Amend the agenda	Moved by: Walter , Second: Farshid	
DEC Charter	Purpose Section: A suggestion was made to add something like "we advise not tell". Also, we make sure district provides tools to make our purpose happen.  Charge Section: Added elements of other aspects that DEC does (such as best practices, current on-line teaching, etc.). Also, we added language to the effect that we are "attempting to achieve" instead of the language that makes the committee sound accountable to absolutely achieving a certain percentage. A decision was made to take out the specific objectives that stated specific groups and percentages of gaps to close.  It was stated that we need to update the current members list.	
Faculty Co-Chair for DEC Fall 2022-Spring 2024? Administrative Co-Chair for DEC Fall 2022-2024?	This position is a 2-year position.  Sarah is stepping down after this semester.  It does get re-assign time. It is suggested that the person to take this role should hopefully be okay with voicing concerns. Sarah suggests this committee should have a dean of instruction (or VP) to serve on this committee.	

Minutes	
Is it acceptable for certain faculty to be given access to everyone's ALLY score? It was a shock that over the winter the Co-Chair of DEC was given this access and was encouraged to contact faculty below 80% and provide assistance.	
The dean wants to move forward to get two faculty members to volunteer to facilitate the @ONE courses.  They are saying that certification is awarded once one completes both @ONE courses (160 hours)  We said let's modify the @ONE courses to 20-30 hours or complete RCCD Camp, but this suggestion was met with resistance.  The dean et. al.'s idea of having five options to meet requirement will lead to confusion.  The feeling was that course designers should be completing them, not volunteer faculty. This is asking too much.	
Group Members	
PEER review process – refine work underway	
FLEX for Fall – identify 2 Prof Dev opportunities for fall flex	
This was not gotten to. Sarah will send out an email for people to volunteer for this.	
Makenna relates Gerlene's notes:  Pearson isn't offering on its own with Mastering, students are having to pay for it.	
Pushed to next meeting: Impact of the last-minute class changes.
