Sen.5.2.01 Facilities Master Plan Presentation

Motion Author: DLR Architects

(Report)

The Associated students of Norco College will receive the Facilities Master Plan presentation and discussion.

Motion: Nathaniel

Second: MK

Lindsey: Please look at our website and have clubs and organizations look at it as well. We need help to get the word out and we want feedback so we can make those changes. We will be showing this plan to many people over the next month. There is a lot of program growth in STEM and Theater. We are planning to increase growth by 177% for the future.

We have formed diagrams to show our plan for expansion.

Shawn: Could they rent out these spaces on the weekend?

Andrew: Yes, it is a huge part of the plan so it could be a community source.

Raul: Is it being debated?

Lindsey: Our final plan will be out May 14th.

Andrew: As our master plan moves forward, that is what drives the facilities master plan.

Lindsey: The food and cafe expansion is also a huge part of it. We are planning to be sustainable and reuse water in smart ways and thinking about life cycle cost.

Sen.5.2.02 Fund up to \$1,600 for STEM club's End Game Social Event from Field Trips (92210).

Motion Author: Andrew Rivero

(Action Item)

The Associated students of Norco College will vote on funding \$1,600 to the STEM Club. STEM Club would like to host a social event to fund approximately 140 Norco College students to attend a movie together.

Motion: Nathaniel

Second: Aimee

Andrew: Hi, my name is Andrew Rivero and I am a representative of Stem Club and I am here to ask ASNC for \$1,600 for a private showing of Endgame. We have a online form going on for how many people, not student that want to attend and have told them that they

are required to bring \$7 but Norco students, it is free. We have 83 current members signed up and it will be May 18th at 5pm and people can show up between 4:20 PM to 4:50 PM and showtime is at 5.

Sarah: What theater?

Andrew: Dos lagos starlight cinema.

Shawn: Are you advertising?

Andrew: Yes we are going to be putting fliers.

We have to purchase 90 percent of their 108 people maximum which is for the smallest room capacity.

Rudy: Will they have snacks?

Andrew: No

Aimee: How much do we have in the line item?

Shawn: We have over 1,400 dollars but there is money left in Executive Contingency so we will have to amend this line item.

MK: What is the overall goal?

Andrew: We want more involvement in STEM club and people to just want to be more involved in school.

Francisco: It should just be for STEM.

Aimee: I think it is a good idea, because we have money and we should help make our STEM club stronger. It is not beneficial to them in a scientific way, but it will help more students know about the club.

Shawn: It should happen since they have many people and it is cheaper than a campus event. In that line item ,we have over 11,000 dollars.

Edwin: Will there be an advisor?

Andrew: Yes, there will be a advisor with me and her name is Patricia.

We will be putting wristbands on the students to make sure nobody sneaks in.

President: Do you have a way to ensure that they will actually show up instead of just saying they will?

Andrew: RSVP form was sent this morning.

Abe: I support this and think they are organized.

Sarah: Is there a specific deadline?

Andrew: May 11 is the last day to sign up.

Edwin: What about seats?

Andrew: Seats will be first come, first serve.

Shawn: I would like to amend this line item to read funding of up to \$1,600 for STEM Club's End Game Social Event from field trips to come out of 92199.

Approved Unanimously

Aimee was absent for this vote.

Approved Unanimously for Actual Line Item Vote.

Sen.5.2.03 History and Anthropology Club Field Trip Funding Request up to \$460

The Chair reserves the right to modify the order of business as it deems appropriate.

Motion Author: Cooper Lennon

(Action Item)

The Associated students of Norco College will vote on funding \$460 to the Norco College History and Anthropology Club. The Norco College History and Anthropology Club formally request for \$460 for a field trip to the Los Angeles Museum of Tolerance.

Motion: Aimee

Second: Nathaniel

Cooper: Hello all, I am here to request \$460 from ASNC for a field trip that we as History and Anthropology Club are planning to go to. We are planning to go to the Museum of Tolerance which fulfills both aspects. Also, we wanted to use two of the vans.

Edwin: ASNC has a line item for gas and we would be paying for the vans through ASNC.

President: If there are no objections, I would like to change this line item to be taken out of 92199 Executive Contingencies.

Approved by Consensus

Aimee: Each ticket is \$30 right?

Cooper: Yes.

Aimee: There are 11 of you going including your advisor, so total is \$330?

Cooper: Yes.

Nathaniel: I want to amend this to read History and Anthropology Club Field Trip Funding Request up to \$560 from Executive Contingency.

Second: Abraham

Voting Approved Unanimously for Amendment

IX. ASNC Advisor Report

Edwin: There will be a three hour workshop for an outside marketing firm from 9-12 AM and 1-4 AM on May 21. Business Marketing and Art majors should take advantage of it. Is anyone interested?

Damien: Yes

At Norco, the fee increase did not pass by 8 votes so we will have to see what we can do about that since one school did not approve, they cannot make it happen yet. Our VP is concerned about our students. So now, the question is if there is a separate vote on the bus pass?

President: People wanted to change their vote after we talked to them but they could not.

The Chair reserves the right to modify the order of business as it deems appropriate.

X. Executive/Committee Reports

Administration: Elections is on May 7th and 8th. The budget is \$300 per day. We are going to be using \$600 to promote elections. We will be having ice cream to promote and half of it will be non-dairy and the other half would be dairy.

Sarah: When do we stop campaigning?

President: 5 pm on Monday.

Finance: The budget is up to date.

Activities: We will be cancelling Mustang Time since it is so last minute. At Nomu, we will be having funnel cakes, slushies, and tacos as well as hot dogs from the Corral. If anyone knows anybody who can help, or any new vendors, then let me know.

Relations: Nomu T-shirt buttons and banners are coming in.

Organizations: There will be a game night for E-sports from 6-9 PM. On May 11th, criminal justice will be having a donation drive at parking lot B. The ICC banquet is from 6-9 PM tomorrow. Setup will be from 3-6 PM and I will be needing help for it, but it is not mandatory.

President: Please wear your polos next week or it is a neglect of duty, we will be having important guests. Tomorrow is the Equity meeting if you are in that group, or are interested. If you are running for a position this month, it is my last meeting with Dr. Reece so come and formally introduce yourself on the third Tuesday from 10AM-1PM.

Diversity, Equity and Inclusion- Abraham, Ana

Ana: Have more events to relate to all students

Creating surveys to see who students would like to see

Bring a speaker who can talk about mental illness

Collaborate with the library

Speak to professors on themes that should be talked about and relate to their classes

Doing more lecture than just college hour

Connecting events with programs on campus like Puente

Committee will meet to plan next years events

Deadline was pushed back a few weeks for the student equity plan to 9/30

Get information to see what students are being left behind and what can be done to help those students

Not enough classes or staff to accommodate so many students coming full time

Rushing students to finish within 2 years which can cause high rates of dropping students

Do more on welcome day like a conversation between staff, parents and incoming students about the difference about college and high school

What is needed for students to feel engaged at school in order to be successful

5 principles for creating equity (clarity, equity mindedness, equitable practice, enacting equity, pervasive institution).

The Chair reserves the right to modify the order of business as it deems appropriate.

Academic Senate- Angelica

During Academic Senate Dr. Reece came in and explained the Education Master Plan for senate approval. They also had nominations for the LGBTQ+ committee. E-sports club came in to explain why an E-sports team is beneficial to the students and would make a difference because staff had concerns about the misogyny in gaming. I had to leave half an hour before the meeting ended for the elections meeting. That's it for my report.

Guided Pathway Workgroup- Tajza

There was no meeting.

ISPC- Mentor

There was no meeting.

XI. For the Good of the Order/Announcements/Comments from the Public

This time is reserved for members of the public and ASNC officers to address the ASNC on issues not already appearing on the agenda. A limit of three (3) minutes per speaker shall be observed.

President: I move to approve the minutes for last week to next week's meeting.

Approved Unanimously

XIII. Adjournment: 3:59 PM
