Fall classes: August 26 - December 14
What Are Online, Hybrid and Web-enhanced Classes?

- **Online** classes are taken exclusively over the Internet; there are no oncampus meetings required. However, some online classes require proctored exams, either on an RCCD campus or by an off-site proctor approved by the instructor.

- **Hybrid** classes meet both on campus and online; think of them as traditional face-to-face classes where some of the on-campus class meetings are replaced with online assignments. In a hybrid class, you will attend meetings on campus during the dates and times listed in the schedule of classes. Since the on-campus portion of hybrid classes could take place at any of our three colleges (Riverside City, Norco or Moreno Valley), hybrid classes are listed according to the campus where the on-campus meetings take place. So, for example, if you’d like to take a hybrid class at Norco, you’d look under the Norco college section of this schedule.

- **Web-Enhanced** classes are traditional face-to-face classes that are augmented with course websites. Unlike hybrid classes, all web enhanced class meetings take place on campus. The course website is an extra value!

Are You Ready for Online Learning?

To take an online, hybrid, or web-enhanced class, here are a few things to keep in mind:

- You should have regular access to a personal computer that is connected to the Internet. Not sure whether your computer measures up? Go to [www.opencampus.com/students_canvas](http://www.opencampus.com/students_canvas) and click on the “Canvas System Requirements page” link.
- You should be familiar with basic computer operations: for example, using a word processing program, logging onto the Internet, using a browser, and sending e-mail.
- You should be self-disciplined and have strong study skills. It’s easier to fall behind in an online class.
- Lastly, you shouldn’t believe the myth that online or hybrid classes are “easier” than face-to-face classes. In fact, online classes cover the same material as face-to-face classes, and many students say that their online classes actually require more of their time than their face-to-face classes. Set aside a few minutes and take the quiz below to help you decide.

Quiz: Are Online or Hybrid Classes for Me?

1. Considering my professional and personal schedule, the amount of time I have to work on an online or hybrid class is:
   a. More than enough time for an on-campus class;
   b. The same as for a class on campus;
   c. Less than for a class on campus;

2. As a reader, I would classify myself as:
   a. Good - I have no problem understanding textbook material;
   b. Average - I sometimes need help to understand the text;
   c. Slower than average;

3. Commuting to campus on a regular weekly schedule is:
   a. Extremely difficult for me - I have commitments;
   b. A little difficult, but I can rearrange my priorities for regular attendance on campus;
   c. Easy for me;

4. When I need help understanding the subject:
   a. I am comfortable approaching the instructor;
   b. I am uncomfortable approaching the instructor, but I do it anyway;
   c. I never approach an instructor to admit I don’t understand something;

5. When an instructor hands out directions for assignments, I prefer:
   a. Figuring out the instructions myself;
   b. Trying to follow the directions on my own, then asking for help as needed;
   c. Having the instructions explained to me;

6. I would classify myself as someone who:
   a. Often gets things done ahead of time;
   b. Needs reminding to get things done on time;
   c. Puts things off until the last minute or doesn’t complete them;

7. Holding weekly class meetings face-to-face is:
   a. Not particularly necessary for me;
   b. Somewhat important to me;
   c. Very important to me;

**SCORING:** Are Online or hybrid classes for you? Score your responses: 3 points for each “a”, 2 points for each “b”, and 1 point for each “c”. 14 or over—Online or hybrid classes are a real possibility for you. Between 8 and 13—Online or hybrid classes may work for you, but you may need to make adjustments in your schedule and study habits to succeed. 7 or less—Online or hybrid classes may not currently be the best alternative; talk with your counselor.

**Please note:** To enable online-based students to communicate more effectively with their instructors, students need to activate and use their RCCD e-mail account. Personal e-mail addresses will not be used so the RCCD account is the only approved method of formal communication from RCCD to the student. For information on accessing your RCCD email account, please see page 8 in the Information Pages portion of the schedule, or go to mail.office365.com to sign in with your RCCD email address.

The above section is a short term online class Computer with Internet access required. See www.opencampus.com. In addition to the online lecture, students are required to come to campus for a proctored final exam. Your instructor will have additional details.  
**Instructor:** P Worsham

**ACC-55**  
**Applied Accounting/Bookkeeping**  
**3 UNITS**  
**Prerequisite:** None  
Description: This is an introductory course for students who are non-accounting majors. The focus is basic bookkeeping and accounting principles for both merchandising and service oriented small business enterprises. Emphasis is on the development of skills to record business transactions for cash and accrual methods, as well as the procedures to prepare financial statements and complete an accounting cycle. Attention is given to special journals, subsidiary ledgers, and payroll and banking procedures. 54 hours lecture. (Letter Grade, or Pass/No Pass option.)  
37000  
Last Day to add: 09/02/19  
HYB  08/26/19  10/19/19  09:40AM  11:10AM  TTH  ATEC114  
The above section is a short term hybrid class. Computer with Internet access required. See www.opencampus.com. Please note the start and end dates.  
**Instructor:** P Worsham

**ACC-62**  
**Payroll Accounting**  
**3 UNITS**  
**Prerequisite:** ACC-1A or ACC-55  
Description: Studies accounting for payroll and examines aspects of the Social Security Act, California Unemployment Insurance Act and the California Workers Compensation Insurance Act. Payroll principles applied through the use of microcomputers. 54 hours lecture. (Letter Grade, or Pass/No Pass option.)  
37011  
Last Day to add: 10/29/19  
OL  10/21/19  12/14/19  ONLINE  
The above section is a short term online class Computer with Internet access required. See www.opencampus.com. Please note the start and end dates.  
**Instructor:** M Scott
ACC-65
Computerized Accounting 3 UNITS
Prerequisite: ACC-1A or ACC-55
Advisory: CIS-1A or CIS-3
Description: An introduction to computerized accounting, integrating the principles of accounting to an automated system in use by many accounting professionals. 54 hours lecture. (Letter Grade, or Pass/No Pass option.)
37012 Last Day to add: 10/26/19
HYB 10/21/19 12/14/19 08:00AM 09:25AM TTH CACT2
10/21/19 12/14/19 ONLINE
The above section is a short term hybrid class. Computer with Internet access required. See www.opencampus.com. Please note the start and end dates.
Instructor: N Ildefonso

ACC-67
U.S. and California Income Tax Preparation 4 UNITS
Prerequisite: None
Description: U.S. and California income tax principles and tax return preparation as it relates to individuals, sole proprietorships, and other business entities. This course is certified by the California Tax Education Council (CTEC) as fulfilling the 60-hour qualifying education requirement imposed by the State of California for becoming a Registered Tax Preparer. 72 hours lecture.
37013 Last Day to add: 09/01/19
HYB 08/26/19 10/19/19 05:30PM 09:45PM W JFK118
08/26/19 10/19/19 ONLINE
The above section is a short term hybrid class. Computer with Internet access required. See www.opencampus.com. Please note the start and end dates.
Instructor: J Muir

ADMINISTRATION OF JUSTICE

ADJ-1
Introduction to the Administration of Justice. Same As Jus-1 3 UNITS

CIS-3

Computer Applications for Business

3 UNITS

Prerequisite: None.

Description: Introductory to intermediate concepts covering Windows operating system, file management, and various aspects of typical office applications for business and office professionals. (Same as BUS/CAT-3)

Instructor: C Brotherton

CIS-5

Programming Concepts and Methodology I: C++

4 UNITS

Prerequisite: None

Advisory: CIS-1A

Description: Introduction to the discipline of computer science incorporating problem definitions, algorithm development, and structured programming logic for business, scientific and mathematical applications. The C++ language will be used for programming problems. 54 hours lecture and 54 hours laboratory.

Instructor: J Coverdale

Instructor: Staff

Instructor: M Chapman

Instructor: T Pryor

Instructor: Staff
CIS-17B
**C++ Programming: Advanced Objects** 3 UNITS
**Prerequisite:** None
**Advisory:** CIS/CSC-17A
Description: This is an advanced C++ programming course for students familiar with object-oriented programming and utilization of basic graphical interface techniques. An emphasis will be placed on advanced concepts associated with complex business and gaming applications that utilize exception handling, multithreading, multimedia, and database connectivity. 54 hours lecture and 18 hours laboratory. (Letter Grade, or Pass/No Pass option.)
