Checking Account Options Available From Wells Fargo

Riverside Community College District and Wells Fargo have teamed up to offer you optional added banking convenience with your linked Riverside City College Card, Moreno Valley College Card, and Norco College Card. This program offers you choices – you can choose to open an account and you can choose to link that account to your Riverside City College Card, Moreno Valley College Card, and Norco College Card for banking access. Both optional services are available for your convenience.

For information about the major features and common fees of checking accounts offered through this program, please click on the links below:

See the [Consumer Account Fee and Information Schedule and Consumer Account Agreement](#) for additional consumer account information.

Deposit products offered by Wells Fargo Bank, N.A. Member FDIC.

Riverside Community College District receives financial support from Wells Fargo for services associated with the Riverside City College Card, Moreno Valley College Card, and Norco College Card to help offset costs. Students, faculty and staff are not required to open an account with Wells Fargo to receive or use the Riverside City College Card, Moreno Valley College Card, and Norco College Card for other campus services.
