

NORCO COLLEGE

Spring 2023 Final Examination Schedule

- Failure to report for scheduled final examinations may result in a failing grade for the course. In case of illness or other emergency, the student must report to the instructor's office or department prior to the beginning of the examination.
- Final Examination Schedules are specific to each college and are to be used to determine the final examination dates for classes that are held only at that college. * **If you have two finals scheduled at the same time, see your instructors to schedule an alternate time for one of your finals.**
- Final examination for classes shorter than a full semester will be held on the last class meeting date.
- The chart below details the final examination schedule for full-semester weekday classes. Choose the block that most closely matches the time and day the class meets, and that does not result in a conflict with other classes that are also scheduled within that same block. The date of the final examination will occasionally be scheduled on a day that the class does not normally meet. Note the start time and arrive promptly.
