# Annual Instructional Program Review Update

## Instructions

**\*Please retain this information for your discipline's/department's use (or forward to your chair).**

The Annual Self-Study is conducted by each unit on each college and consists of an analysis of changes within the unit as well as significant new resource needs for staff, resources, facilities, and equipment. It should be **submitted in draft every year by March 15th** (or the first working day following the 15<sup>th</sup>), with final drafts due on **April 29th**, in anticipation of budget planning for the fiscal year, which begins July 1 of the *following* calendar year.

**For Program Review data, please go to the following link:**

<http://www.norcocollege.edu/about/president/strategic-planning/programreview/Pages/index.aspx>

The questions on the subsequent pages are intended to assist you in planning for your unit.

The forms that follow are separated into pages for ease of distribution to relevant subcommittees. **Please keep the pages separated** if possible (though part of the same electronic file), **with the headers as they appear**, and be sure to include your unit, contact person (this may change from topic to topic) and date on each page submitted. Don't let formatting concerns slow you down. If you have difficulty with formatting, Nicole C. Ramirez can adjust the document for you. Simply add responses to those questions that apply and forward the document to [nicole.ramirez@norcocollege.edu](mailto:nicole.ramirez@norcocollege.edu) with a request to format it appropriately.

If you cannot identify in which category your requests belong or if you have complex-funding requests please schedule an appointment with your college's Vice President for Business Services right away. They will assist you with estimating the cost of your requests. For simple requests such as the cost of a staff member, please e-mail your Vice President. It is vital to include cost estimates in your request forms. Each college uses its own prioritization system. Inquiries regarding that process should be directed to your Vice President.

**Norco: VP Business Services 951-372-7157**

## **Mission**

Norco College serves our students, our community, and its workforce by providing educational opportunities, celebrating diversity, and promoting collaboration. We encourage an inclusive, innovative approach to learning and the creative application of emerging technologies. We provide foundational skills and pathways to transfer, career and technical education, certificates and degrees.

## **Vision**

Norco – creating opportunities to transform our students and community for the dynamic challenges of tomorrow.

## **Goals and Strategies 2013-2018**

### **Goal 1: Increase Student Achievement and Success**

Objectives:

1. Improve transfer preparedness (completes 60 transferable units with a 2.0 GPA or higher).
2. Improve transfer rate by 10% over 5 years.
3. Increase the percentage of basic skills students who complete the basic skills pipeline by supporting the development of alternatives to traditional basic skills curriculum.
4. Improve persistence rates by 5% over 5 years (fall-spring; fall-fall).
5. Increase completion rate of degrees and certificates over 6 years.
6. Increase success and retention rates.
7. Increase percentage of students who complete 15 units, 30 units, 60 units.
8. Increase the percentage of students who begin addressing basic skills needs in their first year.
9. Decrease the success gap of students in online courses as compared to face-to-face instruction.
10. Increase course completion, certificate and degree completion, and transfer rates of underrepresented students.

## **Goal 2: Improve the Quality of Student Life**

### Objectives:

1. Increase student engagement (faculty and student interaction, active learning, student effort, support for learners).
2. Increase frequency of student participation in co-curricular activities.
3. Increase student satisfaction and importance ratings for student support services.
4. Increase the percentage of students who consider the college environment to be inclusive.
5. Decrease the percentage of students who experience unfair treatment based on diversity-related characteristics.
6. Increase current students' awareness about college resources dedicated to student success.

## **Goal 3: Increase Student Access**

### Objectives:

1. Increase percentage of students who declare an educational goal.
2. Increase percentage of new students who develop an educational plan.
3. Increase percentage of continuing students who develop an educational plan.
4. Ensure the distribution of our student population is reflective of the communities we serve.
5. Reduce scheduling conflicts that negatively impact student completion of degrees and programs.

## **Goal 4: Create Effective Community Partnerships**

### Objectives:

1. Increase the number of students who participate in summer bridge programs or boot camps.
2. Increase the number of industry partners who participate in industry advisory council activities.
3. Increase the number of dollars available through scholarships for Norco College students.
4. Increase institutional awareness of partnerships, internships, and job opportunities established with business and industry.
5. Continue the success of Kennedy Partnership (percent of students 2.5 GPA+, number of students in co-curricular activities, number of students who are able to access courses; number of college units taken).
6. Increase community partnerships.
7. Increase institutional awareness of community partnerships.
8. Increase external funding sources which support college programs and initiatives.

## **Goal 5: Strengthen Student Learning**

### Objectives:

1. 100% of units (disciplines, Student Support Service areas, administrative units) will conduct systematic program reviews.
2. Increase the percentage of student learning and service area outcomes assessments that utilize authentic methods.
3. Increase the percentage of programs that conduct program level outcomes assessment that closes the loop.
4. Increase assessment of student learning in online courses to ensure that it is consistent with student learning in face-to-face courses.
5. Increase the number of faculty development workshops focusing on pedagogy each academic year.

## **Goal 6: Demonstrate Effective Planning Processes**

### Objectives:

1. Increase the use of data to enhance effective enrollment management strategies.
2. Systematically assess the effectiveness of strategic planning committees and councils.
3. Ensure that resource allocation is tied to planning.
4. Institutionalize the current Technology Plan.
5. Revise the Facilities Master Plan.

## **Goal 7: Strengthen Our Commitment To Our Employees**

### Objectives:

1. Provide professional development activities for all employees.
2. Increase the percentage of employees who consider the college environment to be inclusive.
3. Decrease the percentage of employees who experience unfair treatment based on diversity-related characteristics.
4. Increase participation in events and celebrations related to inclusiveness.
5. Implement programs that support the safety, health, and wellness of our college community.

# I. Norco College Annual Instructional Program Review Update

Unit: Humanities  
Contact Person: Diane Palmer  
Date: 3/10/15

## Trends and Relevant Data

**1. Have there been any changes in the status of your unit? (if not, please indicate with an “N/A”) N/A**

- a. Has your unit shifted departments?
- b. Have any new certificates or complete programs been created by your unit?
- c. Have activities in other units impacted your unit? For example, a new Multi Media Grant could cause greater demand for Art courses.

**2. List your retention and success rates as well as your efficiency. Have there been any changes or significant trends in the data? If so, to what do you attribute these changes? Please list Distance Education, retention, success and efficiency separately.**

Success Rate NORCO	2010-11	2011-12	2012-13	2013-14
Overall	64.73%	70.13%	74.93%	78.30% <b>+3.37</b>
Face-to-Face Lecture	75.46%	77.37%	77.63%	78.30% <b>+0.69</b>
Hybrid	0.00%	0.00%	0.00%	0.00%
Online/Distance Education	41.37%	47.59%	56.99%	0.00% <b>-56.99</b>

**Success has improved over 3 % overall. I am puzzled by the lack of data for Online/DE classes, as the Fall 13 schedule lists two sections of Hum 4 Online. This issue notwithstanding, success overall continues upward gradually and can be attributed to natural year by year fluctuations.**

Retention Rate NORCO	2010-11	2011-12	2012-13	2013-14
Overall	79.01%	80.97%	85.63%	88.65% <b>+3.02</b>
Face-to-Face Lecture	87.64%	87.43%	87.36%	88.65% <b>+1.29</b>
Hybrid	0.00%	0.00%	0.00%	0.00%
Online/Distance Education	60.24%	60.84%	74.19%	0.00% <b>-74.19</b>

Retention has improved overall 3% from the previous (2012-13) year. Again, lacking data for Online/DE sections I have no basis for speculation. Overall improvement can be attributed to natural year by year fluctuations, and perhaps the retirement of FT faculty at end of Fall 13, with Spring 14 classes staffed by adjunct instructors (and no online sections) slightly altered the upward trajectory.

Term	Efficiency
Fall 2012	655.733
Winter 2013	330.000
Spring 2013	861.786
Summer 2013	0.000
Fall 2013	789.212
Winter 2014	892.667
Spring 2014	666.080
<b>Total</b>	694.248

Overall efficiency rates remain static over the current (2013-14) period as compared to the previous (2012-13) one. However Winter 2014 shows a dramatic increase over the previous corresponding (Winter 2013) rate, increasing from 330 to 893. Fall 13 versus Fall 12 shows an increase, from 656 to 789. Spring 2014 shows a decline in efficiency relative to Spring 13 (from 862 to 666).

**Course Rotation:** I would like to modify the course rotation schedule to allow for inclusion of one face to face and one online section of, alternately, Hum 4 and 5 (Arts & Ideas) over the next year, and as enrollment allows, consider these, along with Hum 10 as “core courses,” and offer them in a more balanced way. The prior discipline leader structured course rotation to include more sections of Hum 10: World Religions (6 sections in Fall 2014) and only one or two sections of Hum 4 and 5 alternating in the Spring and Fall semesters.. Hum 4 and 5 are central humanities courses which, along with Hum 10, satisfy requirements from List C of the Philosophy ADT. As such, Hum 4 or 5 should be available for students to take each semester.

Hum 4, 5 and 10H will be offered each semester on a rotating basis as arranged by the Honors Dept. at Norco.

In keeping with efforts to shift toward a more balanced approach between religious studies and arts-based humanities courses, I would like to offer specialty courses as follows:

- Humanities 23 (Bible as Literature) will be offered alternate fall semesters on a three-year rotation.
- Humanities 11 and 35 (Religion in America, Philosophy of Religion) will alternate in spring semesters on a three-year rotation.
- Humanities 8 and 18 (Mythology, Death) will alternate (according to student interest) in fall semesters on a two-year rotation

This modification will allow for the addition of a Hum 4/5 section on alternating semesters, until more Hum sections can be added overall.

**3. What annual goals does your unit have for 2014-2015 (please list the most important first)? Please indicate if a goal is directly linked to goals in your comprehensive. How do your goals support the college mission and the goals of the Educational Master Plan?**

List the goals of your unit for 2014-2015	List activity(s) linked to the goal	Relationship of goal to mission and master plan	Indicate if goal is limited to Distance Education
To maintain the integrity of the discipline by consistently maintaining basic courses and offering specialty courses on a set one year rotation.	Monitor semester course offerings by section and total number	Goal aligns with College Mission to “provide foundational skills and pathways to transfer” and with all the Core Commitments, particularly 1-7	Not limited to DE
To continue the cycle of regular program and course assessment to ensure program quality and enhance student learning	Conduct regular course and program-level assessments to comply with mandated standards and goals for assessment & program review. (linked to comprehensive goals)	Goal aligns with EMP Goal 4, to “Enhance academic programs and the learning environment to meet student and community needs.” Also aligns with Core Commitments 1, 2 , 5 and 6.	Not limited to DE
Continue to improve retention and success in all courses	Assessment and dialog with associated faculty in Spring and Fall 2015	Strengthen student learning Goals 1, 5, and 6	Not limited to DE
Continue to improve retention and success for distance education courses	Continued refinement of online courses to address problematic issues. Inclusion of more video material (see #8 request below)	Strengthen student learning Goals 1, 5, and 6	Pertains to DE only

*\*Your unit may need assistance to reach its goals. Financial resources should be listed on the subsequent forms. In addition you may need help from other units or Administrators. Please list that on the appropriate form below, or on the form for “other needs.”*

-----------------------------	--	--	--	--	--	--

\* Instructional Equipment is defined as equipment purchased for instructional activities involving presentation and/or hands-on experience to enhance student learning and skills development (i.e. desk for student or faculty use).  
 Non-Instructional Equipment is defined as tangible district property of a more or less permanent nature that cannot be easily lost, stolen or destroyed; but which replaces, modernizes, or expands an existing instructional program. Furniture and computer software, which is an integral and necessary component for the use of other specific instructional equipment, may be included (i.e. desk for office staff).

## Rubric for Annual Instructional Program Review - Part I only

Discipline: Humanities

Contact Person: Diane Palmer

Reviewer:

Average Score:

Area of Assessment	<b>0</b> No attempt	<b>1</b> some attempt	<b>2</b> good attempt	<b>3</b> outstanding attempt
<b>1. Retention, success, and efficiency rates have been identified and reflected upon</b>	No attempt to list retention, success, or efficiency data	Limited attempt to identify or discuss identified data	Clear attempt to identify and discuss identified data	Substantial attempt to identify and discuss/interpret identified data
<b>2. There are annual goals for refining and improving program practices.</b>	No annual goals stated	Limited/generic statement made regarding goal(s), lacks clarity or details	Clear statement made regarding goal(s), includes details	Well-defined statement made regarding goal(s), includes details, reasoning
<b>3. Activities identified that support annual goals; connections made between goals/activities and Retention, Success, Enrollment, and Efficiency data</b>	No attempt made to identify activities	Limited/generic statement about activities; very limited attempt to connect to data from question 2 (where logical)	Clearly stated activities that support the goal(s); clear connection made to data from question 2 (where logical)	Well-defined activities that logically support the goal(s); definitive connections made to data from question 2 (where logical)
<b>4. The annual goals are linked to the Mission and Educational Master Plan (EMP) of NC.</b>	No link between the annual goals and the Mission or EMP	Limited attempt to link goals to Mission and EMP	Clear attempt to link goals to Mission and EMP	Well defined connection made between goals and Mission and EMP
<b>5. Resource requests have reasons identified and completed data fields, including estimated dollar amount.</b>	No reasons identified and incomplete data fields; or reasons identified, but incomplete or empty data field	Limited/generic/basic reasons provided, data fields completed	Clear requests for resources, all data fields fully completed	Well defined reasons for resources, all data fields fully completed
<b>6. Linkages made between EMP/Strategic Plan Goals (SPG) with reasons for resource requests</b>	No linkage made between resource requests and EMP/SPG	Limited/generic/basic connection made between resource requests and EMP/SPG	Clear connection made between resource requests and EMP/SPG	Strong connection made between resource requests and EMP/SPG
<b>7. The document is complete</b>	No; there are incomplete sections	/	/	Yes; all sections are completed
<b>Column scores</b>				

Additional comments:

## II. Norco College - Annual Assessment Update

**Purpose** – The purpose for completing an annual review is to provide an opportunity for reflection on all that has been accomplished and learned from your efforts in assessment. Assessments conducted in isolation from each other will yield interesting, important, or neutral information in and of themselves, but taking a holistic look back on the unit’s accomplishment over the past year might also yield some insight. The annual review is a time to take stock of which courses and programs have undergone some scrutiny, and subsequently should help with planning for the upcoming year. This planning might include considering which other courses are ready for an initial assessment, or which might need a loop-closing assessment. Things we might learn in one cycle of assessment might actually help us to plan assessments in the next cycle, or might facilitate changes in other courses that weren’t even included in the initial assessment. To this end, please complete the following with as much detail as possible. If you have any questions, please contact either Sarah Burnett at sarah.burnett@norcollege.edu, or Greg Aycock at greg.aycock@norcollege.edu.

1. Identify where you are in the cycle of SLO assessment for each course you assessed over the past year (*fall 2013 - spring 2014*). Each response will be individualized; this means each completed column might look a little different due to the nature of the cycle of assessment in which we engage. For example, you may have a course in which you are implementing improvements to close the loop on an initial assessment that was completed in a different year. You might also have a course that only has an initial assessment with report and you haven’t yet completed any follow-up or improvement activities. Below you will see an example of how to fill in this section, and then a blank chart for your own responses.

Course number and name	SLO <i>Initial Assessments</i> and completed <b>Reports</b> (State each SLO e.g., SLO 1)	SLOs with <i>Improvements identified</i> (Identify the SLO with # of improvements in ( ) e.g., SLO 1(1), or SLO 3(0) )	SLOs not needing improvement (assumed loop-closed), with clear reasoning as to why	SLOs involved in <i>Loop-Closing</i> assessment (state SLO and effect)
EAR 20 Child Development	SLO 1, SLO 3 (Indicates the discipline assessed and wrote a report for both SLO 1 and 3 in the past year for this course)	SLO 1(2) (Indicates 2 adjustments were made to the course e.g., in materials, assignment, test questions, pedagogy, curriculum etc. Notice, nothing is stated for SLO 3 – suggesting no concerns were identified...see the next column...)	SLO 3 – results meet discipline set standards of 75% success (If no improvement is needed please state why in this column)	SLO 1 – data indicate increased success after improvements were made (This means a closing the loop assessment was completed on SLO 2 for EAR 20)

Course number and name	SLO <i>Initial Assessments</i> and completed <b>Reports</b> (State each SLO e.g., SLO 1)	SLOs with <i>Improvements identified</i> (Identify the SLO with # of improvements e.g., SLO 1(1), or SLO 3(0) )	SLOs not needing improvement (assumed loop-closed), with clear reasoning as to why	SLOs involved in <i>Loop-Closing</i> assessment (state SLO and effect)
<b>Hum 10/10H</b>	<b>SLO 3, SLO 4</b>	<b>none</b>	<b>SLO 3, SLO 4. Post-course assessment produced impressive results, indicating students had achieved objectives of target SLOs, that they were appropriate to the course and should be retained without change.</b>	<b>none</b>
<b>To be completed for other classes after rough draft review</b>				

2. a) How many Program Level Outcome *initial* assessments were you involved in fall 2013 - spring 2014? Indicate a total number per column. Please provide copies of any reports or documents related to these assessments as attachments to this Annual Review, or embed at the end of the document as an Appendix.

AOE (Area of Emphasis)	ADT (Associate for Transfer)	GE (General Education)	Certificate
<b>0</b>	<b>0</b>	<b>0</b>	<b>0</b>

b) How many Program Level Outcome *loop-closing* assessments were you involved in fall 2013 - spring 2014? Indicate a total number per column. Please provide copies of any reports or documents related to these assessments as attachments to this Annual Review, or embed at the end of the document as an Appendix.

AOE (Area of Emphasis)	ADT (Associate for Transfer)	GE (General Education)	Certificate
<b>0</b>	<b>0</b>	<b>0</b>	<b>0</b>

3. Please describe any changes you made in a course or a program as a response to an assessment. Please indicate the impact the changes had on student learning, student engagement, and/or your teaching. **Development of a specifically directed post-course prompt in the form of an essay question on the final exam enabled the instructor to better assess student achievement of the target SLOs.**
4. Can you identify any assessments that have prompted a change in perspective in the manner in which your discipline should modify the Course Outlines of Record (COR) or the Student Learning Outcomes (SLO)? Please expand on what you think should be modified. **N/A**
5. Have you shared your assessments, outcomes, improvements etc. with your discipline? How? If not, how do you plan to do so in the future? **This assessment was completed by Bonnie Pavlis, who shared it with adjunct instructors and is now sharing it with me via her report.**
6. Did any of your assessments indicate that your discipline or program needs additional resources to support student learning? If so, please explain.  
**N/A**
7. What additional support, training, etc. do you need in the coming year regarding assessment? **I plan to attend training sessions on using the TrakDat system, and will continue to ask questions when necessary as I conduct my own course assessments.**
