

# JOIN THE MEN OF COLOR FAMILY

**2 CLASSES, 6 UNITS.**

**"Growth is often uncomfortable, messy, and full of feelings you weren't expecting. But it's necessary."**

## SPRING 2026

**ENGL-1B**

**Section code: 33074**

Tuesday from 2:00 pm - 4:05 pm

This class is part of the Men of Color program and explores the identities, voices, and lived experiences of Men of Color. Students examine the cultural and community influences that shape these experiences, as well as the challenges and systemic barriers faced in schools, media, and society. The course also highlights strength, resilience, and leadership through community, storytelling, and advocacy.

**COMM - C1000**

**Section code: 32963**

Online

This course empowers students to develop their personal growth and values, academic study strategies, and critical thinking techniques in a comprehensive and integrated manner. By taking this course, students will gain the necessary communication skills to succeed in college.
