Annual Administrative Program Review Update Instructions

The Annual Administrative Program Review is conducted by each unit and consists of an analysis of changes within the unit as well as significant new resource needs for staff, resources, facilities, and equipment. It should be **submitted or renewed every year** in anticipation of budget planning for the fiscal year, which begins July 1 of the *following* calendar year.

The questions on the subsequent pages are intended to assist you in planning for your unit.

The forms that follow are separated into pages for ease of distribution to relevant subcommittees. **Please keep the pages separated** if possible (though part of the same electronic file), **with the headers as they appear**, and be sure to include your unit, contact person (this may change from topic to topic) and date on each page submitted. Don't let formatting concerns slow you down.

If you cannot identify in which category your requests belong or if you have complex-funding requests please schedule an appointment with your college's Vice President for Business Services right away. They will assist you with estimating the cost of your requests. It is vital to include cost estimates in your request forms. Each college uses its own prioritization system. Inquiries regarding that process should be directed to your Vice President.

The college has adopted a Total Cost of Ownership calculator for the use of determining cost of faculty, personnel and other needs related to a department or program. The calculator is located under the Office of the Vice President, Business Services, as "Total Cost of Ownership (TCO) Spreadsheet" at the following link: <http://www.norcollege.edu/about/business-services/Pages/index.aspx>

I. The Unit PROGRAM REVIEW

The Administrative (Unit Program Review) is meant to provide a broad understanding of the unit, current trends related to the unit's mission, and how the unit serves to meet the overall mission or goals of Norco College and the Riverside Community College District.

1. What is the mission of your unit?

The mission of the Norco Facilities Department is to provide a clean, well-maintained, and attractive environment for students that are conducive to learning, mechanically sound, and free of health and safety hazards and unpleasant distractions that might compromise learning.

2. Identify or outline how your unit serves the mission of Norco College. *Please limit to a single paragraph.*

The Facilities Department acts as the communication link between the college, community, the District Office, and State and College officials and the various custodial, grounds, and maintenance units. It is the administrative arm that directs the work of these units and provides the resources and information for their function.

3. **List the major functions of your unit.**

4. **Briefly comment on the status of your previous goals and objectives.**

The staff in the maintenance department will establish a benchmark time frame for completing work orders within five (5) business days	Data from the FootPrints work order system indicated that in 2016-17 the campus submitted 440 work orders for Maintenance; down from 2015-16 of 603 work orders for Maintenance. No benchmarking of time to completion was performed.
Focus on servicing AC/HVAC units throughout the campus	Maintenance mechanics focused on the maintenance of AC/HVAC units avoiding malfunctions during summer and winter seasons. No benchmarking or data collection on this specific problem was conducted.
Increase customer service techniques in maintenance staff	Training for maintenance staff in the area of communication was held. Campus respondents reported an overall satisfaction rate with the Maintenance unit of 83%; 1% up from the prior year of 82%.

5. **MAJOR Goals and Objectives (do not include normal functions of your unit). In order from 1 – 5 is best. With 1 as the most important.**

Before writing your goals and objectives be sure to review other Program/Unit Review documents related to your unit to discern if there are service needs you wish to address.

The maintenance department has implemented many changes to enhance customer service and timely completion of work orders. Attention by the staff to inform and explain work performed has resulted in positive feedback from college staff.

Directions: The primary purpose of this update is to provide an overview of your unit’s assessment activities (plans, data, responses to data, etc.) for the previous academic year as well as your plans for assessment in the upcoming academic year. If you have any questions regarding the assessment process on this aspect of the report, please contact your vice president, or the Assessment Co-chairs.
