Completion Initiative

Dr. Dieckmeyer gave a presentation (PowerPoint attached) on the history and current status of the Norco College Completion Initiative and the following funding possibilities:

- Innovation Award (application submitted)
- Guided Pathways Project (application submitted; consortium with 15-20 other institutions) There is a \$15K per year cost to participate, which will be paid for by another grant if we are accepted. Provides access to information and allows us to send teams to participate in various activities. Now, there is also \$150M available of which some funds will be offered to colleges selected to participate.
- Colleges Futures Foundation – we've been awarded a mini-grant of \$100K.
