Funding Entity	Sponsor	PI	Funding	Description	Deadline
Foundation for California Community Colleges		Ashley Etchison	\$10,000 Funded	These funds will enhance access to our VITA tax preparation site.	2/28/25
Edison International Foundation	Edison International Foundation	Dr. Doussett	\$25,000 Funded	The grant will fund workshops hosted by Norco College's Transfer Center, Math, Engineering, Science Achievement (MESA) program, and other specialized programs. These workshops will introduce tools such as the UC Transfer Admission Planner (UC TAP) and CSU Transfer Planner to guide students through the transfer process. Additionally, the grant will enable STEM students to attend well-known conferences like the NDiSTEM Conference and the Great Minds in STEM Conference, providing opportunities for research, internships, and networking.	12/4/2024
California Community Colleges	John Burton Advocates for Youth	Daniela McCarson	\$180,000 (Not Funded)	Our application proposes to address various needs, using the NextUp and Phoenix Scholars programs to create a more inclusive environment that encourages students to focus on their education without being held back by external barriers. This funding aims to ensure foster youth receive wraparound support via professional staff, peer mentors, Basic Needs and Wellness, and community partners to address various needs among our foster youth.	12/20/24
Century Grant	RCCD Foundation	Dr. Greg Ferrer	\$5,000	Funding has been requested to support two cultural events.	10/26/24
Michelson Spark Grant Update	Michelson Foundation	Kim Thomas	Foster Youth College Access Demonstration Project Letter of Interest (Not Invited)	This project aims to bridge the gap in services for pregnant and parenting students at Norco College, while also providing the necessary technical assistance to scale up existing services. By leveraging existing resources and integrating proven practices, the college can create a more inclusive and supportive environment for all students. Additionally, the funding will enable the development of a comprehensive blueprint to implement these services in the 2025/26 academic year.	11/30/24
NSF: Racial Equity in STEM Education: NSF 22-634 (Collaborator with Cal State Fullerton)		Ashley Johnson	\$1,150,984 Up to 5 years.	These gaps in the literature and practice suggest an opportunity to identify unique motivation and identity profiles for Black and Latinx students to inform the development of culturally responsive motivational climates and inclusive settings where students feel highly motivated.	10/08/24
