen Application and what participants have to do. I don't think we should have a king and queen unless Edwin wants to run. We should participate but not have fireworks.

The Chair reserves the right to modify the order of business as it deems appropriate.

IX. ASNC Advisor Report

Edwin: We have a new task force on campus. It is to look into the possibility to look into new sports team. In addition to that they are looking into renovating this room (CSS217).

The idea is to open up this room to have classes in here.

Only used about 30% of the time.

President: Shouldn't students have a say?

Edwin: It will go to ISPC

Raiann: It did come up and I did bring it up.

Edwin: There is going to be a cancer walk Oct. 20th and

Next week there is going to be an event in this room.

They have a warehouse in this area.
