

Importing Norco College RSI Templates Directly from Canvas

10 Easy Steps

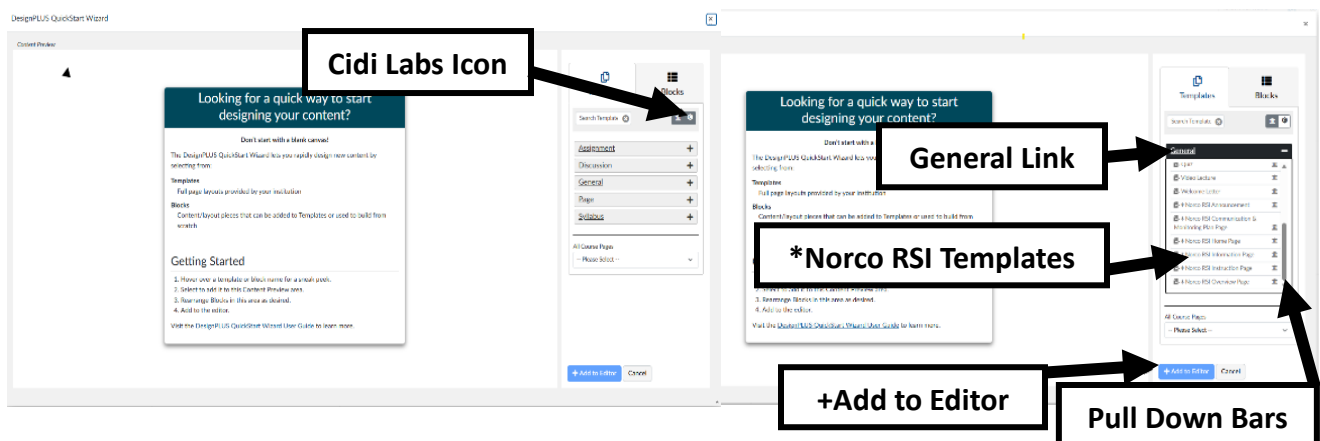

Step 1: Select Pages from the course navigation menu.

Step 2: Select View All Pages

Step 3: Select the + Page button in the top right corner. Open a new page.

Step 4: Give the page a unique name (one that doesn't already exist in your course).

Step 5: Select the DesignPLUS QuickStart Wizard button.

Step 6: When the templates tab opens, to simplify viewing, click on the C (Cidi Labs icon) below the Blocks tab. This will filter out Cidi Labs templates to make the Norco Templates easier to find. The Cidi Labs templates are worth checking out but they aren't Norco RSI specific.

Step 7: Select the **General** link and notice the drop-down menu.

Step 8: Use one or both **pull down bars** until you can see the *Norco RSI templates.

Step 9: Select a *Norco RSI template to preview

Step 10: If you want to add it to your course, select + Add to Editor and Save.

TEMPLATES AVAILABLE

- Announcement Page
- Assignment Page
- Communication & Monitoring Plan (CMP)
- Discussion Page
- Extra Credit Page
- Home Page
- Information Page
- Instruction Page
- Overview Page
- Quiz/Exam
- Summary Page

For additional information and examples, search Norco RSI in Canvas Commons.

You will find modules with additional information and examples and stand-alone template pages. Modules and pages can be imported into your courses.

You are not required to use these templates. They are provided for your convenience to review/edit/use as you see fit for your courses.
