

**NORCO COLLEGE MESA/ASEM
STUDENT COMMITMENT**

I,

Full Name

RCCD Student ID#

I commit to the following program expectations, which are designed to support me in my career and academic journey towards a STEM bachelor's degree:

1. I will attend **MESA Fall into STEM** and **MESA Spring into STEM** meetings where time-sensitive information will be shared regarding transfer applications, financial aid, scholarships, tutoring, and upcoming MESA events and field trips.
2. I will engage in MESA tutoring/review sessions at least one hour per week with the understanding that I can attend as many sessions as I need to be successful.
3. I will meet with a MESA counselor at least twice each year – once during summer/fall and once during winter/spring.
4. I will communicate immediately any changes to my academic standing (e.g., dismissal, probation, SAP appeal) or when I am struggling with any courses.
5. I will attend as many MESA workshops, events, and field trips as possible, while prioritizing classes, studying, and work obligations first.
6. I will maintain full-time enrollment (12+ units) to ensure timely transfer. Accommodations can be made for DRC and full-time working students.
7. I will successfully transfer to a 4-year university in a calculus-based STEM major!!

I understand that to receive early registration group III status, I must complete the first three items listed above.

I give my permission for MESA to track necessary information about my academic performance beyond Norco College. By signing below, I certify that I am at least 18 years of age.
