Senate 11.13.01 Approval of up to $3,500 from Executive Contingencies (92199) to send the Women's Flag Football team to a tournament in Las Vegas, NV.
Motion Author: Dr. Ruben Aguilar
(Action Item)
The Associated Students of Norco College will consider approving funding for a flag football tournament, January 21-23, 2027.
Motion: Vice President Nahid Sarwary
Second: Senator Minaal Khan

Dr. Ruben Aguilar (Assistant Athletic Director and Head Coach of Women's Flag Football) requested $3,500 to send 19 student-athletes to a national tournament in Las Vegas, NV, from January 21-23, 2027. Dr. Aguilar stated that the team's membership has tripled each year since 2023, that it is the only women's flag football team in RCCD and plays in the Orange Empire Conference, and that the sport is the fastest growing in the nation and is expected to be featured in the 2028 Olympics. Dr. Aguilar stated that at the tournament, Norco College will compete in the club division, beneath the varsity division, as the only community college among more than 200 teams, giving players exposure to four-year institutions and a stage beyond their home county. Dr. Aguilar presented the following figures: registration of $500, already covered; hotel costs of $4,229.40, partially sponsored, with a remaining balance of $1,039.40; meals at $3,200 for three per day or $2,400 for two per day; and season food costs of $3,420 for 10 away games. Dr. Aguilar

stated that the team's goal is to raise $2,500 to $3,000 to offset the tournament and season costs.

Senator Matthew Dumlao asked about other fundraising efforts; Dr. Aguilar stated that athletes sought a sponsor for each day of a 30-day calendar, and that concessions at a December 5 showcase will raise further funds. Senator Jonathan Yang asked about the team's competitive record; Dr. Aguilar stated that the team finished 12-6 last season.

Senate 11.13.05 Approval of up to $1,000 from Executive Contingencies (92199) to purchase t-shirts for the MLK Day of Service event.
Motion Author: Dallas Carter
(Action Item)

The Associated Students of Norco College will consider approving funding to purchase t-shirts for participants in the MLK Day of Service, January 15, 2027

Motion: Senator Jonathan Yang
Second: Senator Meer Ali

Dallas Carter (TRiO SSS Student Success Coordinator) requested up to $1,000 to purchase t-shirts for participants in Norco College's MLK Day of Service. Ms. Carter stated that the event began because the College was not fully recognizing MLK Day, and that it serves as both a day of service and a day of recognition. She described a day that includes a morning session with a speaker from the local community, service at a site within a 20-minute radius, lunch with a second speaker from Alpha Phi Alpha, and a closing reflection. She stated that the event costs about $4,500 in total, including a light breakfast, lunch, and a $500 speaker honorarium, and that an accompanying equity program builds on the service day and provides gift cards. She noted that about 56 staff members participated last year during winter break, and that the t-shirts feature a new addition each year, with this year's design including a quote on the back.

Gilbert DeLeon (Student Success Coach, Student Services) stated that past participants, drawn from many clubs, found the service rewarding, citing conversations with senior citizens, a hike with trail cleanup, and gardening at a farm, and that more help is needed for what is a strong opportunity to give back to the community on MLK Day.

President Ameera Chaudhry asked about the logistics of purchasing the t-shirts; Ms. Carter stated that 80 shirts would be bought, as attendance ranges from 60 to 75 depending on the year.
