***Mission:** The GP 20 Workgroup guides the development, implementation, and institutionalization of the guided pathways framework. As a result, the Guided Pathways Workgroup has a clear charge to move forward with the cross-functional changes needed to implement the framework college-wide, AND resources are aligned to efficiently accomplish GP goals on behalf of our students. In Fall 2019, GP 20 is expected to end, at which time this workgroup will fold into the Guided Pathways Workgroup.*
