#### **2.3 IEGC Resource Request Ranking**

- MSC (Motion- Ms. Ashlee Johnson /Second- Dr. Hayley Ashby)
- The group discussed the IEGC resource request ranking process, including budget and staffing priorities. Focus was placed on how the proposed requests align with student needs and institutional goals. The ranked list of resource requests presented by the Planning and Development Managers, which included:
  - Two staffing requests were reviewed:
  - Permanent part-time Educational Resource Advisor for the Unity Zone
  - Additional Research Analyst for the Office of Institutional Effectiveness
  - Both positions were highly important, but the Unity Zone position ranked higher due to its direct student impact. The council discussed the balance between supporting institution-wide research and serving specific student populations.
  - Counseling hours for the MOC program was a budget request as the faculty hiring process is separate and distinct
  - An increase in the operating budget for the Institutional Effectiveness Office
  - Funding for Assessment Committee workshops needed additional details
- There was clarification needed on a staff position mislabeled as a budget item—Charise will follow up at the next meeting.
- Approved by consensus.

#### 3.3 Institutional Effectiveness and Planning Survey Spring 2025 Results

- Dr. Ashby presented the Spring 2025 Institutional Planning and Effectiveness Survey results, with 88 employees participating—mostly faculty. Findings reflected strong alignment with the college mission and overall satisfaction, but concerns remained about staffing, resource allocation, and prioritization processes. Dawn will forward the survey results to College Council and share them with Academic Senate and Standing Committees.

#### 3.4 Institution Set Standard Update

- Dr. Hayley Ashby presented institutional standard updates—while the college performed well in some areas, certificate completion and transfer rates fell below set standards. The group agreed to continue monitoring progress and have procedural response teams address underperforming areas.
- Faculty Resource Allocation Challenges: The council discussed ongoing faculty prioritization challenges. Only 23 out of 68 faculty members felt there were enough full-time faculty, leaving smaller programs overextended with committee responsibilities. The group emphasized improving data availability for program reviews and ensuring resource request timelines aligned with faculty planning cycles.
- Norco College Staffing and Standards: Committee discussed faculty hiring plans (targeting 5 new hires per discipline) and noted concerns over fewer applicants in recent years. Dr. Hayley Ashby presented institutional standard updates—while the college performed well in some areas, certificate completion and transfer rates fell below set standards. The group agreed to continue monitoring progress and have procedural response teams address underperforming areas.

### 4. Information Items

## Report of Effectiveness 2024-2025

---

### **Governance Entity:**

Assessment Committee

### **Charge:**

The charge of the Assessment Committee is to facilitate assessment of student learning in instructional programs, and student and learning support services to support the assessment of Guided Pathways.

The Assessment Committee is primarily responsible for assessing and coordinating the listed Educational Master Planning objectives below:

2030 Goal 8: (Effectiveness, Planning, and Governance) Develop institutional effectiveness and integrated planning systems and governance structures to support ongoing development and continuous improvement as we become a comprehensive college.

- 2025 Objective 8.1 Make program, student, and effectiveness (including assessment) data available, usable, and clear so critical data is visible in real-time.

### **Sponsoring Council/Senate:**

Academic Senate

### **Co-chairs:**

Ashlee Johnson and Roger Perez

### **Members:**

Hayley Ashby, Caitlin Busso, Eric Doucette, Bani Ghosh, Ted Jackson, Ashlee Johnson (co-chair), Stephany Kyriakos, Bibiana Lopez, Jethro Midgett, Roger Perez (co-chair), Timothy Russell, David Schlanger, Calvin Vo, Jude Whitton, and Aldo Yañez Ruiz.

### **Evaluation of the Survey of Effectiveness:**

The results of the Survey of Effectiveness were reviewed and discussed by the committee on May 19th, 2025.

Overall, the committee responses were in agreement, except for communication, where two responses were 'does not apply'.

Discussion: Some members may have chosen 'does not apply' because they are alternates and are not responsible for communicating back to their group.

Suggestion that some individuals may share what they learn when attending committee meetings, but not necessarily everything that voting members would report back to their constituency group.

Feedback ideas for possible implementation:

- Add project team updates as a standing item on the agenda.
- Provide an assessment update to the Academic Senate after every committee meeting.
- Suggestion to put an agenda item suggestion or request form on the committee website.
- Suggestion to provide an institutional report of assessment that includes everything everyone is working on.
- Suggestion to make assessment data visible to all to allow comparison and to improve as an institution.

### **EMP Goal Alignment and Objective Alignment:**

2030 Goal 8: (Effectiveness, Planning, and Governance) Develop institutional effectiveness and integrated planning systems and governance structures to support ongoing development and continuous improvement as we become a comprehensive college. 2025 Objective 8.1 Make program, student, and effectiveness data (including assessment) available, usable, and clear so critical data is visible in real-time.

### **Assessment of Scope and Deliverables:**

The purpose of this section is to assess the completion of deliverables defined by NAC's charter during the academic year. During 2024-2025, the committee developed three project teams to make progress on the following three deliverables:

#### 1. Create Assessment V2 Plan of Action.

- Project Team: AV2- Frequency, Modality, Participants Project Team

This project team was formed to establish a clear process for completing course outcome assessments. This includes identifying types of observations and guidelines for documentation, as well as developing and designing the forms and fields in Nuventive.

#### 2. Increase participation in Canvas assessment.

- Project Team: AV1-Training and Support Project Team

While there has been an increase in participation in using Canvas outcomes to collect data, this project team was established to provide clear and accessible training and support, with a particular focus on collecting assessment data in Canvas. As of the end of 2024-2025, only 15% of course outcomes (Student Level Outcomes) data has been collected in Canvas.

#### 3. Implement an approach for PLO Assessment.

- Project Team: PLOs, GELOs, AOE's (AKA Legacy) Project Team

- This project team is charged with developing the model for Program Level Outcomes assessment which includes data collection, evaluation, and improvement.

The three project teams will continue to convene and work to complete their tasks in the 2025-2026 year.

"I feel that the Program Review Committee is such a cordial group where we can discuss big decisions (such as the switch from a 3 to 5-year program review cycle) in a respectful way, hearing all sides and concerns raised, having thoughtful discussions, and voting on our action items in a reasonable time frame. I think the committee is functioning well." Anonymous committee member

## SPGM 2025-2030

### Draft Charter Instructions

#### Charter Requirements

Charters at Norco College serve two purposes:

- Charters serve as a central location for basic information about each Council and Committee.
- Charters provide a central organizational document to help orient the efforts of Councils and Committees regarding their contributions to the operational and strategic efforts of the college.

All charters contain the following elements:

- Name of Council/Committee
- Description: a 25-50 word overview (brief and descriptive) of the Council/Committee's mission or central charge.
- Brown Act: identification of bodies subject to the Brown Act
- Meeting Schedule: regularly occurring meeting schedule
- Chair/Co-Chairs (include constituent group when relevant)
- Reports and Recommends to: the governance entity or office that the council or committee reports and submits recommendations to
- Required Reports and Updates: specific reports and updates related to institutional effectiveness and strategic goals
- Key Performance Indicators/Goals: specific KPIs or Goals that the Council/Committee has been assigned and the specific KPIs or Goals that the Council/Committee has chosen to pursue.
- ACCJC Accreditation Standards: alignment to specific standards that guide the committee or council's work
- Equity Focus: a brief statement about how it will contribute to the development of equity at the college, including but not limited to equity-focused efforts, populations, or initiatives.
- Edition Date: date of their most recent revision and dates of previous versions of the charter.
- Link: Provide URL to site with Membership Roster.

Refer to the Charter Procedures (under Governance Procedures) prior to making changes to any of the above charter elements.

#### Websites

All Councils and Committees of the College are expected to maintain websites related to their group. While other groups should determine on their own whether a website is necessary, in general, groups are encouraged to establish and maintain websites to facilitate communication and openness. Previously, there have been no guidelines on what websites should contain. These guidelines aim to establish a more uniform, college-wide approach to website development and maintenance.

## Website Guidelines

All College group websites are expected to have the following elements. Please note that these elements are considered only a starting point and that groups can and likely should include additional information beyond these guidelines to carry out the group's charge best.

The expected elements consist of the following:

- Name.
- A description of the group's purpose and/or the group's mission statement.
- The regular meeting dates, times, and locations, including physical and virtual as appropriate.
- Contact information.
  - The primary contact will likely be the chair or co-chairs.
  - Contact information should include how to submit items for the group's agendas.
- Meeting Schedule
- Committee Members
  - Group Membership should be updated at least annually and ideally at the beginning of each semester.
  - Chairs/co-chairs should be clearly identified.
  - If a group's membership is based on representation from particular College communities, those affiliations may be included (i.e., the Student Representative may be identified as such, or the Representative from a particular School or constituent group may be identified as such).
  - A statement regarding how group members are selected or who is welcome to join the group.
- Planning Documents
  - Group Charter
  - Reports
- Archived Agendas and Minutes

## Responsibility for Website Updates

All groups with a website should assign a person or team to be formally responsible for updating the website (either directly or by working with College or District IT to implement the updates). While this responsibility will commonly fall to the chair/co-chairs, any group member can perform this task. The person/team assigned should expect to perform the following duties:

- Review the website at the beginning of each semester to identify needed updates. Examples of common updates include:
  - Changes to group roster or membership.
  - Changes or updates to meeting days, times, and locations.
  - Changes to any linked documents, guides, or other resources provided to the community.
- Perform a monthly review and update of the council/committee website to ensure documentation is uploaded and accessible. This includes agendas with documentation and meeting minutes.

- At the conclusion of each term (Fall and Spring), work with the College or District IT for assistance and support as needed to ensure the site is fully functional and up to date.
