## Call for Nominations: Norco College Alumnus of the Year

Norco College invites you to nominate outstanding individuals who have made notable contributions to the College and community for recognition at an annual *event held by the College President*.

Created in 2012, the [Alumnus of the Year Award](#) (formerly known as the Young Alumnus of the Year award) recognizes graduates who are making significant contributions to society or within their respective professions, and whose accomplishments and careers reflect favorably upon the College.

### Criteria

Candidates must have attended Norco College for at least two semesters or completed at least 24 units of study. The award is presented to **one** person annually. Questions to consider when nominating are:

- Has the candidate had an impact on his/her profession and/or community in which he/she has been active?
- What makes the candidate stand out?

Nominations are solicited from members of the college community and the public. A committee will review the materials submitted on each candidate and select one whose achievements most closely fit the criteria. The selected name is then forwarded to the District Chancellor and President for approval. The deliberations are kept confidential.
