13	usally it is ok but when it is packed i have no where to go the other day i had to stand in the rain	5/7/2018 1:40 PM
14	make more small study spaces	5/7/2018 1:31 PM
15	there could be more space in the library if there were more tables available and spread out instead of having all most of the tables in the corner next to the computer. maybe you guys could move book shelves more towards the back and provide more space for the tables.	5/7/2018 12:19 PM
16	more studying area would be nice	5/7/2018 12:03 PM
17	The rooms get occupied really fast which leaves other students stranded; more rooms	5/7/2018 11:43 AM
18	the narrow sections of the library makes the space feel more crowded than it is in actuality.	5/7/2018 11:05 AM
19	Too many students, not enough space. We should all build a huge outdoor library next to the field. Drink coffee and have a ball!	5/5/2018 10:21 AM
20	more study rooms maybe a few more computers as well	5/5/2018 8:48 AM

30	It would be great to be larger in space and provide for independent rooms.	5/3/2018 2:40 PM
31	There is not enough space for students to study and it is often very noisy which makes it hard to study at school since there is no other place on campus that is meant for studying (LRC also not the best for studying).	5/3/2018 2:15 PM
32	I think an additional study floor for students would be great.	5/3/2018 1:40 PM
33	There needs to be an enclosed quiet space. The current space allotted for this is not enclosed and the conversations form the other side and the foot traffic from the entry can be distracting. Also more space is needed for more computers and books.	5/3/2018 12:22 PM
34	I always come in the morning to do my homework. Nice enviroment, quiet and productive.	5/3/2018 12:07 PM

38	Its a little cramped in there	5/3/2018 11:42 AM
39	I would enjoy more study rooms	5/3/2018 11:23 AM
40	There are often not enough seats for students, many computers at a time are 'not in service'. If the library could be expanded and take over the LRC/tutoring center, many more students would have access to what they need.	5/3/2018 11:13 AM
41	Could have more reminders of whats going on so you stay in the loop of things going on because I never know whats going on.	5/3/2018 10:37 AM
42	need more study room areas everything is to crowded, also adding a new floor will be great	5/3/2018 10:29 AM
43	It needs more space, sometimes it gets too crowded.	5/3/2018 10:24 AM
44	there should be more couches and chairs for students to feel comfortable	5/3/2018 10:22 AM
45	I just started and have never been to the library	5/3/2018 10:21 AM

86	There is not enough space to study quietly. There is not enough study rooms and if there are study rooms people go in there to mess around and talk and don't study.	4/20/2018 9:32 AM
87	I've seen larger library's at other schools that have redone their library and at Norco college the library just doesn't compare to others where there is enough open space for every student at a lot of times I have walked into the Norco college library and there isn't enough room, it looks crowded and there isn't enough computers for every student or even extra	4/20/2018 8:35 AM
88	Triple the size	4/19/2018 5:15 PM
89	There are not enough tables and chair to just sit at while doing homework or studying with others. It feels very uncomfortable and not welcoming for students.	4/19/2018 10:14 AM
90	The library is spacious, yet has an anxious demeanor. Perhaps adding different colors or installing artwork would assist such measures.	4/18/2018 6:37 PM
91	More books please. Actual scholarly books.	4/18/2018 2:05 PM
92	There are not enough study rooms or an efficient system to get in line for study rooms. I think Norco would benefit from adopting the same library system that rcc has	4/18/2018 12:39 PM
93	There is always too many people in there to focus on any homework	4/18/2018 12:33 PM
94	I wish there was more study rooms, but it is unlikely that the fabrication of more areas would be feasible	4/18/2018 11:42 AM
95	The library seems to be more of a place to socialize. Students need to be more considerate of other students that are in the library to study.	4/17/2018 5:16 PM

38	The first come first serve is not satisfactory because people just go in there to mess around and not study causing many disruptions for students who do want to study. Library Survey Spring 2018

46	not really	5/3/2018 1:02 PM
47	I think the process of getting a study room is unfair to students. I think it is a great idea to have the, first come first served, process. However I believe that the whole waitlist process is very unfair. I dont understand why one is unable to renew a room if they have been on the wait list for hours and their pager has beeped. I think it is pointless to have to move all ones belongings to another room when they could easily have the room they are in renewed. I truly believe that this could discourage students from coming to the library and getting a study room.	5/3/2018 12:24 PM
48	Allotting at least two rooms for reservation while keeping the majority as "first come, first served" basis would likely accommodate the need of more students rather than just the ones who can get there first.	5/3/2018 12:22 PM
49	i find this process fair and i enjoy it. Recently there has been problem my friend has brought to my attention That being on the wait list does not allow you to renew a room. She has experienced this with only one employee. In the past this same employee has caused problems to her and not to others. There was a situation where my friend was renewing her room. that same employee said no thats against policy she was on the waitlist you have to make her wait until no one is left. keep in mind that my friend was on the wait list for over an hour and that employee wanted her to wait again, but that employee had no business in what was happening because she was helping another student. When she was helping that student she was interacting with the most sympathy and sweetness possible. But whenever my friend interacts with her all she receives is bitterness. I believe there needs to be a clear and fair policy because it is not ffair to students who want to renew their room because they had two exams or whatever coming up, and each time they get a different answer.	5/3/2018 12:13 PM
50	im not informed on none of these aspects of the library. It needs to be brodcasted more	5/3/2018 12:07 PM
51	yes	5/3/2018 12:03 PM
52	no. should do this in addition to an appointment system	5/3/2018 12:02 PM
53	hard to get a study room	5/3/2018 12:02 PM
54	not really	5/3/2018 11:43 AM
55	yes, but the white board markers are always dry	5/3/2018 11:42 AM
56	There is often a long waiting list before anyone can get a study room, but I guess the process for getting one is satisfactory.	5/3/2018 11:13 AM
57	yes, it is the only problem that people are to loud and you can hear their music or their conversation, is not really quite	5/3/2018 10:29 AM
58	first come, first serve and there is a certain amount of time you can be in the study room. this allows others students to have the opportunity to use them as well	5/3/2018 10:24 AM
59	go up to the desk and put your name down and they will give you a pager	5/3/2018 10:24 AM
60	Some people use them to study alone. I feel its unfair to people that are in groups and need to study together.	5/3/2018 10:24 AM
61	It took a while for me to get my room but it was helpful	5/3/2018 10:22 AM
62	checking in to find a room and if so you have up to 2 hours to study	5/3/2018 10:22 AM
63	I am a student who consistently spends their time in a library study room. However, I do not find the first come, first served, pagers efficient. Unlike the Norco campus, Riverside City College uses an app for students called "Q less" which allows students to reserve a spot in line for the library study rooms along with a variety of other resources around the campus. I would highly recommend checking out the app and begin using it here at Norco.	5/3/2018 8:18 AM
64	havent had the oppertunityto use one yet.	5/3/2018 8:15 AM
65	Yes the process is fair	5/3/2018 8:13 AM
66	I have never used it, but this process is great.	5/2/2018 5:44 PM
67	yes	5/2/2018 5:43 PM
68	very easy	5/2/2018 5:12 PM
69	Indeed	5/2/2018 5:09 PM

70	I've used the tables outside the study rooms. It was nice and quiet. Just what I needed.	5/2/2018 4:49 PM
71	its bs that people use them to just hang out	5/2/2018 4:46 PM
72	YES	5/2/2018 4:45 PM
73	yes, but I think we should be able to reserve a room also	5/2/2018 3:46 PM

93	yes	5/1/2018 2:04 PM
94	I've never really needed a Study Room.	5/1/2018 1:23 PM
95	It is satisfactory but on one occasion our pager wasn't working and didn't buzz and when it finally did two receptionist told us to pay more attention next time because they rang it up several times, even though we explained we only heard it once.	5/1/2018 1:14 PM
96	I am fine with the first come, first served method	5/1/2018 1:10 PM
97	This process is sufficient; although, I do wish that the library would update their materials.	5/1/2018 1:06 PM
98	yes	5/1/2018 12:59 PM
99	yes it's fine	5/1/2018 12:07 PM

109	not easy enough	4/30/2018 3:06 PM
110	yes	4/30/2018 3:04 PM
111	Yes, but I would like to be able to reserve study rooms in advance.	4/27/2018 8:18 AM
112	It is ok	4/26/2018 6:29 PM
113	yes	4/26/2018 8:29 AM
114	I plan to use one; also, yes	4/24/2018 10:42 AM
115	I try to renew room and some have let it pass and said I can. All the staff has allowed me to except for a girl with red tips. I don't know what's her problem. I hate going up to the desk when she is there because she is extremely rude and ruins everything good of the study room process. She stares people down and makes me feel uncomfortable. I know for a fact renewing a room is possible and she tells me no you have to wait for it be completely over. I have been on the waitlist before and waited a good hour and then my pager rang and she said no you can get a room you have to sit until yours is up. I WAITED, clearly if I have a pager I waited but she acted like that did not matter. Other students and staff have helped me, its just her	4/23/2018 12:57 PM
116	Yes	4/23/2018 11:29 AM
117	its fair	4/21/2018 6:43 PM
118	No, it should be more strict because a lot of people do not even study in the study rooms and talk very loud making it hard for people who study to study.	4/20/2018 9:32 AM
119	Add more study rooms	4/19/2018 5:15 PM
120	I am unaware of how to reserve a study room and all of the rules that go along with utilizing a study room.	4/19/2018 10:14 AM
121	No I think it would be helpful to students if they had access to a text messaging queue like QLess. This would allow students to better allocate their time. If they know they'll need a study room to do collaborative studying at a certain time frame, reserving online would make that easier.	4/18/2018 8:18 PM
122	I like the system in place	4/18/2018 1:13 PM
123	The process for getting a study room is terrible, there are not enough rooms and the pagers force you to wait in the library even when there are no seats available. I would much prefer the option to have text messages tell me when my room is available	4/18/2018 12:39 PM
124	There isn't enough rooms	4/18/2018 12:33 PM
125	First come, first serve us fair in most all regards, though I wish you could delegate how much time you needed to said room.	4/18/2018 11:42 AM
126	I don't get the study room idea, do i just ask to use it lol	4/18/2018 10:46 AM
127	again it is very loud in adjacent rooms. I understand if it is a study group but more often it is used for socializing.	4/17/2018 5:16 PM

129	yes	4/17/2018 2:41 PM

132	yes it is	4/17/2018 7:51 AM
133	yes it is but i wish there was a way to reserve rooms online	4/17/2018 6:42 AM
134	it is usually ok.	4/16/2018 3:45 PM
135	Yes, its pretty fair.	4/5/2018 4:03 PM
136	yes	4/5/2018 1:59 PM
137	yes	4/5/2018 1:10 PM
138	You should be able to get some rooms schedule for specific times, if the student doesn't show up after 5 mins of his time just cancel the reservation	4/4/2018 12:42 PM

48	i know that nothing is free but with the tuition money maybe the school can provide the library with free printing like ASNC does with the students, i feel like free printing should be available at all sections of the school so students can feel comfortable being in all parts of the Norco campus	5/7/2018 12:19 PM
49	Having more outlets on the tables that students use to do work. Sometimes people use their laptops and they need to charge them sometimes while they're working	5/7/2018 12:16 PM
50	The library could implement sound proof walls to the study rooms. I have studied in the rooms with friends and have found it difficult to concentrate due to the loud disruptions of the rooms next door.	5/7/2018 12:09 PM

73	I would like them to open the library a little bit earlier for those who have the morning classes and still need to print or copy an assignment.	5/5/2018 8:21 AM
74	I do not believe there is anything the library can add to make me more successful, it not the schools fault. I personally am to busy to go inside of the library to have a valuable opinion on what it needs to improve on.	5/5/2018 8:16 AM
75	down time area	5/5/2018 8:15 AM

I think that if Norco College wants to make Norco College more university like they should start with providing students with better study resources which includes having better places to study on campus.	5/3/2018 2:15 PM
102	All current sources are great	5/3/2018 2:09 PM

Library Survey Spring 2018

103	its fine the way it is would like to see more helpers in the book area	5/3/2018 2:08 PM
104	Nothing their good	5/3/2018 1:44 PM
105	closed off individual spaces	5/3/2018 1:43 PM

110	Not sure	5/3/2018 1:09 PM
111	quiet study place	5/3/2018 12:35 PM
112	The library should allow renewal for rooms once a person has been on the wait list and their pager has vibrated to announce the opening of an available room.	5/3/2018 12:24 PM
113	Adding more variety, quantity and current books would be helpful, as well as more computers and truly quiet space.	5/3/2018 12:22 PM
114	I would like there to be a renewal of rooms but maybe only let a student renew a room twice and then they have to wait a certain amount of time before they can get a room again that day. The study rooms have helped students tremendously and I would hate to see renewals or getting on a wait list get demolished.	5/3/2018 12:13 PM
115	I don't know what to add because the library is already great for me. I always study at there at least two times in a week.	5/3/2018 12:08 PM
116	Need to inform kids on resources.	5/3/2018 12:07 PM
117	not really sure i guess if it had more computers that would be helpful	5/3/2018 12:05 PM
118	One thing they should add is to be more organized between subjects or class so that it would be easier to find information.	5/3/2018 12:04 PM
119	Have the desks readily available at all times. Sometimes unable to work in there because some sort of event is being set up.	5/3/2018 12:03 PM

189	Honestly, the only huge issue I have with the library is the lack of sanitation around the computer areas. (keyboards, mice, desk) Maybe if more hand sanitizer was readily available near the desks it would be more of a pleasant experience. However, Student's have to worry about catching some discussing disease another individual is mindlessly toting or carrying around. Health and wellness is not a joke!	5/2/2018 2:18 PM

The library is a welcoming enviroment that I love to visit at least once a day. The staff is always friendly and always give you a welcoming smile the second you step through the front doors. I personally had the impression that the chat system was nont anonymous and that everyone could see and reply to any comment I made... This idea made me not to use it, as I thought it was similar to a commenting section found on various social media sites that had a timer on each message that expired after a certain amount of time. I would suggest editing the box to ensure that the chat seemed more anonymous, or possibly putting it as an icon you can click that is labeled "Anonymous Librarian Chat 24/7"	5/2/2018 3:20 PM

The current book options to checkout online and in person are terrible and need a huge revamp. Add more seating and study areas, as well as rooms for people to quietly work on things. 128	The library is wonderful and has always been a good experience except when the pager for the reserved rooms wasn't working and two receptionists accused me and my friend of not paying attention to it when we had placed it between us on the desk so when it buzzed it was loud and only rang once. They kept insisting it rang several times but obviously the pager must have been malfunctioning. It would have been nicer if the receptionists were more understanding.	5/1/2018 1:14 PM
129	Your staff is wonderful and helpful.	5/1/2018 1:10 PM
130	The three hour limit on computers is usually adequate enough to complete work within, but sometimes during the end of the semester students may need more than that amount of time in order to complete their work, especially if they do not have working computers at home that they are able to use.	5/1/2018 11:13 AM
131	The library would be more dope if it were open on Saturday; I usually go away from my abode off to a far away, mystical land (they call it CSU Fullerton or something of the like) and do my homework over there. I feel like a rogue agent when I do my homework at CSUF; it's quite exhilarating being there and not being a student. Heh heh heh, how surreptitious of me indeed. But on the realsies, though, if it were open on Saturday, I would come for shizzle.	5/1/2018 10:16 AM

161	The library does a good job but needs more resources to better help students. It would be great if more faculty could promote library services and resources to their students.	4/27/2018 8:18 AM

184	Yeah actually I do have one. A while back I found a pair of black headphones (That looked really familiar) sitting on my computer desk after I went to the bathroom. So naturally I took those headphones to the front of the desk and told the library employees that I found a pair of headphones on my desk. Walking back feeling proud, I overheard the girl I told that I found some lost headphones, say "Does anyone want some headphones", the comment kinda annoyed me... but as I arrived at my library desk, I found out that I couldn't find my headphone; Then it occurred to me that the headphones I found on my desk were mine and not anyone else. I wanted to go back and ask for my headphones back but I didn't want to act cringe.	4/18/2018 10:46 AM

212	Other than what I mentioned above, the Norco College Library gives off a very soothing academic vibe. For me at least.	3/28/2018 10:55 AM
213	Please update the technology here, particularly the computers. Things are tedious for both the students and the workers when they don't have to be. Also, it'd be nice if things got cleaned more.	3/28/2018 9:17 AM

218	Norco College needs an indoor social area that has the chess sets and tables that the library provides that is separate from the Library because when the weather is "bad" students socialize and talk in the Library instead. As someone who has limited locations to study at outside of campus I find it very distracting and somewhat stressful.	3/27/2018 12:29 PM
219	staff is great and is always willing to help	3/26/2018 9:37 AM
220	Library could be quieter. Sometimes it is hard to concentrate when people using computers are talking or using the printing machines which can be loud especially when printing or giving out change	3/26/2018 9:06 AM
