

NORCO COLLEGE

California State University General Education Requirements 2014-2015

The courses listed below are those that Norco College is offering during the **SUMMER 2014** term that can fulfill lower division general education requirements for all CSU campuses.

There are other courses that can fulfill these requirements; for a complete list of options, please see the Norco College Catalog.

It is recommended that all students with a goal of transfer to a 4-year university develop a Student Educational Plan (SEP).

A Norco College academic counselor can assist you in developing an SEP for your specific academic goals.
