Motion Author: Cameron Young

(Action Item)

The Associated Students of Norco College will discuss and vote upon the Events and Catering Procedures.

Motion: Danny | Second: Zayed

Cameron: Wants to add ASNC on to the letter. Got one more club to add on to the letter due to the ruthless policies from the food administration. Added feedback from students regarding cultural events. ASRCC's procedures is different as they don't have to go through their food services but MVC does. Wants our support to bring it to Academic senate and Resource council. Prism has signed on to the letter.

Danny: Is ASRCC signed on this?

Legislative Meeting of the Associated Students of Norco College

Cameron: No, wants to keep the conversation at the local level and then see what's gonna happen moving forward.

Haroun: All senators please talk about their experiences who have been in clubs going through the same policies.

Cameron: Just to clarify, want's to remove ASNC from the policies of the food services.

Tristan: Agrees with Haroun. Also if people don't wanna put their names they should put their clubs names.

Cameron: For this letter just looking for clubs and organizations not specific students.

Cheryl: Would going to ICC help?

Cameron: Clubs are not following through with the proposal.

Yusuf: Did you ask the staff that you were in previous talks with?

Cameron: Faculty members have been flaking on him.

Parisa: Do you need the club advisors approval

Cameron: You do not.

Rozi: Can organizations also be put on?

Cameron: They could be put on as it affects all students directly.

Haroun: Clubs might be scared.

Cameron: He remembers last week when a student at ASNC was brave enough to speak up about their experiences. Hopes to find same courage in clubs.

Danny: We have multiple leaders of clubs here they should stand up for the cause and not be scared.

Lien: AAPI will be willing to sign on.

Mohammad: MSA is willing to sign on.

Parisa: World of Women is willing to sign on.

Haroun: ASNC should sign on as we are held in different regards than others and overlook all the other clubs.

Senate 05.09.03 Approval of the 2025-2026 ASNC Operating Budget

Motion Author: ASNC Finance Team

(Action Item)

The Associated Students of Norco College will discuss and vote to approve the 2025-2026 operating budget.

Motion: Mohammad | Second: Danny

Haroun: Started the proposal for the budget last week. Following 2 weeks will be spent on approving the budget.

Ruben Aguilar : Flag football coach trying to bring flag football to the college. Explained the increment in interest for women's flag football. They were the first ones to launch flag football for women in the district. Irvine Valley College requested collaboration to start a full league around the sport. They have 14 girls now on the Norco team each from very diverse backgrounds. Having their first scrimmage on March 7th, they lacked the proper equipment.

Then they had their first tournament where they only had 1 substitute due to the girls availability. They also had a media day for all the girls. They now have 4 committed athletes.

They want to work together with their administration, they want to purchase jerseys and lights for the field, as well as coaching stipends. They ask ASNC for \$5,525 which involve stuff like medallions, banquet, flags, wilson's footballs, meals. Now they request to bump the total up to \$9,000.

Haroun motions to take \$4,000 from executive contingency to meet the total.

Motion: Dilraj | Second: Yusuf

Legislative Meeting of the Associated Students of Norco College

The Chair reserves the right to modify the order of business as it deems appropriate. ASNC | 4

Ruben: Needs the extra 3500 for meals and equipment.

Haroun: Cut \$20,000 from executive contingency and already gave it to clubs so they don't have to come to ASNC over and over again.

Mohamamd: Likes the idea but rather the money be taken from a different source.

Danny: Recommends to take the money from ICC Collaborations instead.

Haroun: That wouldn't be great because people were already scared of taking money from ICC due to the recent policies.

Danny: Suggests that take the money from Choir, Executive contingencies and ICC.

Dilraj: sybau

Cole: Asks Ruben about the fiesta bowl they didn't go to.

Ruben: Fiesta got cancelled due to low attendance but will happen next year and is a big event for women's football.

Danny motions to amend to take \$1000 from Choir, ICC Collaborations, Exec contingencies, and Harvest Festival account.

Second: Haroun

Haroun: Agrees that all 4 of those accounts make sense.

Parisa: Agrees to take it out of Choir as they already have taken money before.

Danny: Yes, Choir does tomfoolery with the money and then does interesting requests at the end.

Haroun motions to take \$1000 from Choir, ICC Collaborations, Exec contingencies, and Harvest Festival account.

Approved by consensus.

The motion for the original line item is also approved by consensus.

Haroun motions to reallocate ASNC leadership money training to Printing services.

Second: Danny

Haroun: Approved \$4,000 for printing services. Also took \$1000 from Exec contingencies.

Approved by consensus.

Senate 05.09.04 Bill 02-2025, Proposal of Changing ASNC running requirements for Presidency

Legislative Meeting of the Associated Students of Norco College

The Chair reserves the right to modify the order of business as it deems appropriate. ASNC | 5

Motion Author: Haroun Ahmad

(Action Item)

The Associated Students of Norco College will vote to ratify the constitution reflecting edits (Legislative code, Article IV).

Motion: Mohammad | Second: Cheryl

Haroun: Proposes new conditions for ASNC president running requirements. The bylaws state that you need to be a member of ASNC for 1 semester. He wants to change that to a running member can be a part of ASNC at any time instead of a whole month. Which would promote better engagement.

Mohammad: Asks for clarification on the time.

Haroun: It could be any time.

Ethan: So then anybody could just join for a week and run for president.

Tristan: You already get reviewed before joining ASNC so running for president should be open to all deserving students.

Mohammad: Agrees that people that have potential should be allowed to run but people still need to have some foundation before becoming president.

Ethan: Give them at least 2 months before running for president.

Haroun: Argues that the interview process is there for that reason.

Tristan: Understands that but people running unopposed outweighs that.

Haroun: Believes that all these bills are there for improving the elections code for next year.

Dilraj: Thinks that a certain amount of meetings attended should be viable for eligibility.

Mohammad: Agrees that they should attend more senate meetings.

Haroun: Coming to more senate meetings doesn't equate to anything as people just talk and mess around at times.

Dilraj: Says that you need at least some time to run for a position.

Yusuf: Change it to someone who has been an active member of ASNC.

Tristan motions to Remove 1 semester but appeal that an active member could appeal to the elections committee to be let on for candidacy.

Second: Ethan

Haroun calls the bill to vote.

Legislative Meeting of the Associated Students of Norco College

Since there are no objections the bill and amendment passes by consensus.

Ethan: It should be different for opposed and unopposed.

Ethan motions to amend that all unopposed candidates would need 100 minimum votes.

Second: Lien

Haroun motions that for opposed positions you would need at least 50 votes minimum

Second: Cheryl

Cole: Voters could vary, what if people don't like a certain VP.
